

# Auto Kleen

Vehicle wash

**AUTO KLEEN** is a mild detergent that is specially compounded for washing cars, campers, trailers, tractors, trucks, golf carts and much more. This powerful cleaner is not caustic or corrosive and is therefore easier to work around than many other detergents while still having the ability to cut through road grime, dirt and other soils. **AUTO KLEEN** will leave your vehicle spotless and film free. It is safe to use on all vehicle finishes and is biodegradable. For a sparkling clean all over, use Omega's **TIRE SHINE** on tires and rubber surfaces, and Omega's **RESTORE** for interior surface cleaning and protecting.

**Directions:** Use 1-3 ounces of **AUTO KLEEN** per gallon of warm water in mixing container.

To create suds, fill container with water under pressure. Rinse freely, minimum toweling required.

The fresh suds of **AUTO KLEEN** can also be used on carpet and upholstery for a clean vehicle inside and out.

**Areas of Use:**

- \*vehicle maintenance yards
- \*limousine companies
- \*car rental facilities
- \*city and county vehicles
- \*bus yards
- \*company vehicles
- \*college and university vehicles
- \*dealerships
