

# Hi Shine

Auto Buff and Polish

**HI SHINE** is a unique polish for automobiles, trucks and marine finishes. **HI SHINE** polish produces a deep, lustrous shine that will not harm the finest finish. Protects with carnauba wax and PTFE. **HI SHINE** makes waxing fast and easy, simply spray on, allow **HI SHINE** to haze and buff to a high-gloss durable finish. **HI SHINE** can be used on trucks, buses, automobiles, boats, motor homes, jet skis, snowmobiles and motorcycles. **HI SHINE** can also be used to polish elevator doors, aluminum, stainless steel and chrome. **HI SHINE** does not streak or smear. For vehicles be sure to try Omega's **RESTORE** cleaner and protectant for trim, vinyl and leather, and **TIRE SHINE** for new looking tires and to complete your vehicle's detail and provide a perfect finish.

**Directions:** Shake well before using. Wash vehicle, wipe off excess water. Spray product on surface to be polished. Let **HI SHINE** set for 5 - 10 minutes or until haze forms. Wipe with clean soft cloth and buff to deep lustrous shine.
