

Soy Natural

Natural Soy Based Cleaner & Degreaser

Soy Natural has the power of natural soy with a boost from natural orange. It contains no petroleum based or chlorinated solvent, is non-acid, non-caustic, non-corrosive. It's biodegradable.

Directions: SHAKE WELL BEFORE USING. Dilution may vary due to severity of soil, grease or odor. **General Cleaning of Floors, Walls and Equipment:** Dilute 4 ounces of **Soy Natural** in a gallon of warm water. For best results, apply **Soy Natural** generously with mop, sponge, or cloth. Allow to set 2 to 4 minutes before rinsing with water. DO NOT use on resilient or synthetic floors. **General Degreasing:** Clean grills, hoods, machinery and concrete floors by using product at full strength. Spray or sponge on surface and allow 2 to 4 minutes for degreasing action to occur. Rinse with clear water. **All Purpose Cleaning of Kitchen Counters, Bathrooms, Etc:** Dilute 2 ounces with 1 gallon of water. Adjust dilution for job at hand. **For Tar, Asphalt & Adhesive Removal:** Apply undiluted to soiled surface by spraying, mopping, or pouring on. Allow to stand for several minutes, agitate if necessary. Rinse with water under pressure. **Drain Maintenance:** Deodorizes and liquifies grease and scum which causes clogging. Pour 3 to 4 ounces into each drain. Let stand 5 to 10 minutes. Flush with hot water. **GREASE TRAPS:** Pour or pump 5 ounces daily into grease traps smaller than 2 cu. ft. capacity. For larger traps use 5 to 10 ounces daily.
