

Shield Cream

Hand Protection Cream

SHIELD CREAM is a pre-work cream that is ideal for both wet and dry application. **SHIELD CREAM** forms a protective barrier to prevent harmful substances from penetrating the skin, making it easier to clean the hands. **SHIELD CREAM** is also suitable for facial use. Use **SHIELD CREAM** in situations with low to heavy soilings. The sustainable cartridge is fully recyclable. **SHIELD CREAM** is part of a unique dispensing system for hand hygiene which consists of a touch-free dispenser and unique cartridges and therefore offers ultimate efficiency. *Dispenser sold separately.*

Directions: **SHIELD CREAM** can be used with the touch-free dispenser. Recommended setting: 3 = 1.0 mL/dosage. Apply **SHIELD CREAM** to clean, dry skin prior to working. Rub hands together to evenly distribute cream and form a protective barrier. To remove, wash hands with Omega's hand cleaners.
