

Nature's Pen

Organic Penetrating Oil

NATURE'S PEN a toxin free, petroleum distillate free, VOC compliant and contains no ozone depletors lubricant. It has a low odor and quick penetrating action Penetrates through rust and corrosion to free frozen parts. Never-dry oil film lubricates parts reducing friction and wear, to ensure free and easy movement over a broad temperature range.

Directions:

Saturate part to be loosened and allow product to penetrate for a moment before attempting to break free. For heavily encrusted pieces a wire brush may be used to help remove corrosion. Apply a final spray to all parts prior to reassembly.

Areas of Use:

- *marine applications
- *refrigeration equipment.
- *start wet engines
- *municipalities
- *vehicle maintenance shops
- *motors
- *generators
- *equipment maintenance

Health	1
Flammability	2
Reactivity	0
Protection	B

Appearance and odor.....	Clear, light amber liquid with faint citrus odor.
Specific Gravity.....	Concentrate - 0.87
Propellant.....	Carbon Dioxide
VOC.....	5.85%
NFPA Fire Rating.....	Flammable Spray
