

Pink Cadillac

Non-acid bathroom cleaner

This safe non-acid cleaner is a highly concentrated neutral descaler and brightener that has the power normally only available in an acid compound. **PINK CADILLAC** is safe to use and highly dilutable. Use to remove soap scum, hard water spots, rust stains, grime, mineral deposits, and more from porcelain, enamel, tile, concrete, plastic, fiberglass, etc. **PINK CADILLAC** can be diluted up to 40:1 to clean tile, porcelain, fiberglass, chrome, plastic laminates or any other hard surface. Does not contain acid, bleach or abrasives.

Directions: To clean and descale toilets and urinals, first remove all water. Apply **PINK CADILLAC** to surfaces with damp sponge or cloth. Rinse. For exceptionally heavy deposits use brush or scrub pad to remove softened deposits. Dilute as high as 40:1 depending on the job at hand.

Areas of Use:

- *apartment complexes
- *hospitals
- *cities and counties
- *school districts
- *prisons
- *retirement facilities
- *office buildings
- *amusement parks
