Signs and Symptoms of Over Exposure:

Eyes - May cause slight irritation but does not injure eye tissue.

Skin - None

Inhalation - None

Ingestion - Can cause gastrointestinal irritation, nausea, vomiting and diarrhea. Aspiration of material into the lungs can cause chemical pneumonitis. Minimal toxicity.

Emergency and First Aid Procedures.

Eyes - Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately.

Skin - If, in rare cases, allergic reaction occurs, wash with soap and water. If irritation persists seek medical attention..

Inhalation - Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration.

Ingestion - Do not induce vomiting. Seek medical attention immediately.

Section VII - Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled -

Allow propellant to evaporate. Maintain local exhaust and adequate ventilation. No smoking. Keep sparks, heat sources and open flame far away from spill or leak. Cover with absorbent material and seep up. Wash area to prevent slipping. Dispose of soaked absorbent material in accordance with Federal, State, and local laws.

Waste Disposal Method - Aerosol cans, when emptied and depressurized through normal use, pose no disposal hazard and should be recycled. Consult Federal, State and local authorities for approved procedures.

Precautions to be Taken in Handling and Storing -

Store in a cool, dry area away from heat or open flame. Do not store at temperatures above 120°F. Keep out of reach of children.

Section VIII - Control Measures

Respiratory Protection (Specify Type) - None needed for proper use in accordance with label directions.	Ventilation - Provide local exhaust to keep air concentrations of ingredients listed in Section II below established exposure limits.	
Protective Gloves - None	Eye Protection - Always wear safety glasses or chemical proof goggles when working with chemicals.	Other protective Clothing or Equipment - N/A
