

Breeders

Super Concentrated liquid
alive bacteria

BREEDERS is a convenient, super highly concentrated liquid form of living bacteria in suspension to promote rapid decomposition of organic matter and the odors associated with decomposition. **BREEDERS** super powerful formulation contains no acids, caustics or solvents. **BREEDERS** is recommended for use in grease traps, septic tanks, drain lines, holding tanks, garbage areas, and more to control odors and prevent buildup.

Directions: For maximum benefit use 3 oz. of **BREEDERS** per drain each month to keep lines free flowing and to prevent buildup of waste and resulting odors. When used properly **BREEDERS** will also remove soap scum and hair that may cause drain blockage. Spray into garbage collection areas, dumpsters, and waste processing areas regularly to control odors. **DRAIN LINES:** To maintain free flowing lines and control odor, use 2-3 ounces of **BREEDERS** two to three times per week. For best results, use at the end of the day to allow time for the bacteria to work. **GREASE TRAPS:** Treat at night or when traps are used least. Pour 4 oz. of **BREEDERS** per 180 gallon grease trap capacity directly into trap, or in pipeline closest to trap. Follow with 1 cup lukewarm water. Daily use is recommended. **SEPTIC TANKS:** Initial treatment: use 1 pint of **BREEDERS** per 400 gallon capacity poured directly into toilet and flushed. Thereafter, use 4 ounces weekly. **HOLDING TANKS:** Initial treatment: use 1 ounce of **BREEDERS** per gallon of water in holding tank. Thereafter, use 1 ounce per 50 gallons of capacity. Repeat after every cleanout. Add 1 pint per week for maintenance.

Health	1
Flammability	0
Reactivity	0
Protection	B

Areas of Use:

- *restrooms
- *school districts
- *custodial departments
- *sewer departments
- *housekeeping
- *cities and counties
- *apartment complexes
- *hospitals
- *public building

Appearance and odor.....	Off white, milky liquid with floral scent
Specific Gravity.....	Concentrate - 1.0
VOC.....	0%
NFPA Fire Rating.....	Non-flammable Spray
