

Bio Power

Biodegradable degreaser
with a pleasant scent

This 100% biodegradable general purpose cleaner and degreaser can be used on just about everything. **BIO POWER** effectively removes tough grease, built up dirt, and grime, yet it is non-toxic and contains no phosphates, solvents or other harsh chemicals. **BIO POWER** leaves a long lasting fresh scent without any sticky residue.

The mild fragrance makes **BIO POWER** the best choice for cleaning in public areas and areas where strong odors may be offensive, and a pleasant clean fragrance is desired. For glass surfaces in areas being cleaned try Omega's **MEGA CLEAR** streak free glass cleaner for a completely clean and fresh smelling room.

Directions: FOR GENERAL CLEANING: pour **BIO POWER** directly on a clean sponge or cloth and wipe the entire area. **BIO POWER** can also be sprayed directly onto surfaces to be cleaned, then simply wipe away dirt and grime. FOR RESTROOMS: Pour into toilets, sinks, bathtubs etc. to clean, refresh and deodorize. FOR FLOORS: mix 4-8 oz. of **BIO POWER** per gallon of water and mop as usual.

Areas of Use:

- *apartment complexes
- *office buildings
- *municipalities
- *restrooms
- *hotels
- *schools
- *kitchens
