

Hand Heat Pads

Hand warmers

HAND HEAT PADS are excellent for the cold weather they provide warmth to endure cold climate situations. Each pair last up to 10 hours of soothing warmth for your hands they can also fit inside your gloves, pockets or wherever you feel a chill.

Directions:

Just open to activate. Allow 10 to 20 minutes for **HAND HEAT PADS** to reach their optimal temperatures. The **HAND HEAT PADS** last 10 hours but they can also be use for a couple of hours, just put it in an airtight ziplock bag to stop the warming action. Simply take it out and expose to air to use it again for up to 10 hours total.
