

Kleen Freeze

All Purpose Freezer Cleaner

KLEEN FREEZE cleans grease, soil, blood, fats, juices, etc. from the wall of any freezer or freezer-type unit without defrosting, thereby eliminating costly shutdowns. **KLEEN FREEZE** has a mild scent, 100% biodegradable, simple three step cleaning method for previously expensive time-consuming problems. Surfaces cleaned with **KLEEN FREEZE** will not refreeze. The **KLEEN FREEZE** formula is non-toxic, biodegradable and therefore safe for the environment. **KLEEN FREEZE** is USDA accepted works in temperatures zero to 35 below zero.

DIRECTIONS: DO NOT DILUTE. To remove residue of ice, juice, ice cream, etc. from freezer surfaces, apply **KLEEN FREEZE** directly to walls, shelves and floors by spraying or mopping. Allow **KLEEN FREEZE** to soak from 15 - 60 minutes, depending on condition of the equipment to be cleaned. Use with an all abrasive or scotch brite pad or small scrapper, to remove loosened soil and ice from surfaces. Wipe clean with dry cloth to remove any residue.
