Identity (As Used On Label and List)

A1076 Very Berry Mist

Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.

Section I

Manufactured for:

OMEGA INDUSTRIAL SUPPLY, INC

Emergency Telephone Number:

1-800-424-9300

Address (Number, Street, City, State, and Zip Code)

101 Grobric Ct #1

Telephone Number for Information:

1-800-571-7347

Fairfield, CA 94534

Date Prepared

12-03-2007

Signature of Prepare (Optional)

REGULATORY DEPT.

Section II - Ingredients / Identity Information

Components

(Specific Chemical Identity, Common Name(s))

CAS No.

OSHA PEL

ACGIH-TLV

Other Limits

Recommended.

This product is not known to contain any compounds listed and in quantities requiring reporting under SARA Title III Section 313

Section III - Physical Chemical Characteristics

Boiling Point

N/A

Specific Gravity (H₂O = 1)

0.795

Concentrate

Vapor Pressure (mm/hg)

N/A

Freezing Point

N/a

Vapor Density (Air=1)

N/A

Evaporation Rate (Butyl Acetate = 1)

N/A

Solubility in Water

Complete

pH

N/A

Appearance and Odor—

Clear, colorless to light yellow with acetone/berry odor.

VOC Content by wt (%)

30%

Section IV – Fire and Explosion Hazard Data

Flammability:

Flammable by WHMIS/OSHA criteria

Explosion Data:

Sensitivity to Mechanical Impact

Not Available

Sensitivity to Static Discharge

Not Available

Extinguishing Media – Powder, foam, carbon dioxide.

Unsuitable Extinguishing Media – Water.

Products of Combustion – May include, and are not limited to oxides of carbon

Protection of Firefighters – Containers may explode when heated. Keep upwind of fire. Wear full fire fighting turn-out gear (full Bunker gear) and respiratory protection (SCBA)

Section V – Reactivity Data

Stability

Unstable

Stable

Conditions to Avoid – Stable under normal storage conditions. Contents under pressure.

Container may explode if heated. Do not puncture. Do not burn. Keep in a cool place.

Hazardous

Polymerization

May Occur

Will Not Occur

Conditions of Reactivity – Heat, incompatible materials.

Incompatibility (Materials to Avoid) – Oxidizers, bases, amines.

Hazardous Decomposition or Byproducts – May include, and are not limited to: oxides of carbon.

Section VI – Health Hazard Data

Route(s) of Entry:	Eyes?	Inhalation?	Skin?	Ingestion?
	Yes	Yes	Yes	Yes

Health Hazards (Acute and Chronic) –

Eyes—May cause eye irritation.

Skin—May cause skin irritation.

Ingestion— Not a normal route of exposure. Harmful: may cause lung damage if swallowed.

Inhalation—Harmful by inhalation. May cause respiratory tract irritation. This product may be aspirated into the lungs and cause chemical pneumonitis.

Chronic: Prolonged or repeated contact may dry skin and cause irritation.

Carcinogenicity:	NTP?	IARC Monographs?	OSHA Regulated?
	N/L	N/L	N/L

Signs and Symptoms of Exposure:

Symptoms may include discomfort or pain, excess blinking and tear production, with marked redness and swelling of the conjunctiva. Handling can cause dry skin.

Medical Conditions Generally Aggravated –Asthma, allergies.

Emergency and First Aid Procedures.

Eyes—In case of contact, immediately flush eyes with plenty of water. If easy to do, remove contact lenses, if worn.

Skin—In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before reuse. Call a physician if irritation develops and persists.

Inhalation—If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.

Ingestion— If swallowed, do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person.

Section VII – Precautions For Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled.

Use personal protection recommended in Section VIII. Isolate the hazard area and deny entry to unnecessary and unprotected personnel. Eliminate sources of ignition. Ruptured cylinders may rocket. **Environmental Precautions:** Many gases are heavier than air and will spread along ground and collect in low or confined areas (sewers, basements, tanks). This material is a water pollutant. Keep out of drains, sewers, ditches, and waterways. Minimize use of water to prevent environmental contamination. **Methods for Containment:** Contain and/or absorb spill with inert material (e.g. sand, vermiculite), then place in a suitable container. Do not flush to sewer or allow to enter waterways. Use appropriate Personal Protective Equipment (PPE). **Methods for Clean Up:** Vacuum or sweep material and place in a disposal container. Allow gas to dissipate harmlessly into the atmosphere.

Waste Disposal Method – This material must be disposed of in accordance with local, state, provincial, and federal regulations.

Precautions to be Taken in Handling and Storing –

Handling—Keep away from sources of ignition. No smoking. Avoid contact with skin and eyes. Do not swallow do not breathe gas/fumes/vapor/spray. Use only in well-ventilated areas. Handle and open container with care. When using, do not eat or drink. Wash hands before eating, drinking, or smoking.

Storage—Keep out of the reach of children. Do not store at temperatures above 49°C/120°F. Keep away from food, drink and animal feeding stuffs.

Section VIII – Control Measures

Respiratory Protection (Specify Type) –

In case of insufficient ventilation, wear suitable respiratory equipment.

Ventilation	Use ventilation adequate to keep exposures (airborne levels of dust, fume, vapor, etc.) below recommended exposure limits.
--------------------	----------------------------------------------------------------------------------------------------------------------------

Protective Gloves –

Wear suitable gloves

Eye Protection –

Wear eye/face protection.

Other protective Clothing or Equipment –Wear suitable protection.

Work/Hygienic Practices – Observe good hygiene. Wash hands thoroughly after eating, drinking, and using restrooms, etc. Do not smoke while using.

While the information and recommendations set forth herein are believed to be accurate as of the date hereon Omega Industrial Supply Inc. makes no warranty with respect thereto and disclaims all liability from reliance thereon.
