C PATCH
C PATCH is a durable sealant specifically formulated to repair cracks and holes in concrete, mortar and masonry. C PATCH contains silicone additives for improved adhesion and water resistance. C PATCH forms a durable, flexible and water-tight seal. C PATCH resists gas, oil, grease and salt. Interior/exterior use. Paintable. **Packaging: Tubes**

C PATCH SELF LEVELING
C PATCH SELF LEVELING is a moisture cure concrete and masonry sealant designed for application to dry or damp horizontal cracks and chips. This unique product fills and adheres to concrete, masonry, wood, stone asphalt and metallic surfaces. C PATCH self-levels to a smooth, beautiful finish that is durable, and paintable. **Packaging: Tubes**

CON-RENEW
CON-RENEW is a heavy duty, acid based, concrete cleaner. It flushes out hidden deposits and rinses away easily. It works well in hard water and has no lasting odor. CON-RENEW helps remove limestone, cement particles, rust, soap film and mineral deposits. It is an economical and biodegradable product. **Packaging: Quarts, Bulk**

CONCRETE MAN
This handy, ready to use concrete repair is designed for sealing small holes and patching chips in concrete, including wall tiles, lawn ornaments and statues. CONCRETE MAN can be drilled, tapped, filed, sawed, or painted when dry. This epoxy putty can also be used under water and has a cure time of only 4 to 7 minutes for quick fixes. **Packaging: Putty Tubes**

FACE LIFT
Permanent marking paints that remain on streets and sidewalks can be a nuisance. FACE LIFT FOR CONCRETE and FACE LIFT FOR ASPHALT will cover those marks, helping you avoid the time and expense of using paint stripper. The FACE LIFT FOR CONCRETE coating has similar texture and color to most sidewalks. FACE LIFT FOR ASPHALT black coating is asphalt based – identical to standard driveway sealers. Both are quick dry, highly durable. The universal spray head also works in competitive marking machines. For marking curbs or walls, it can be actuated by hand or with a marking machine. **Packaging: Aerosol**

GARAGE GRIZZLY
GARAGE GRIZZLY is a biodegradable gas pump and concrete cleaner and degreaser. GARAGE GRIZZLY cuts through diesel fuel, heavy grease and road grime. GARAGE GRIZZLY contains a deodorizer that eliminates that pungent gasoline smell. **Packaging: Quarts, 5g Pail**

GO AWAY
GO AWAY is a non-corrosive natural citrus base tar and asphalt remover that contains no harmful vapors and is biodegradable. It contains no chlorinated solvents or petroleum distillates. GO AWAY is a non-caustic, non acid high pressure spray that is safe for most vehicles and breaks down tar, asphalt, grease, etc. **Packaging: Aerosol**
OMEGA A.F.S.

OMEGA A.F.S. is the ultimate driveway sealer. The advanced gel formula enables the product to stay completely mixed in the container and eliminates the need for stirring. No more mess or extra work as OMEGA A.F.S. applies easier, cleaner and faster! Advanced space-age polymers provide superior durability and lasting protection for your blacktop surface. OMEGA A.F.S. fills cracks up to 1/8” and seals worn surfaces. It restores beauty while protecting and preserving your valuable blacktop pavements. **Packaging: 5g Pail**

OMEGA ASPHALT PATCH

OMEGA ASPHALT PATCH is a ready-mixed compound that can be applied to holes and depressions in any solid base, such as asphalt, concrete, brick, stone or wood. It is ready to use and does not need any heating or mixing preparation. It is made from a combination of hard aggregate, asphalt, resins and wetting agents to match original blacktop surfaces. Tamped into place, it is ready for traffic at once. OMEGA ASPHALT PATCH can be applied to either wet or dry surfaces in any temperature from hot to sub-freezing. The particles in OMEGA ASPHALT PATCH are smaller than other patching compounds, therefore it will not re-crush under pressure and recreate the hole you have just filled. Provides a much more permanent repair than bagged products. **Packaging: 5g Pail**

OMEGA P.D.S.

OMEGA P.D.S. is a fast drying, rubberized compound for use on the repair of asphalt roads, driveways, pavements, expansion joints and walkways. Speeds up seal coating jobs with quick drying. Provides a long term flexible repair on cracks and joints up to ¾” wide. Also seals foundation walls and other pavement surfaces. Dries to dark black finish. **Packaging: Pourable Gallon**

PAVER’S FRIEND

PAVER’S FRIEND is a unique blend of methyl ester and surfactants developed exclusively for Omega in order to meet the special needs of the asphalt paving industry. It is designed to replace diesel fuel for cleaning as asphalt release. You get all the benefits of diesel without the negative environmental impact. this water soluble formula is great for use in every aspect of the paving job. **Packaging: Bulk**

Q.D.S. QUICK DRY SEALER

Q.D.S. is a scientifically formulated, state-of-the-art thermoplastic acrylic sealer/finish that brings floor care into the 21st century. Q.D.S. drastically reduces labor costs by providing floors with a smooth, hard, crystal clear surface. It preserves the life and beauty of new floors and prevents further deterioration of worn floors. **Packaging: Gallons, 5g Pail**

SUPER PATCH

SUPER PATCH is an easy-to-use epoxy product for repair and resurfacing of concrete. Great when fast repairs are needed in high traffic areas. SUPER PATCH is a one-step process with a fast set-up and cure time that significantly reduces or eliminates the need for down time. Can also be used as patching in freezers and cold storage areas, as mortar to repair loose bricks or blocks, and as a general cement adhesive. SUPER PATCH is stronger than concrete. **Packaging: Pail**

TRAFFIC LINE

A premium quality 100% acrylic traffic line and curb marking paint with high visibility, easy application, and made with the finest raw materials. The pigments are non-fading and the Titanium Dioxide is non-caulking. TRAFFIC LINE will withstand hot sun, sub-zero temperatures, wind-blown dust particles, humidity and moisture. This product has been designed for painting concrete, brick, city crosswalks, highway edge lines, bridges, stop zones, storage areas, traffic signs, streets and parking lots. **Packaging: 5g Pail**
**ALUMINUM BRITE**

ALUMINUM BRITE is an excellent ground transportation aluminum brightener. ALUMINUM BRITE is an acidic liquid designed for use as an aluminum deoxidizer with a pH of less than one and will not etch most metals. ALUMINUM BRITE cleans and brightens aluminum parts, removes anodic or chromate coatings, and is a great cleaner for aluminum vans and trucks. This product is non-flammable and non-explosive. **Packaging: 5g Pail**

**ALWAYS SHINE**

ALWAYS SHINE is formulated to clean, brighten, polish and protect stainless steel. Can be equally effective for use on aluminum, chrome, Formica, porcelain and ceramic tile. ALWAYS SHINE requires minimum effort to quickly remove smudges, soil and stains. No hard rubbing needed. ALWAYS SHINE forms a shield that resists water marks and rusting. It preserves high luster and is a non-abrasive product that forms a protective coating. **Packaging: Aerosol**

**ALWAYS SHINE-W**

ALWAYS SHINE-W is a excellent water based cleaner, that brightens, polishes and protects stainless steel. ALWAYS SHINE-W can be equally effective for use on aluminum, chrome, formica, porcelain and ceramic tile. Quickly removes tough oil-based stains, water marks and spots. Can be applied directly onto wet surfaces eliminating the need for initial drying necessary with most oil-based metal polishes. Easily wipes off leaving a unique soil resistant coating. Resists finger prints, grease and water spatter. Helps preserve the factory finish. ALWAYS SHINE-W is USDA authorized. **Packaging: Aerosol**

**BIO POWER**

BIO POWER cleans, degreases and deodorizes just about everything! Leaves a beautifully unique, long-lasting fresh scent. BIO POWER is 100% biodegradable surfactant blend. It is non-toxic, contains no phosphates, solvents or any other harsh chemicals. It effectively removes grease, dirt and grime and leaves no sticky residue behind!. **Packaging: Quarts, Bulk**

**BIO POWER A**

BIO POWER A cleans, degreases and deodorizes just about everything with its foaming cleaning action that clings where sprayed! Leaves a beautifully unique, long lasting fresh scent. BIO POWER A is 100% biodegradable surfactant blend. It is non-toxic, contains no phosphates, solvents or any other harsh chemicals. It effectively removes grease, dirt and grime and leaves no sticky residue behind! **Packaging: Aerosol**

**BLAST**

A residue free, super fast drying, high power spray that dissolves grease and rinses away dirt and grime, without injury to working parts. Features a 360 degrees flush action valve that allows spraying in an upright or inverted position. Safe on most metal parts and coils. **Packaging: Aerosol**
CLEAN AIR

CLEAN AIR is a high pressure, ultra pure, moisture free dusting aid that blows microscopic dirt, dust and other contaminants from sophisticated electronic parts. CLEAN AIR is excellent for hard to reach areas, has an ozone safe formula, and is completely non-flammable. No VOC’s.

Packaging: Aerosol

CON-RENEW

CON-RENEW is a heavy duty, acid based, concrete cleaner. It flushes out hidden deposits and rinses away easily. It works well in hard water and has no lasting odor. CON-RENEW helps remove limestone, cement particles, rust, soap film and mineral deposits. It is an economical and biodegradable product.

Packaging: Quarts, Bulk

CYCLE RENEW

CYCLE RENEW is a powerful cleaner concentrate that removes lime scale, rust, and hard water deposits from dishwashers.

Packaging: Quarts

ENVIRO CLEAN

This all natural cleaner and degreaser can be used on any water-safe surface. Cleans glass, tile, porcelain, marble, laminate, chrome, stainless steel, and painted surfaces without streaking! ENVIRO CLEAN contains liquid alive bacteria plus enzymes which help eliminate stains and odors at the source, including tough stains from mold, mildew and fungus growth. ENVIRO CLEAN is non-hazardous, non-polluting, non-toxic, non-flammable, biodegradable, and contains no VOC’s.

Packaging: Aerosol

ENVIRO POWER

A truly unique product that cleans and deodorizes with no harsh solvents or harmful chemical detergents. This environmentally preferable formula is great for cleaning a multitude of hard surfaces, from floors to countertops to refrigerators. Our exclusive ENVIRO POWER means the room smells great after you’ve used it!

Packaging: Quarts

E-Z OFF

E-Z OFF is an environmentally friendly product that can be used anywhere! E-Z OFF removes shadowing and reconditions white boards, removes ink on school desks, removes permanent marker and stickers off lockers, ball point pen off vinyl walls, graffiti off toilet partitions, graffiti off traffic signs, scale and rust off stainless steel, hard water stains off porcelain, most stains off fiberglass, removes oxidation off aluminum, scuffmarks from most floors, etc.

Packaging: Putty Container

G.N.C.

G.N.C. is a neutral synthetic detergent that penetrates and dissolves stubborn soils from floors, walls, counter tops, desks and any other hard surfaces not harmed by water. It is safe on all finishes and contains no soap, acid, ammonia, alkali, phosphates or other harsh chemicals. G.N.C. is concentrated, economical and versatile.

Packaging: Gallon

GARAGE GRIZZLY

GARAGE GRIZZLY is a biodegradable gas pump and concrete cleaner and degreaser. GARAGE GRIZZLY cuts through diesel fuel, heavy grease and road grime. GARAGE GRIZZLY contains a deodorizer that eliminates that pungent gasoline smell.

Packaging: Quarts, 5g Pail
GLOSS ALL
GLOSS ALL is a light quick breaking foam that provides a one-step solution to dusting, polishing and protecting simulated wood and other hard surfaces including baked enamel, marble, vinyl solid synthetic, laminate and plastic. Contains no silicone or wax providing for easy wipe off and no build-up. Natural citrus oils restore surface brilliance to desks, countertops, file cabinets, vinyl seating and molded fiberglass. Leaves area with a citrus aroma. Packaging: Aerosol

GO SPOT GO
GO SPOT GO removes hard water stains and rust from fiberglass, porcelain and many other hard surfaces. TEST ON A SMALL AREA BEFORE USING. GO SPOT GO is a heavy duty industrial product. Be sure to wear gloves and use carefully. GO SPOT GO should not be used for everyday toilet cleaning, instead use Omega’s SPEEDY CLEAN for daily cleaning tasks. Packaging: Quarts

GROUND UP
GROUND UP is a unique liquid stain absorbent and remover. It is highly effective against oils, greases, BBQ grill stains, silicone oils from tire dressings, and other stains. GROUND UP is ideal for use on asphalt, concrete, paving stones, pressure treated wood, composite decking, and other surfaces. GROUND UP is easy to apply by pouring, spraying or brushing onto stained surfaces. Quickly dries to a powder for easy removal. No scrubbing or rinsing necessary. Packaging: Quarts

HYDRO CITRA FOAM
Using the power of hydrogen peroxide and the awesome cleaning ability of d-Limonene, HYDRO CITRA FOAM is definitely the next generation in cleaning products! There are many “oxygen-based” cleaners on the market these days, but HYDRO CITRA FOAM is different. HYDRO CITRA FOAM is specifically formulated at a higher pH than other cleaners. Since hydrogen peroxide is more active at a higher pH HYDRO CITRA FOAM has more powerful cleaning and stain removing properties than other products on the market. This formulation can be used on a multitude of surfaces including glass, upholstery, metals, carpet, stainless steel, tile, countertops, fabric, plastic, floors, walls and much more. HYDRO CITRA FOAM will even remove red wine and other difficult stains from most carpets without expensive and often labor intensive heat transfer methods. Packaging: Quarts

ICE MACHINE CLEANER
ICE MACHINE CLEANER is a fast acting, lime scale remover for ice machine evaporators. This product is formulated with corrosion inhibiting agents providing complete corrosion protection to sensitive components fabricated from nickel and tin. ICE MACHINE CLEANER is a concentrated blend of non-fuming, exceptionally safe and effective acids. This product is completely water soluble and can be diluted to any useful concentration. Packaging: Bulk

I.M.C.
I.M.C. is a non-foaming, non-fuming cleaner that quickly removes scale from stainless steel and nickel plated steel. Contains special inhibitors to minimize corrosion, while effectively cleaning scale from all metal surfaces. I.M.C. is USDA approved for use in federally inspected meat and poultry plants. Removes built-up lime scale eliminating the cause of equipment jamming and improves ice quality and capacity. Quickly removes lime scale, safe on nickel-plated and tin-plated evaporators, suitable for treating scaled-up water appliances. Packaging: Pints

JELLY D PLUS
JELLY D PLUS works quickly to emulsify tar, asphalt, grease and oil. JELLY D PLUS is safe and easy to use. Spray on and wash off with water. Dense foam allows product to cling to vertical surface allowing for longer contact time. Cleans engines enabling them to run cooler, look better and last longer. Biodegradable and VOC compliant in all 50 states. Packaging: Aerosol
KLEEN FREEZE

KLEEN FREEZE cleans grease, soil, blood, fats, juices, etc. from the wall of any freezer or freezer type unit without defrosting, thereby eliminating costly shutdowns. KLEEN FREEZE has a mild scent, 100% biodegradable, simple three step cleaning method for previously expensive time-consuming problems. Surfaces cleaned with KLEEN FREEZE will not refreeze. The KLEEN FREEZE formula is non-toxic, biodegradable and therefore safe for the environment. KLEEN FREEZE is USDA accepted works in temperatures zero to 35 below zero. Packaged: Gallons

LAUNDRY 130

LAUNDRY 130 contains a synergistic blend of three surfactants, anti-redeposition agents, and optical brighteners that make it your best choice for mild yet tough-on-dirt detergent. It penetrates, dissolves and flushes away dirt, grease, oil and food stains. Laundry 130 works in hot or cold and in hard or soft water. It rinses clean and leaves no residue. It’s biodegradable, too. It is safe on all washable fabrics. It is great for cleaning wool, silk, and delicate synthetics. Packaged: Bottles

LIFT-OUT

LIFT-OUT is a heavy duty emulsifier and degreaser that removes heavy soil and stains, old paint, decals, adhesives, inks and waxes from many surfaces. LIFT-OUT is also a very effective graffiti remover that is powerful enough to remove graffiti from most surfaces with little effort, even works to lift tough graffiti marks out of concrete and brick surfaces for easy removal. Packaged: Quarts, Gallons, Pails, Drums

M.G.C.

M.G.C. is formulated for use on polished and sealed granite, marble, limestone and travertine. M.G.C. is biodegradable, easy-to-use spray foam cleaner and conditioner removes grease, food residue and fingerprints. Restores brilliance. Dries streak-free and has a clean fresh fragrance. M.G.C. can be use on marble, granite, limestone, travertine. Packaged: Aerosol

MEGA CITRA-FOAM

MEGA CITRA-FOAM is an all purpose cleaner which is a USDA authorized heavy duty citrus based foaming cleaner. It combines emulsifiers, surfactants and a citrus cleaner to clean and deodorize grease, dirt, soap scum, oil and bloodstains. Packaged: Aerosol

MEGA CLEAR

MEGA CLEAR Aerosol is designed to clean and polish windows, mirrors, windshields, tile, enamel, chrome, porcelain, plastics, plexiglass and painted surfaces. Non-static formula does not attract dust particles. Formulated with rapid wetting agents and surfactants. Eliminates cold weather streaking problems. MEGA CLEAR Quart ready to use glass cleaner cleans glass, refrigerators, stove tops, stainless steel, display cases, chrome fixtures, ceramic tiles, counter tops, TV screens, mirrors, etc. Packaged: Aerosol, Quarts

MEGA CLEAR CONCENTRATE

MEGA CLEAR CONCENTRATE is a highly dilutable version of MEGA CLEAR for those who need higher volume in a compact solution. Dilutable to 20:1 for your cleaning needs. Packaged: Bulk

MEGA CLEAR JELL

MEGA CLEAR JELL is a streak-free, ready-to-use formula that dissolves film, light to heavy soils, fingerprints, lipstick, bugs and much more. Ideal for glass, windshields, windows and mirrors. Ideal for vertical surface cleaning. It’s the cleaner that clings. Contains a pleasant odor neutralizer, formulated to kill malodors at their source. Packaged: Quart
MEGA POWER
This is a highly concentrated, extremely powerful grease fighter that will quickly clean the toughest grime. MEGA POWER is effective on grease, carbon, grime, oil, soap scum, soot, etc. Different dilution ratios allow this product to be a very versatile cleaner, and it may be used anywhere water is safe to use. The formula for this product is non-flammable, non-toxic, non-corrosive and entirely biodegradable. **Packaging: Quarts, Gallons, Bulk**

MEGA POWER A
This all purpose cleaner and degreaser removes grease, dirt and grime from all hard surfaces. The powerful thick foam clings to vertical surfaces to increase dwell time and penetrate through dirt for easy removal. MEGA POWER A can be used anywhere water is safe to use including walls, tile, doors, metal, Formica, vinyl and more. The new “Spray Anyway Valve” allows the can to spray while held in any position for difficult to reach areas. **Packaging: Aerosol**

NATURAL WAY
NATURAL WAY is a highly concentrated, all natural citrus based organic solvent blend designed for all heavy duty degreasers and drain maintenance. NATURAL WAY is the most powerful of our natural citrus based products. The high concentrate level of this product allows the user the flexibility to emulsify heavy grease buildup or to dilute with water for general cleaning. NATURAL WAY breaks down grease and grime buildup and will clean drain lines, garbage disposal units and grease traps while removing foul odors. Quickly removes grease, oil, tar, adhesives and more from most surfaces and is ideally suited for most cleaning and degreasing applications. **NATURAL WAY** is 100% biodegradable and contains no petroleum based or chlorinated solvents. **Packaging: Pints, Quarts, Gallons, Bulk**

NATURAL WAY II
THE NATURAL WAY II is all natural, all-organic, and biodegradable solvent blend. Contains no hazardous chlorinated solvents. Quickly removes grease, oil, tar, adhesives and more from most surfaces. Ideally suited for most cleaning and degreasing applications. Has a fresh citrus aroma. **Packaging: Quarts, Gallons, Bulk**

OXY FOAM
OXY FOAM removes dullness, tarnish, oxidation, scratches and scuff marks, while leaving the treated surface polished, with a lasting protective coating. OXY FOAM can be used on brass, stainless steel, copper, silver, aluminum, chrome, painted surfaces, glass, plexiglas, non-optical plastics, mirrors, formica, porcelain, fiberglass and any similar type surfaces that need treatment. **Packaging: Aerosol**

P. G. C.

PINK POWER PLUS
A powerful mild acid porcelain and bowl cleaner. Cleans, disinfects and deodorizes toilet bowls, sinks, tubs, shower stalls and tile surfaces. PINK POWER PLUS removes metallic soap build up, rust and hard water stains from porcelain, ceramic tile, shower stalls, drinking fountains, and stainless steel. **Packaging: Quarts**
PINK RESTROOM CLEANER

PINK RESTROOM CLEANER is a clinging multi-surface restroom cleaning product designed for professional daily use. This product is specially formulated to remove soap scum and hard water stains from virtually all restroom surfaces. The pleasant fragrance deodorizes while it cleans. The multiple cleaning agents combine to give the extra cleaning power required for commercial applications. Can be diluted with water for economical daily use or used full strength for removing stains other products leave behind. **Packaging:** Quarts

POLISH ALL

POLISH ALL is a light, creamy smooth formula that has a quality blend of refined waxes, lemon oil and cleaners. POLISH ALL cleans, waxes and polishes all in a single step. Removes finger marks, dust, grease, smoke film, smears and smudges. POLISH ALL leaves a pleasant lemon scent while protecting against water spills, stains and ordinary wear. **Packaging:** Aerosol

QUICK

QUICK is a heavy duty porcelain and tile cleaner for those difficult stains and hard water deposits. **Packaging:** Quarts

RESTORE

RESTORE is a special moderate foam cleaner and surface protectant. Cleans, restores, and protects vinyl, leather, plastic and rubber. Restore contains special additives that protect surfaces from sun damage, fading, drying and cracking. RESTORE leaves a high luster gloss finish without a heavy, greasy residue. **Packaging:** Aerosol, Bulk

RING GO

RING GO removes toilet bowl water ring, rust and gray stains. Use RING GO when all others fail. RING GO contains a space age liquid pumice ingredient that lets you throw away the pumice stones you have used in the past to remove the ring and gray crustations in the toilet bowl. **THIS PRODUCT IS NOT MEANT TO BE USED AS A BOWL CLEANER** it is too strong for daily use. Use only on stains the bowl cleaner will not remove. **Packaging:** Quarts

SNC

Super Neutral Cleaner is powerful enough to take care of the toughest grease and grime yet it will not harm sensitive surfaces like wood, fabrics, stone floors, painted walls, and finished or waxed floors. It is a highly concentrated product allowing the user the ability to mix to the desired performance level required by the task at hand. SNC is the best choice when you need a strong cleaner on a surface you don’t want to harm. **Packaging:** Gallons, Bulk

SAFE CLEAN

SAFE CLEAN is a non-acid, heavy duty concrete and stain cleaner. It replaces acid and acid blend products to take care of a large variety of cleaning and maintenance problems. SAFE CLEAN full strength is a viscous liquid that clings to the surface to be cleaned, and will remove even tough stains like rust and oil. It is not hazardous, corrosive or toxic. **Packaging:** Quarts

SCALE AWAY

This acid based cleaner will remove hard water, oxides, scale, rust, mineral and lime deposits. SCALE AWAY dissolves the carbonates that hold scale and other deposits together. After the carbonates are dissolved, the sulfates, iron, calcium (lime), magnesium and other insoluble materials fall away. It is highly concentrated and can be diluted to suit your application. **Packaging:** Bulk
SLIME AWAY
This natural citrus based product is a drain opener and a powerful degreaser. The high pressure spray permits quick penetration directly to the source of the problem. SLIME AWAY immediately dissolves grease and grime on a multitude of surfaces. Contains no chlorinated solvents or petroleum distillates and is non-caustic, non-acid, and biodegradable. **Packaging: Aerosol**

SOLAR WASH
SOLAR WASH has been specially developed to clean and protect surfaces of Monocrystalline, Polycrystalline and Amorphous types of photovoltaic solar cells. Using state of the art chemistry, SOLAR WASH will remove soils and debris from surface of solar panels and adjacent mounting structures keeping them operating at their highest efficiency. Anti-redeposition technology keeps panels cleaner and operating at peak efficiency longer. **Packaging: Quarts**

SOY NATURAL
SOY NATURAL has the power of natural soy with a boost from natural orange. It contains no petroleum based or chlorinated solvent, is non-acid, non-caustic, non corrosive. It’s biodegradable. **Packaging: Pints**

SOY SOLV
SOY SOLV is a biodegradable solvent made from 100% soy bean oil. This industrial strength formula flushes away grease and oil, removes tar and asphalt, and cleans away ink, dirt, and grime. SOY SOLV is a safe product that rinses away with water and is non-flammable with no harsh fumes. Surfaces flushed clean with water will be residue free. **Packaging: Aerosol**

SPEEDY CLEAN
SPEEDY CLEAN is a powerful and completely safe acid replacement cleaning system. It has the power to clean problems usually requiring a mild acid, such as calcium buildup, hard water spots and rust, yet it is completely acid free! It clings to most surfaces, increasing dwell time and allowing for cleaning of slanted and vertical surfaces. SPEEDY CLEAN is very safe and easy to use, and is not hazardous, corrosive or toxic. **Packaging: Quarts, Bulk**

SPONGE BOY
This handy sponge cleans tough dirt and marks with only water! It removes scuffs, soap scum, marker, crayons, and more. SPONGE BOY can be used on walls, appliances, doors and other hard surfaces. Use a SPONGE BOY to spot clean or when cleaning compounds are not desirable, or not available. SPONGE BOY is non-toxic, chemical free, and environmentally friendly. **Packaging: Box**

SUPER POWER JELL
SUPER POWER JELL is a thick, heavy-duty spray and wipe cleaner. SUPER POWER JELL destroys grease and grime on contact. Leaves a pleasant lemon/lime fragrance. For use on all hard surfaces. Will not affect paint, glass or mirrors. Works great on grout. **Packaging: Quart**

TOUGH CLEAN
TOUGH CLEAN is a unique semi-viscous clinging type decarbonizer. Its heavy-duty action will quickly penetrate and dissolve heavy soils commonly found in ovens, grills, cooking utensils and food processing equipment. Used by food establishments, housing authorities, and industrial kitchens for their toughest jobs. **Packaging: Aerosol, Quarts**
TRASH IT
TRASH IT is designed for the tough job of deodorizing and cleaning trash chutes, dumpsters, and trash facilities. The super concentrated formula is a very powerful odor counteract-ant combined with powerful detergents to effectively remove obnoxious odors while completing necessary cleaning tasks. Regular use of TRASH IT will help keep odors under control. *Packaging: Quarts, Bulk*

WONDERFOAM
WONDERFOAM is a viscous, non-abrasive cleaner that clings to vertical surfaces for extended penetration and effortless cleaning. Works on soap scum, mineral deposits, oxidation, scuffs, grease, and other stubborn stains. Even removes calcium deposits and water spots from exterior windows and shower enclosures. WONDERFOAM is great for use in locker rooms, hot tubs, swimming pools, toilet bowls, urinals, and other commercial applications that require demanding cleaning. Safe for use on metals, stainless steel, grout, rubber, plastic, brass, chrome, glass, copper, and many other hard surfaces. WONDERFOAM contains no chlorine, hydrochloric or sulfuric acid; eliminating the potential for harmful fumes. *Packaging: Quarts*

ZAP IT
This extra-strength, instant mold and mildew cleaner and stain remover instantly removes stains without the need to scrub. ZAP IT is easy to use and does not have a harsh odor, so it can be used anywhere mold and mildew are a problem. Great for interior or exterior use, tile, grout, cemetery headstones, canopies, awnings, wood, concrete, and many other surfaces. *Packaging: Quarts*
**ABSORB**
Absorbs liquids and odors while changing smelly liquids into an odorless semi-solid for fast easy cleanups. Scented with a pleasant lemon fragrance. **ABSORB** is ideal for spills, broken containers of food or drinks, chemicals, vomit, urine, blood, and any other fluids. Each container will absorb up to 12 gallons of liquid. *Packaging: Canisters*

**AIR CYLINDER**
**AIR CYLINDER** is formulated to freshen air for 30 days. Unique fragrances are designed for consistent and powerful 30-day performance. **AIR CYLINDER** outperform gels, wicks, and aerosols. **AIR CYLINDER** cannot break or spill. **AIR CYLINDER DISPENSER** contains NO Batteries or fans and is 100% recyclable. **AIR CYLINDER’s** are available in CITRUS & KIWI-GRAPEFRUIT. *Packaging: Bulk*

**BACINATOR**
**BACINATOR** is a unique active bacteria odor eliminator especially designed for easy application on carpets and upholstery to eliminate odors that are organic in nature. This versatile product can also be used on most hard surfaces to counteract pet and body odors and more. Only 6% VOC. *Packaging: Aerosol*

**BOWL CLIP & SMELL**
**BOWL CLIP & SMELL** is great for the restrooms to eliminate odors at the source. **BOWL CLIP & SMELL** locks into place to eliminate odors and create freshness. Containing 50 times more air freshening than standard rimsticks, The **BOWL CLIP & SMELL** gradually releases air freshener over 30 days. The **BOWL CLIP & SMELL** works on the outside of bowls (where the seat goes down and stays down), the tops of restroom partitions or the side of tanks to combat odors and create freshness. Available in Cinnamon, Fresh, Mango and Mint fragrances. *Packaging: Clips*

**BURST GREEN TEA**
**BURST GREEN TEA** concentrate malodor can be used to attack industrial malodors, diluted as a contact or spray or, as a mop solution additive. **BURST GREEN TEA** uses micro emulsion technology to release all the active ingredients for the most effective malodor control. *Packaging: Pints*

**BURST “O”**
This is an extremely concentrated malodor eliminator. **BURST “O”** contains a unique blend of all organic, natural perfumes in an oil base to provide long-term results. Can be used as a liquid deodorant, a space spray, and as a contact spray both indoors and outdoors. Great for use in carpet extraction machines, and when added to mop water and cleaning rags. Available in Berry, Vanilla, and Dreamsicle Scents. *Packaging: Pints*

**DOORODORIZER**
**DOORODORIZER** refreshes the room by simply swinging the door and it will catch the breeze and release the fragrance which vents out through the vented dispenser. The **DOORODORIZER** is an eco-friendly operation since it uses no batteries, it is better for the environment. the fragrance lasts up to 30 days. Available in Sea Breeze, Sweetest Pea and Tuscan Citrus. *Packaging: Bulk*
ELIMINATOR PLUS

ELIMINATOR PLUS is a dry spray room deodorizer can be used as a space spray or as a total release fogger without leaving a residue. The fine mist penetrates to remove odors embedded into walls, curtains, ceiling tiles, upholstery, and more. ELIMINATOR PLUS is not an odor mask, it destroys odors by chemical neutralization, eliminating the need for costly fogging equipment that could break down when you need it most. One can of ELIMINATOR PLUS will treat 6,000 cubic feet, removing odors caused by decay, urine, feces, solvents, cigarette smoke, cooking, pet odors and much more. Available in Berry, Cucumber Melon and Linen Fresh. Packaging: Aerosols

ELIMINATOR

This fast acting, spray room deodorizer is solvent based for increased hang time but like water-based sprays it leaves no residue behind. One can of ELIMINATOR will treat up to 6,000 cubic feet, removing odors caused by decay, urine, feces, cigarette smoke, curry cooking, pet odors and much more. Available in Dreamsicle, New Car and Vanilla. Packaging: Aerosol

ELIMIN ODOR

Instantaneously eliminates unpleasant odors instead of simply covering them up with heavy perfumes. It goes to work on malodors by attacking the molecular structure of the foul smell, and leaves pleasantly scented fresh air behind. This versatile product is great for use in any area that has unpleasant odors such as locker rooms, garbage areas, restrooms, banquet facilities, and more! ELIMIN ODOR is environmentally friendly and safe to use. Packaging: Quarts, Gallons, Bulk

FRAGRANCE PLUS

FRAGRANCE PLUS helps destroy odors in combination with MEGA BAC PLUS. It will not stain linens, drapes, clothes, etc. Its refreshing and pleasant scent will last up to 2 days. It is simple and economical to use because your money is not spent on costly and bulky propellant as in aerosol deodorants. Packaging: Gallon

FRAGRANCE ROLL- BERRY BURST

FRAGRANCE ROLL is a powerful odor control product effective for large enclosed rooms or sheltered areas. This fiber roll is specially treated with our advanced odor eliminating formula designed to counteract foul and persistent odors found in hospitals, gymnasiums, sewage treatment plants, stadiums, dump sites and more. Packaging: Pail with 4’ roll.

FRESHEN UP BERRY

FRESHEN UP BERRY is a granulated solid that destroys malodors in the air by attacking the source. It is ready-to-use and is very cost-effective. A small amount of FRESHEN UP BERRY goes a long way, and still provides effective instant results. Furthermore, it can be used in many different applications indoors as well as outdoors, thus making it a truly versatile product. Packaging: Canisters, Bulk

FRESHEN UP AWAY

This granular odor control product contains citronella making it the perfect solution for garbage areas, dumps, drain beds, sewer manholes, barns, etc... where odors and flying insects are a problem. FRESHEN UP AWAY destroys malodors at the source and may also be applied to areas to prevent odors before they occur. Packaging: Canisters, Bulk

HOSE AWAY

HOSE AWAY is a non-pathogenic biological odor remover for large and small areas the can be used indoors and out. HOSE AWAY can be used for preventative maintenance and odor control in garbage dumpsters, public restrooms, locker rooms and lots of other areas where odors build up. Packaging: Half Gallon
K-PINE
K-PINE is a multi-purpose detergent effective in the presence of a moderate amount of organic soil. Cleans and deodorizes in one easy, labor saving step. Great for use on walls, floors, metal and plastic surfaces, sinks, toilets, showers and other non-porous areas. **Packaging: Gallons**

MEGA BAC APPLE
MEGA BAC APPLE is a convenient liquid form of living bacteria in suspension to promote the decomposition of organic matter without the use of acids, caustics or solvents. When used in drain lines and grease traps it effectively prevents build-up of grease and organic matter which cause clogs and odors. MEGA BAC APPLE may be used as a deodorizer in bathrooms, trash chutes, dumpsters, drain lines, grease traps, septic tanks, holding tanks, carpets, and around urinals. The anaerobic and aerobic bacteria in MEGA BAC APPLE have been cultured specifically for their ability to digest waste quickly and effectively thus speeding up the normal “breakdown” process. The bacteria quickly and effectively controls odors anywhere. **Packaging: Quarts**

MEGA BAC MIXED BERRY
MEGA BAC MIXED BERRY is a synergized blend of three bacillus microorganism for optimum enzymatic activity. MEGA BAC MIXED BERRY produces protease, lipase, amylase and cellulase for excellent breakdown of starches, carbohydrates, protein, tissue paper, fats, grease, oils, and vegetable gums. MEGA BAC MIXED BERRY deodorizes toilets, showers and garbage cans. It digests carpet urine stains and removes blood, food and grass stains from laundry, too. Use in restaurants, hospitals, hotels, schools and nursing homes. Cleans floors, walls, toilets, urinals, sinks, and all types of fixtures and surfaces not harmed by water. **Packaging: Quarts, Bulk**

MEGA BAC PLUS GREEN TEA
MEGA BAC PLUS GREEN TEA combines special multi-cultured strains of natural bacteria with the waste digesting properties of salmonella free natural enzymes that are non-pathogenic and non-polluting. MEGA BAC PLUS GREEN TEA the fastest working “bugs” in the industry. They quickly and effectively break down organic matter and the odors associated with decomposition. It is recommended for use in grease traps, septic tanks, drain lines, holding tanks, and garbage areas to control odors, and prevent build up. **Packaging: Quarts**

MEGAPHENE B
This total release bomb is an entire room disinfectant and antimicrobial agent. MEGAPHENE B is classified as germicidal, fungicidal, staphylocidal, virucidal, tuberculocidal, and pseudomonacidal. In addition, it inhibits mold and mildew growth on cloth surfaces. Sanitizes hard surfaces and more including cloth, leather, and fabric. EPA Registered. **Packaging: Aerosol**

MEGAPHENE PLUS
This unique product blends a phenol and a quaternary ammonium chloride, therefore MEGAPHENE PLUS is germicidal, fungicidal, staphylocidal, virucidal, tuberculocidal and pseudomonacidal. Kills HIV-1 (AIDS virus), Staphylococcus aureus (Staph), Streptococcus hemolyticus (Strep), Salmonella enterica, Influenza A & B virus, and more on hard surfaces. Also controls mold and mildew on hard surfaces. MEGAPHENE PLUS disinfects and deodorizes surfaces through effective bactericidal and fungicidal activity. EPA registered. **Packaging: Aerosol**

MIST
This dry spray has excellent suspension time, ultra fine particles, no fall out, and no residues, without using ozone depleters. MIST contains two odor counteractants for maximum deodorizing power. MIST quickly neutralizes malodors, even from smoke, decay, solvent, vomit, cooking, pet odors, and more. The universal actuator can be used in most time dispense machines. Freshens rooms up to 6,000 cubic feet. **Available in Citrus, Linen Fresh, Cranberry Spice, Pina Colada, Sweet Pea and Cucumber Melon. Packaging: Aerosol**
ODOR ABSORBENT BAG

ODOR ABSORBENT BAG uses natural minerals and an exclusive process to absorb and neutralize all types of odors. Its content is non-flammable, non-toxic and safe around people, pets and environment. ODOR ABSORBENT BAG is easy to use, lasts an average of 3 to 4 months and contains no chemicals, toxins or fragrances. ODOR ABSORBENT BAG does not mask odors, it removes them in a simple and cost effective manner. **Packaging: Bag**

ODOR BAC

ODOR BAC Promotes healthy living by using beneficial waste degrading technology. Our BSL-1 probiotic formula contains naturally occurring bacteria that promotes a beneficial Normal-Flora (harmless microorganisms) on hard surfaces. **Packaging: Aerosols**

ODOR CAP

ODOR CAP is a uniquely formulated, environmentally friendly sealer designed for use in waterless no flush urinals. ODOR CAP creates a non-soluble seal of a deodorizing liquid in the trap. ODOR CAP has a pleasant cherry fragrance to give instant and long lasting odor problems from dried out traps, keeping them wet and odor free. Easy to use, simply add it and forget it. **Packaging: Quarts**

ODOR CONE

ODOR CONE is a fragrance cover which is composed of a unique material containing 2-3 times more fragrance than other air fresheners like gels or metered aerosols. The ODOR CONE dispenser has a motor driven fan that moves the air freshener further than a typical passive system, thus freshening larger areas. ODOR CONE releases approximately the same amount of air freshener daily over 30 days by controlling the fan’s operation. **Packaging: Dome Shape Cones**

ODOR-LESS

ODOR-LESS has a odor eliminating formula that permanently eliminates odors. ODOR-LESS works by a direct contact oxidation process. Once the formula comes in contact with the odor source the odor is eliminated. ODOR-LESS has a completely odorless, fragrance free, biodegradable, non-toxic, non-corrosive, non-solvent water based formula that is free of dyes. **Packaging: Quarts**

ODOR OUT

ODOR OUT is a very effective way to clean the air and remove especially tough odors from fire, smoke, flood damage, cooking, pet odors, sewage and more. ODOR OUT uses activated charcoal to refresh stale air and remove odors without heavy perfumes or scents. ODOR OUT provides continuous odor control and may be used just about anywhere. Great for use where odor removal is needed but no scent is desired. **Packaging: Tubs 1 lb, 4 lb**

SAN CLEAN

SAN CLEAN is a penetrating foam cleaner that disinfects and deodorizes in one step. SAN CLEAN has been designed specifically for Homes, Nursing Homes, Hospitals, Institutions, Offices, Schools, Motels and Hotels. When used as directed, SAN CLEAN is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, bathrooms, shower stalls, bathtubs, hampers, cabinets and bed springs). In addition, SAN CLEAN deodorizes those areas which generally are hard to keep fresh smelling (such as garbage storage areas, empty garbage bins and cans, restrooms, shower stalls and other areas which are prone to odors caused by microorganisms). When used as directed, SAN CLEAN demonstrates effective disinfection against Staphylococcus aureus, Methicillin Resistant Staphylococcus aureus (MRSA), Salmonella enterica, Pseudomonas aeruginosa, Canine Parvovirus, Herpes simplex type 1, Herpes simplex type 2, Legionella pneumophila, and Influenza A H1N1. Authorized by USDA for use in federally inspected meat and poultry plants. EPA registered. **Packaging: Aerosol**
S-CLEAN Q
S-CLEAN Q is designed for general cleaning in homes, nursing homes, hospitals, institutions, offices, schools, motels and hotels. When used as directed, S-CLEAN Q is formulated to clean inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, door knobs, light switches, shower stalls, hampers, cabinets and bed springs). In addition, S-CLEAN Q deodorizes those areas which generally are hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, basements, and other areas which are prone to odors caused by microorganisms. Packaging: Quarts

SCENT APPEAL AEROSOL
SCENT APPEAL is especially effective as a spot treatment for rooms, drapes, carpets, etc. Use to control and neutralize odors caused from nirogenous and sulfurous sources such as urine, feces, decay, racidity, animals, fire, smoke, cooking and mildew. SCENT APPEAL also neutralizes odors caused by organic decomposition and tabacco smoke. Meets all current VOC standards. Available in Breeze, Cinnamon, Hawaiian Breeze and Powder Fresh fragrances. Packaging: Aerosol

SCENT APPEAL BEADS
Provides fresh smelling air to an entire area in just minutes. Works best where there is air flow through the bag. SCENT APPEAL BEADS are primarily designed for HVAC systems, but can be used in many other applications such as vacuum bags, drawers, fan units, and in vehicles. Available in Cherry, Citrus Surprise, Fresh Air, Orange, Peach, Plumeria, Potpourri, Spice, Watermelon and Vanilla fragrances. Packaging: Box of Flow Through Bags

SCENT APPEAL COMB
SCENT APPEAL COMB is a new and improved air freshener that releases 25-35% more fragrance than gel products and will freshen any space for up to 30 days. SCENT APPEAL COMB’s can not break or spill and are 100% Recyclable. SCENT APPEAL COMB’s are available in Cinnamon, Citrus, Cucumber Melon, Mango and Raspberry fragrances. Packaging: Bulk

SCENT APPEAL LIQUID
SCENT APPEAL water soluble deodorant has been developed to attack odors at the source and eliminate them. Scent Appeal Liquid may be added to mop water, carpet extraction machines, and paint to deodorize while cleaning and is ready-to-use with a trigger sprayer, or may be diluted with water. Available in Bamboo, Lavender and Plumeria fragrances. Packaging: Quarts, Bulk

SCENT APPEAL LEMON CONCENTRATED
SCENT APPEAL LEMON CONCENTRATED is a water soluble deodorant has been developed to attack odors at the source and eliminate them. SCENT APPEAL LEMON CONCENTRATED is such a versatile product that it may be added to mop water, carpet extraction machines, and paint to deodorize while cleaning, is ready-to-use with a trigger sprayer, or may be diluted with water. Packaging: Gallons

THE ANSWER SUMMER GEL
THE ANSWER is a unique gelled deodorant designed to be used anywhere offensive odors are a problem. The clinging gel allows product to be applied on horizontal, vertical and irregularly shaped surfaces. Its slow releasing formula continuously provides fragrance for extended periods of time. Ideal for use on hard, non-porous surfaces. Spray on air conditioner filters, above doors, in trash receptacles and dumpsters, on walls, in port-a-toilets, above ceiling fans and behind toilets. Areas of use include in automobiles, homes, laundry rooms, pet areas, hotels, schools, municipalities, hospitals, kitchens, nursing homes... anywhere! Packaging: Aerosols
TRASH IT
TRASH IT is designed for the tough job of deodorizing and cleaning trash chutes, dumpsters, and trash facilities. The super concentrated formula is a very powerful odor counteract-ant combined with powerful detergents to effectively remove obnoxious odors while completing necessary cleaning tasks. Regular use of TRASH IT will help keep odors under control. **Packaging: Quarts, Bulk**

TROPICAL BREEZE
TROPICAL BREEZE is a concentrated malodor deactivator that can be used 3 ways: 1) Use straight to address industrial malodors, 2) Dilute and use as a contact or space spray or, 3) Use as a mop solution additive to address large open areas. TROPICAL BREEZE uses a micro emulsion technology to release all the active ingredients for the most effective malodor control. **Packaging: Quarts, Bulk**

U-PAD
U-PAD disposable floor mats will make restroom maintenance easier and faster. By positioning them under urinals and toilets, any unwanted splashes or drops will be absorbed and the odors they cause neutralized. U-PAD will protect floor surfaces from stains, discoloration and uric acid damage. **Available in Square or U-Shaped. Packaging: Box of Individual Pads**

U-POD
U-POD is a urinal cleaner and deodorizer, installed at the top of the urinal, with every flush it releases powerful cleaners that leave the urinal with a like-new condition. At the same time it deodorizes the room. The U-POD is another alternative to urinal blocks and other enzyme cleaners. U-POD will clean the urinal from top to bottom more effectively than scrubbing. U-POD will last 60 days. Using the U-POD consistently will restore the pipes and sewer lines. **Packaging: Box of Individual U-Pods**

U-POD PLUS
U-POD PLUS is a powerful cleaner and descaler that removes years of calculus build-up in pipes and prevents new build-up from forming. It also helps prevent costly plumbing bills due to build-up in pipes. U-POD PLUS eliminates a major source of urinal odors deep in the pipes and emits a light, fresh scent. No tools, tapes or screws required for a simple, seconds-only installation; easy refill cartridge for fast servicing. No metal parts to create rust or scratch on porcelain. Contains no paradichlorobenzene, a possible carcinogen. Gentle on pipes — no harsh cleaners. Semi-permanent bracket reduces waste from each use. Refill cartridge made with #5 recyclable plastic. U-POD PLUS with its flexible design, fits most urinals, providing unlimited men’s restroom placement opportunities. **Packaging: Pods**

URINAL SCREEN
The URINAL SCREEN combines the technology of a 30 day urinal air freshener/deodorizer with the absolute splash elimination available due to it’s two sided design. The URINAL SCREEN also provides an easy to use out indicator system to assist in timely maintenance. The URINAL SCREEN releases more than twice the active ingredients as look-alike screens, over 30 days to keep the urinal and restroom smelling fresh. The URINAL SCREEN doesn’t just mask, it releases optimized bacteria that consume odors. The revolutionary design features a post & lattice design extending through the screen and diffuses the urine stream while releasing a pleasant fragrance. The 2-sided anti-splash design removes 99% of urine splash either side up! The URINAL SCREEN easy reminder system lets you know when it’s time to replace the screen. Simply remove the tabs upon installation to set your replacement date. **Available in Cinnamon, Fresh, Mango and Mint Scent. Packaging: Box 2 screens per package**
ALCO ZYME
ALCO ZYME is a liquid form of living bacteria in suspension to promote decomposition of organic matter and the removal of odors. ALCO ZYME is recommended for use in grease traps, septic tanks, drain lines, holding tanks and garbage areas to control odors and prevent buildup. **Packaging:** Quarts

BIO BLOCK
BIO BLOCK is a concentrated enzyme blended block which contains a synergized blend of eight bacterial strains along with buffers, surfactant and stabilized enzymes to enhance degradation capabilities of heavy organic deposits. **Packaging:** Blocks 5lb, 10lb

BLUE LIGHTNING
BLUE LIGHTNING granular odorless line treatment cleans, open up and maintains drains. Ultra-concentrated to break down most commercial and industrial drain obstructions. Pleasant fragrance and non-fuming makes BLUE LIGHTNING very easy to use. Unique exothermic acting helps break down: Grease, hair, coffee grounds, fats, vegetable matter, tobacco, lint, slim, drain scum and many other difficult drain conditions. **Packaging:** Containers

BREEDERS
BREEDERS is a convenient, super highly concentrated liquid form of living bacteria in suspension to promote rapid decomposition of organic matter and the odors associated with decomposition. BREEDERS is recommended for use in grease traps, septic tanks, drain lines, holding tanks, garbage areas, and more to control odors and prevent buildup. **Packaging:** Gallons

BUGS IN A BAG
BUGS IN A BAG is a high potency dry bacteria complex used to safely speed up the natural decomposition of organic waste, leaving carbon dioxide and water as byproducts. When used regularly, BUGS IN A BAG will eliminate odors, reduce sludge, and prevent pipes and drain fields from clogging. This easy to use product is safe for the environment, non-corrosive, and very effective. **Packaging:** Individual Bags

C & G
C & G is a multipurpose, single component adhesive sealant that quickly adheres to most surfaces. It cures in 24 hours providing a tough, resilient, silicone rubber good for hundreds of application. C&G can be used for gasketing, sealing, bonding, insulating, caulking, encapsulating and coating. This flexible material resist shrinking, cracking, weather, ozone, chemicals, moisture, vibration and extreme temperatures ranging from -60° to 450°F. **Available in Aluminum, Black, Clear, Red and White.** **Packaging:** Piston Driven Tubes
CANNON
This easy to use non-acid, non-fuming drain opener requires no dangerous mixing and will not harm plumbing or septic tanks. CANNON aids in the removal of organic obstructions like grease, cloth, hair, paper and fatty type stoppages. CANNON can also be used on a maintenance program to prevent sludge buildup. Packaging: Quarts

CANNON CLEAR
CANNON CLEAR is an easy to use drain opener. CANNON CLEAR requires no dangerous mixing. CANNON CLEAR will not harm plumbing or septic tanks and is safe on garbage disposal. CANNON CLEAR aids in the removal of organic obstructions like grease, cloth, hair, paper and sludge. Packaging: Quarts

CANNON PLUS LAVENDER
CANNON PLUS LAVENDER is a high-powered, non-acid drain opener that penetrates clogging masses, converting them to soft pulp that flushes through the system to clean and clear clogged drains. CANNON PLUS LAVENDER is heavier than water, so it goes right to the clog and dissolves organic matter, grease, soap, paper, hair, and lint. Packaging: Half Gallon

CANNON PLUS LEMON
This high-powered formulation penetrates clogging masses, cleaning and clearing clogged drains. Heavier than water, it goes right to the clog and dissolves organic matter, grease, soap, paper, hair and lint. Ideal for both problem drains and preventative maintenance. Harmless to plumbing and septic systems, when used as directed. It should not be used in garbage disposals. Packaging: Quarts

FLY-AWAY
This unique product is designed to eliminate the sanitation problems that restaurants and food preparation facilities often face due to the buildup of organic waste like grease, in drains and grease traps as well as under heavy equipment. FLY-AWAY is a highly concentrated bacterial gel that actually digests grease buildup that occurs over time. By inhibiting the normal biological production of odor causing compounds, FLY-AWAY is able to remove foul odors from drain lines, grease traps, and sewer lines. Contains Citronella, a natural fly deterrent. Packaging: Quarts

FOAM LINE
FOAM LINE is sewer line cleaner and degreaser specially designed to remove problematic grease buildup in sewer lines. A safe, water-based product comprise of next generation detergents that remove grease blockages when used with high-pressure sewer line cleaning equipment. FOAM LINE is a biodegradable, phosphate free, contains no petroleum distillates, non-acid, non caustic, non-corrosive, non-toxic. Packaging: Gallons, Bulk

FORMULA 57
FORMULA 57 liquefies grease and controls objectionable odors. It is non-acid, non-corrosive, non-caustic, and generates no heat, so it is safe on pipes and safer for employees. FORMULA 57 is designed to reduce the accumulation of grease, fats, and slime that form in sewage lines, septic tanks, cesspools, and drains, thus ending overflow, clogging, and offensive odors. FORMULA 57 dissolves the grease that holds hair, soap scum, coffee grinds and other blockages together thus allowing drains to flow freely. Packaging: Gallons, Bulk
FORMULA 86’D
This granular product is designed to remove fat and grease deposits in sewer and drain lines. The powerful chemical solvent in FORMULA 86’D is augmented by its catalytic and penetrating action. Aluminum chips absorb heat and distribute it evenly thereby making the product perform for longer periods. **Packaging: Canisters**

GEL-BAC
The thickened bacteria/enzyme complex in GEL-BAC liquefies organic waste and controls odors in grease traps, septic systems, floor drains, restrooms, and dumpster areas. The unique thickened formula clings to the sides of pipes and vertical surfaces for maximum efficiency. GEL-BAC is environmentally friendly, non-toxic, biodegradable, and USDA approved. **Packaging: Quarts**

GREASE TRAP BLOCKS
These easy to use blocks can be tossed into a grease trap to consume grease, fat, oils, food, etc... reducing costs and maintenance needed to keep the trap free flowing and odorless. The block dissolves slowly to release grease eating bacteria for approximately 30 days with no pumps needed and no physical pouring of liquid required. GREASE TRAP BLOCKS continuously add to the number of bacteria available to consume grease even if chemical cleaners that kill bacteria have entered the trap. **Packaging: Individual Blocks**

H₂O LESS URINAL & LINE CLEANER & DEODORIZER
H₂O-less Bowl & Line Cleaner and H₂O-Less Deodorizer are design for waterless urinals. H₂O-less Bowl & Line Cleaner is a concentrated cleaner and drain line maintainer which cleans and removes hard scale and other recrystallization that build up on the fixture and in the drain line. Use regularly for preventative maintenance to remove uratic slats and calcium build up from drain line in order to keep drains free flowing and reduce odors. H₂O-Less Deodorizer has a long lasting vanilla scent, it will not evaporate out of the drain line so it remains for extended periods of time expending only small amounts each time the urinal is used so it last approximately 1,200 plus uses. **Packaging: Pints (Deodorizer), Quarts (Cleaner)**

LIQUID AUGER
LIQUID AUGER is a fast working, industrial bi-phase drain opener that works without harming pipes or fixtures. It features an inhibited virgin acid that is safer to handle than conventional acidic drain openers, combined with a grease eliminator that also acts as an odor masking agent. **Packaging: Pints**

MEGA BAC 100X
MEGA BAC 100X drain maintenance system provides a highly effective, non-toxic, biodegradable, bacterial grease-digesting treatment MEGA BAC 100X, puts to work billions of colony forming bacteria from our Industrial Drain Cleaner, which digest fats, oil and grease (FOG), leaving behind water and inert carbon. MEGA BAC 100X helps avoid drain back-ups and reduces build-ups in grease traps, interceptors, and sewage ejectors. Odors are neutralized at the source by reducing grease. MEGA BAC 100X contains naturally occurring bacteria designed to treat drains on a time-metered basis, providing round the clock drain protection, odor control, and clean drains. **DISPENSER SOLD SEPARATELY Packaging: 17 oz.**

MEGA BAC
A convenient liquid form of living bacteria in suspension that promotes decomposition of organic matter without the use of acids, caustics or solvents. MEGA BAC may be used as a deodorizer in bathrooms, trash chutes, dumpsters, drain lines, grease traps, septic tanks, holding tanks and around urinals. **Packaging: Quarts, Gallons, Bulk**
MEGA BAC APPLE

MEGA BAC APPLE is a convenient liquid form of living bacteria in suspension to promote the decomposition of organic matter without the use of acids, caustics or solvents. When used in drain lines and grease traps it effectively prevents build-up of grease and organic matter which cause clogs and odors. MEGA BAC APPLE may be used as a deodorizer in bathrooms, trash chutes, dumpsters, drain lines, grease traps, septic tanks, holding tanks, carpets, and around urinals. The anaerobic and aerobic bacteria in MEGA BAC APPLE have been cultured specifically for their ability to digest waste quickly and effectively thus speeding up the normal “breakdown” process. The bacteria quickly and effectively controls odors anywhere, even pet odors in carpet and sewage odors from overflow. Packaging: Quarts

MEGA BAC MINI CONCENTRATE

MEGA BAC MINI CONCENTRATE is a convenient liquid form of living bacteria in suspension to promote decomposition of organic matter and the odors associated with decomposition. MEGA BAC MINI CONCENTRATE is recommended for use in grease traps, septic tanks, drain lines, holding tanks and garbage areas to control odors, and prevent buildup. Packaging: 8oz bottles

MEGA BAC MIXED BERRY

MEGA BAC MIXED BERRY is a synergized blend of three bacillus microorganism for optimum enzymatic activity. MEGA BAC MIXED BERRY produces protease, lipase, amylase and cellulase for excellent breakdown of starches, carbohydrates, protein, tissue paper, fats, grease, oils, and vegetable gums. MEGA BAC MIXED BERRY deodorizes toilets, showers and garbage cans. It digests carpet urine stains and removes blood, food and grass stains from laundry, too. Use in restaurants, hospitals, hotels, schools and nursing homes. Cleans floors, walls, toilets, urinals, sinks, and all types of fixtures and surfaces not harmed by water. Packaging: Quarts, Bulk

MEGA BAC PLUS

MEGA BAC PLUS combines special multi-cultured strains of natural bacteria with the waste digesting properties of salmonella free natural enzymes that are non-pathogenic and non-polluting. These anaerobic and aerobic bacteria have been cultured specifically for their ability to digest waste quickly and effectively thus speeding up the normal break-down process. Free enzymes are then combined with the bacteria to make MEGA BAC PLUS the fastest working “bugs” in the industry. They quickly and effectively break down organic matter and the odors associated with decomposition. It is recommended for use in grease traps, septic tanks, drain lines, holding tanks and garbage areas to control odors, and prevent build-up. Packaging: Quarts, Gallons, Bulk

MEGA BAC PLUS GREEN TEA

MEGA BAC PLUS GREEN TEA combines special multi-cultured strains of natural bacteria with the waste digesting properties of salmonella free natural enzymes that are non-pathogenic and non-polluting. MEGA BAC PLUS GREEN TEA the fastest working “bugs” in the industry. They quickly and effectively break down organic matter and the odors associated with decomposition. It is recommended for use in grease traps, septic tanks, drain lines, holding tanks, and garbage areas to control odors, and prevent build up. Packaging: Quarts

MEGA BAC PODS

MEGA BAC PODS are a unique & powerful way to clean and deodorize garbage disposals, toilets, urinals and drain lines. Convenient and time saving! Just drop the pouch in the bowl or disposer and it starts cleaning! Bio-enzymes eliminate odors and grease build up in disposals, sinks, urinals and toilets. Great for smelly floor drains & septic systems, too. Packaging: 2 oz. pouches
MEGA LIFT
This floating lift station degreaser quickly dissolves deposits in wet wells that could greatly reduce capacity and emit offensive odors. MEGA LIFT is added directly to lift station wet wells in its concentrated form for effortless cleaning. The rise and fall of the water level accomplishes cleaning and degreasing of the vertical surfaces of lift stations, wet wells, and similar treatment facilities, reducing the need for routine physical cleaning. MEGA LIFT will also neutralize offensive odors. 
Packaging: Bulk

MEGA LIFT GRAPE
This floating lift station degreaser is formulated to quickly dissolve deposits in wet wells which could greatly reduce capacity and emit offensive odors. MEGA LIFT GRAPE is added directly to lift station wet wells in its concentrated form. The rise and fall of the water level cleans and degreas the vertical surfaces of lift stations, wet wells, and other treatment facilities, reducing the need for physical cleaning. MEGA LIFT GRAPE effectively neutralizes odors. 
Packaging: Bulk

MEGA LIFT II
MEGA LIFT II degreases, deodorizes, and cleans. It is also 100% natural and biodegradable. This amazing product is formulated with soy bean oil derivatives, Delimonine and natural corn surfactants. It is manufactured for today’s client’s high expectation for performance products. It is cost effective for today’s budgets. MEGA LIFT II emulsifies and degreases raw sewage as it floats into lift station wells. The accumulation of sewage, grease, oils, fatty acids, calcium and soap scum form deposits on wet well walls. 
Packaging: Bulk

NATURAL WAY
NATURAL WAY is a highly concentrated, all natural citrus based organic solvent blend designed for all heavy duty degreasing and drain maintenance. NATURAL WAY is the most powerful of our natural citrus based products. The high concentrate level of this product allows the user the flexibility to emulsify heavy grease buildup or to dilute with water for general cleaning. NATURAL WAY breaks down grease and grime buildup and will clean drain lines, garbage disposal units and grease traps while removing foul odors. Quickly removes grease, oil, tar, adhesives and more from most surfaces. 
NATURAL WAY is 100% biodegradable. 
Packaging: Pints, Quarts, Gallons, Bulk

NATURAL WAY II
THE NATURAL WAY II is all natural, all-organic, and biodegradable solvent blend. Contains no hazardous chlorinated solvents. Quickly removes grease, oil, tar, adhesives and more from most surfaces. Ideally suited for most cleaning and degreasing applications. Has a fresh citrus aroma. 
Packaging: Quarts, Gallons, Bulk

ODOR CAP
ODOR CAP is a uniquely formulated, environmentally friendly sealer designed for use in waterless no flush urinals. ODOR CAP creates a non-soluble seal of a deodorizing liquid in the trap. ODOR CAP has a pleasant cherry fragrance to give instant and long lasting odor problems from dried out traps, keeping them wet and odor free. Easy to use, simply add it and forget it. 
Packaging: Quarts
PIPE BOND KIT

PIPE BOND KIT is a strong, permanent and economical repair. Works on virtually every kind of pipe and hose. It’s an easy alternative to traditional methods such as cementing, soldering, welding, sleeving and replacement. Works on wet, dry, clean, dirty or corroded pipes. Even works under water...salt or fresh. PIPE BOND KIT can be use to repair copper, rubber, plastics, fiberglass, pvc pipe, galvanized, concrete, etc. Safe for drinking water system repairs. Has a strong 600 PSI. Conforms to a standard water main pressure test. Withstands temperatures up to 425°F. Ideal for emergencies and frozen pipe breaks. PIPE BOND KIT is impervious to water, oils, chemicals, solvents and acids. **Packaging:** Kit includes Fiberglass Wrap, Epoxy Putty and Gloves.

SEEK THE LEAK

SEEK THE LEAK’s advanced sensitive solution is formulated to pinpoint even the smallest of leaks. Suspends dirt so the particles will not drastically reduce the sensitivity of SEEK THE LEAK. The unique formula allows SEEK THE LEAK to cling to pipes for extended periods of time. Excellent for locating refrigeration leaks in any refrigeration system, air conditioners, refrigeration units, walk in coolers, window units, refrigerators, etc. It can also be used to locate nitrogen and natural gas leaks. SEEK THE LEAK is biodegradable, non-toxic and non-corrosive, easy to use, and oxygen safe. **Packaging:** Quarts

SEWER & DRAIN SWEETNER

SEWER & DRAIN SWEETNER controls and removes foul odors like rotten egg and sulfur smells from sewer lines, lift stations, grease traps, sump pumps, water pits, etc. SEWER & DRAIN SWEETNER is a coagulant in liquid form based on divalent iron (Fe2+). It is used primarily for Hydrogen Sulfide Control to reduce odor and corrosion, for phosphorus removal, as a micronutrient as well as in manufacturing intermediaries while leaving a sweet orange scent. **Packaging:** Bulk

SLIME AWAY

SLIME AWAY is a natural citrus base drain declogger with a high pressure spray that provides quick penetration to blockage source and starts dissolving immediately. Effectively restores free flowing drains by breaking down grease, fat, body oils, soap, etc. **Packaging:** Aerosol

SOY NATURAL

SOY NATURAL has the power of natural soy with a boost from natural orange. It contains no petroleum based or chlorinated solvent, is non-acid, non-caustic, non corrosive. It’s biodegradable. **Packaging:** Pints

SUPER BLOCK

SUPER BLOCK and SUPER BLOCK MINI are deodorant blocks designed to control and deodorize especially large, smelly areas. SUPER BLOCK and SUPER BLOCK MINI are long-lasting and contain NO VOC’S. It is a great deodorizer for sewers, elevator shafts, dumpster areas, garbage collection areas, water treatment facilities, etc. **Packaging:** 5lb, & 20lb Blocks (20 lb also available in Grape scent)

SUPER LAVA PLUS

SUPER LAVA PLUS granulated aluminum chip sewer solvent removes fat and grease deposits from sewer and drain lines. SUPER LAVA PLUS sewer solvent products contain a powerful chemical solvent and aluminum chips to absorb and evenly distribute heat, making SUPER LAVA PLUS sewer solvents perform for longer periods. Many sewer solvents emit flammable vapors which can pose fire and explosion hazards. SUPER LAVA PLUS products protect your employees from this danger because SUPER LAVA PLUS vapors are non-combustible. SUPER LAVA PLUS is an extra strength version of LAVA for tough sewer problems and large quantity applications. **Packaging:** Bulk
**U-POD PLUS**

U-POD PLUS is a powerful cleaner and descaler that removes years of calculus build-up in pipes and prevents new build-up from forming. It also helps prevent costly plumbing bills due to build-up in pipes. U-POD PLUS eliminates a major source of urinal odors deep in the pipes and emits a light, fresh scent. No tools, tapes or screws required for a simple, seconds-only installation; easy refill cartridge for fast servicing. No metal parts to create rust or scratch on porcelain. Contains no paradichlorobenzene, a possible carcinogen. Gentle on pipes – no harsh cleaners. Semi-permanent bracket reduces waste from each use. Refill cartridge made with #5 recyclable plastic. **U-POD PLUS** with its flexible design, fits most urinals, providing unlimited men’s restroom placement opportunities. **Packaging: Pods**

**U S & O REMOVER**

This is a white emulsion uratic salt remover for those hard to remove calcium deposits in urinal drains and odors that arise from uratic salts accumulating in the drain lines. On a regular preventive maintenance schedule **U S & O REMOVER** can help cut down on the costly task of removing urinals from the wall for clearing and deodorizing. **Packaging: Quarts, Bulk**

**U S & O SUPER COAT**

**U S & O SUPER COAT** is a specially thickened white emulsion uratic salt remover for those hard to remove calcium deposits in urinal drains and also controls odors that arise from uratic salts accumulating in the drain lines. **Packaging: Quarts**
Floor & Carpet Care

**ABSORB**
Absorbs liquids and odors while changing smelly liquids into an odorless semi-solid for fast easy cleanups. Scented with a pleasant lemon fragrance. **ABSORB** is ideal for spills, broken containers of food or drinks, chemicals, vomit, urine, blood, and any other fluids. Each container will absorb up to 12 gallons of liquid. *Packaging: Canisters*

**AUTO SCRUB**
This non-sudsing formula makes **AUTO SCRUB** perfect for use in all hard surface floor cleaning applications including automatic scrubbing machines. It can be sprayed, mopped, or wiped-on for spot cleaning. **AUTO SCRUB** will quickly remove oils, greases, waxes, and carbon soils. Dilutable up to 60:1! *Packaging: Gallons, Bulk*

**BACINATOR**
**BACINATOR** is a unique active bacteria odor eliminator especially designed for easy application on carpets and upholstery to eliminate odors that are organic in nature. This versatile product can also be used on most hard surfaces to counteract pet and body odors and more. Only 6% VOC. *Packaging: Aerosol*

**BURST “O”**
This is an extremely concentrated malodor eliminator. **BURST “O”** contains a unique blend of all organic, natural perfumes in an oil base to provide long-term results. Can be used as a liquid deodorant, a space spray, and as a contact spray both indoors and outdoors. Great for use in carpet extraction machines, and when added to mop water and cleaning rags. *Available in Berry, Vanilla, and Dreamsicle Scents. Packaging: Pints*

**D-GUM**
**D-GUM** contains a natural orange oil solvent to quickly cut through chewing gum and candle wax from soft surfaces such as carpet, rugs, upholstery, or fabric. The biodegradable formula leaves a fresh orange fragrance. *Packaging: Aerosol*

**FRESH AND CLEAN**
**FRESH AND CLEAN** provides a two-phase approach to cleaning and deodorizing carpet and fabric. First, the unique natural chemical system instantly deodorizes and dissolves embedded grime and organic matter. Second, the bio-enzymatic activity begins breaking down the organic residue, eliminating stains and odors at the source. Removes milk, blood, wine, vomit, urine and feces. *Packaging: Aerosol*

**FRESH SPRINKLES**
**FRESH SPRINKLES** is a unique multi-action formula that eliminates those hard to remove odors in carpet that are caused by smoke, pets and mildew. **FRESH SPRINKLES** freshens the room with a distinctive long lasting fragrance. Use **FRESH SPRINKLES** every time you vacuum for a clean, fresh room. *Packaging: 1.5lb Containers*
G.N.C.
G.N.C. is a neutral synthetic detergent that penetrates and dissolves stubborn soils from floors, walls, counter tops, desks and any other hard surfaces not harmed by water. It is safe on all finishes and contains no soap, acid, ammonia, alkali, phosphates or other harsh chemicals. **G.N.C.** is concentrated, economical and versatile. **Packaging:** Gallon

HYDRO CITRA FOAM
Using the power of hydrogen peroxide and the awesome cleaning ability of d-Limonene, **HYDRO CITRA FOAM** is definitely the next generation in cleaning products! There are many “oxygen-based” cleaners on the market these days, but **HYDRO CITRA FOAM** is different. **HYDRO CITRA FOAM** is specifically formulated at a higher pH than other cleaners. Since hydrogen peroxide is more active at a higher pH **HYDRO CITRA FOAM** has more powerful cleaning and stain removing properties than other products on the market. This formulation can be used on a multitude of surfaces including glass, upholstery, metals, carpet, stainless steel, tile, countertops, fabric, plastic, floors, walls and much more. **HYDRO CITRA FOAM** will even remove red wine and other difficult stains from most carpets without expensive and often labor intensive heat transfer methods. **Packaging:** Quarts

K.O.’D
**K.O.’D** is a powerful carpet stain and spot remover. It contains strong cleaners and degreasers to remove stains due to a wide variety of causes including dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. With its concentrated stream spray, and upside down spray valve, **K.O.’D** easily attacks spots and stains without heavy over-spray. It quickly saturates materials for instant cleaning, but because it contains no solvents, it will not soften carpet backing, nor will it leave any residue. But **K.O.’D** doesn’t stop there! With an effective odor neutralizer, odors from urine, vomit and blood are eliminated through oxidation catalysis, leaving a pleasant fragrance. **Packaging:** Aerosol, Bulk

K.O.’D HYDRO
This powerful carpet stain and spot remover contains hydrogen peroxide that has been formulated at a higher pH than other “oxygen-based” cleaners. Hydrogen peroxide is more effected at higher pH, making **K.O.’D HYDRO** the best option for all of your carpet spotting needs. Removes soils such as Kool-Aid, red wine, juices, dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks, and blood. Contains an anti-resoiling agent to prevent stains from reappearing. **Packaging:** Quarts

K.O.’D PLUS
**K.O.’D PLUS** is a concentrated blend of enzymes and d-limonen, designed to quickly saturate and break down organic stains and odors caused by blood, urine, feces, vomit, grass stains and most foods. **K.O.’D PLUS** leaves the carpet smelling fresh and clean. Although this product will not harm most carpet fabrics, all carpets should be tested for color fastness prior to use. To test, spray small area of carpet in out of the way spot, let dry. If carpet discolors, contact supplier before using. Do not use on white or light colored carpet. **Packaging:** Aerosol

KING KONG CONCRETE & FLOOR CLEANER
**KING KONG CONCRETE & FLOOR CLEANER** is a heavy duty concrete and floor cleaner that won’t clog coils, lines or nozzles. **KING KONG** can be used for light to heavy cleaning in steam and high pressure machines. It works in hard water and will not leave any residue. **Packaging:** 9 lbs Bucket
MARBLE FLOOR CLEANER
MARBLE FLOOR CLEANER is a new concept in detergent cleaners. It is formulated with unique surfactants that make it a true no rinse product. It penetrates and dissolves stubborn soils from walls, floors, linoleum, ceilings, counter tops, tables, bathrooms and any surface not harmed by water. MARBLE FLOOR CLEANER is safe on all finishes and contains no soap, acid, ammonia, alkali, phosphates or other harsh chemicals. It is environmentally friendly and gentle to people. It’s formulated to be free-rinsing, even in hard water. Packaging: Quarts

MEGA SHINE
New advanced formula provides a super high gloss while 28% solids content makes this product extremely durable, long lasting, and slip resistant. MEGA SHINE can be buffed at low speed or burnedish with a super high speed machine for an outstanding “wet look” finish. MEGA SHINE can also be damp mopped without dulling the shine. Specifically formulated for use on vinyl, tile, terrazzo, ceramic, and concrete. Covers approximately 200 sq. ft. per gallon. Packaging: Gallons, Bulk

MEGA STRIP
A highly concentrated floor stripper that rapidly penetrates and strips even the new, modern floor finishes making the toughest jobs easy. MEGA STRIP’s non-amoniated formula can be diluted anywhere from 4 to 10 ounces per gallon of hot or cold water depending upon floor conditions. This heavy duty stripper is odorless, sudsless, and is safe for use on all floor surfaces including wood. Packaging: Gallons, Bulk

OIL FREE OMEGA SWEEPING COMPOUND
OIL FREE OMEGA SWEEPING COMPOUND does not contain harsh chemicals to extend shelf-life. A maximum shelf-life of 1 Year is recommended. Regular use of OIL FREE OMEGA SWEEPING COMPOUND will help protect furniture, fixtures and merchandise from dust accumulation. Prevent sickness and disease by absorbing germ-laden dust. Save on cleaning cost by minimizing the need for dusting and keep floors in a sanitary condition. Packaging: Bulk

QUICK DRY RENEW
QUICK DRY RENEW carpet cleaner concentrate is specifically formulated for fast and easy surface cleaning of carpets without excessive wetting of the area. This dryer method of cleaning is preferred by many large facilities for its cleaning power and ease of use. The blend of 40% solvents and 30% carpet detergents in quick dry renew is ideal for bonnet cleaning, upholstery cleaning, and traffic lane areas because it uses minimal water and is quick drying. Packaging: Gallons, Bulk

RENEW CARPET EXTRACTOR
RENEW CARPET EXTRACTOR is an excellent, dilutable solution for carpet extraction with brighteners and anti-foam agents added. Standard dilution ratio of 2 oz. per gallon of water uses a pH range of 8.0, which makes RENEW CARPET EXTRACTOR solution safe for use on new carpet fibers and all color fast materials such as cotton and synthetic fibers. Packaging: Gallons, Bulk

SCENT APPEAL LIQUID
SCENT APPEAL water soluble deodorant has been developed to attack odors at the source and eliminate them. Scent Appeal Liquid may be added to mop water, carpet extraction machines, and paint to deodorize while cleaning and is ready-to-use with a trigger sprayer, or may be diluted with water. Available in Bamboo, Lavender and Plumeria. Packaging: Quarts, Bulk
SCENT APPEAL LEMON CONCENTRATE

SCENT APPEAL LEMON CONCENTRATE is a water soluble deodorant has been developed to attack odors at the source and eliminate them. SCENT APPEAL LEMON CONCENTRATE is such a versatile product that it may be added to mop water, carpet extraction machines, and paint to deodorize while cleaning, is ready-to-use with a trigger sprayer, or may be diluted with water.

Packaging: Gallons

SNC

Super Neutral Cleaner is powerful enough to take care of the toughest grease and grime yet it will not harm sensitive surfaces like wood, fabrics, stone floors, painted walls, and finished or waxed floors. It is a highly concentrated product allowing the user the ability to mix to the desired performance level required by the task at hand. SNC is the best choice when you need a strong cleaner on a surface you don’t want to harm.

Packaging: Gallons, Bulk
E-Z OFF
E-Z OFF is an environmentally friendly product that can be used anywhere! E-Z OFF removes shadowing and Reconditions white boards, removes ink on school desks, permanent marker and stickers off lockers, ballpoint pen off vinyl walls, graffiti off toilet partitions, graffiti off traffic signs, scale and rust off stainless steel, hard water stains off porcelain, most stains off fiberglass, oxidation off aluminum, scuff marks from most floors, heel marks off tile, water stains off grout, tea, coffee and makeup stains off counter tops, water marks on fiber glass boats above and below the water line, soap scum off shower stalls, puck marks on the hockey arena and grass/dirt build up off golf clubs. Packaging: Tubs

GRAFFITI BUSTER
GRAFFITI BUSTER is a ready to use graffiti remover that removes ink, spray paint, lipstick, felt marking pens, etc. from surfaces such as formica, vinyl, baked enamel, painted surfaces, cement brick, marble and granite. Packaging: Gallons

GRAFFITI GUARD
GRAFFITI GUARD is a clear, odorless liquid that can be applied to nearly any non-porous surface to provide a protective barrier against graffiti. After GRAFFITI GUARD is applied, it dries to a clear film which protects against spray paint, marker, pen, and other substances. Once defaced, the barrier is easily removed with no damage to the surface. The thickened formula adheres to vertical surfaces, and is water-resistant, allowing for outdoor applications. It will not affect signs’ reflective properties, and will not discolor. Packaging: Quarts

JELL STRIP
JELL STRIP gel formulation paint remover quickly removes paint, epoxy paint, lacquer, shellac, enamel, varnish, labels, carbon deposits, silicone, simulated wood paneling and similar materials. Product will not run. JELL STRIP has been authorized by the USDA for use in federally inspected meat and poultry plants. Packaging: Aerosol

LIFT-OUT
LIFT-OUT is a heavy duty emulsifier and degreaser that removes heavy soil and stains, old paint, decals, adhesives, inks and waxes from many surfaces. LIFT-OUT is also a very effective graffiti remover that is powerful enough to remove graffiti from most surfaces with little effort, even works to lift tough graffiti marks out of concrete and brick surfaces for easy removal. Packaging: Quarts, Gallons, Pails, Drums

MEGA OFF
MEGA OFF works extremely well on all hard surfaces, such as lexan, glass, brick, brass, chrome, marble, tile, etc... MEGA OFF also removes paint, ink, tar, and marking pen from vinyl seats. MEGA OFF can be used on buses, trains, bridges, road signs, walls, etc... MEGA OFF can be used on all hard surfaces. Excellent to remove scuff marks from racquetball court walls. You should always pre-test an inconspicuous area first, such as; asphalt, tile, painted and some soft plastics and lexan or any surface susceptible to solvent damage. Packaging: Aerosol
PROTECT-IT
When applied to hard, non-porous surfaces, PROTECT-IT forms a protective wax barrier that resists graffiti and other stains. It may be applied to metal, vinyl, formica, enamel and linoleum. PROTECT-IT prevents staining and corrosion from urine on bathroom stalls. Keeps food from staining smooth restaurant surfaces such as vinyl booths and plastic or varnished partitions. PROTECT-IT works great on vinyl bus seats, school desks, counters, washroom partitions, lockers, panels, refrigerators, table tops, golf carts, boats, etc. PROTECT-IT is also non-chlorinated, stain resistant coating and will not harm plastic. **Packaging: Aerosol**

SOY AWAY
SOY AWAY is an environmentally safe and natural soy based graffiti remover and paint stripper. SOY AWAY is designed to remove graffiti from most surfaces and can be used for the removal of paint, varnish and some waxes. Works on glass, brick, concrete, metal surfaces, signs, furniture, wood, trees and many other surfaces. SOY AWAY is powerful enough to remove lipstick, crayon, spray paint, sticker and tape residue, waxes, inks and scuff marks safely with no damage to the original surface. **Packaging: Pints, Bulk**
**CON-RENEW**
This is a heavy duty, acid based, concrete cleaner. It flushes out hidden deposits and rinses away easily. It works well in hard water and has no lasting odor. **CON-RENEW** helps remove limestone, cement particles, rust, soap film and mineral deposits. It is an economical and biodegradable product.  
*Packaging: Quarts, Bulk*

**D-BUG**
D-BUG has a superior DEET FREE formula that utilizes nature’s three most effective repellents – Citronella, Tea Tree, and Eucalyptus. **D-BUG** is Paraben Free with No synthetics and No preservatives each bottle delivers 350+ sprays that will protect for 4+ hours.  
*Packaging: Spray bottle*

**INSECT REPEL BANDS**
These unique bands can be worn on a wrist, or fastened to belt loops, hatbands, tool belts, work area materials, etc. to effectively repel flying insects for up to 3 – 4 feet from the band. Protection will not wash off with water or perspiration. When kept in its plastic container **INSECT REPEL BANDS** can be re-used for up to 120 hours! The active ingredient, Geraniol, has been tested to be more effective than Citronella.  
*Packaging: Individual bands*

**LIQUID FERTILIZER 16-8-4**
Concentrated liquid fertilizer contains special penetrating agents to assure quick absorption and vigorous, sustained growth. Its balance blend of nutrients promotes rapid greening and lush top growth marking it the perfect all season general purpose fertilizer for ornamental turf, golf courses, athletic fields and lawns.  
*Packaging: Bulk*

**MEGA POWER**
This is a highly concentrated, extremely powerful grease fighter that will quickly clean the toughest grime. **MEGA POWER** is effective on grease, carbon, grime, oil, soap scum, soot, etc. Different dilution ratios allow this product to be a very versatile cleaner, and it may be used anywhere water is safe to use. The formula for this product is non-flammable, non-toxic, non-corrosive and entirely biodegradable.  
*Packaging: Quarts, Gallons, Bulk*

**KWIK GREEN 15-5-3**
All organic nitrogen fertilizer concentrate, recommended for grass lawns, dichondra, garden areas and trees. Use on a regular basis to keep lawns healthy and green all year long. EPA Registered.  
*Packaging: Bulk*

**WEED-GO**
A concentrated water dilutable emulsion for use on non-crop areas such as right-of-ways, industrial sites, fence rows, storage areas and parking lots. For total vegetation control, **WEED-GO** kills by contact and by root absorption, and prevents new plant growth for up to one year. Controls dense vegetation and thick top growth. One gallon covers up to 1200 square feet. EPA Registered.  
*Packaging: Bulk*
FOAM MAGIC

FOAM MAGIC is an alcohol free hand sanitizing foam that will not dry out skin and has no strong odor. Has up to 150 uses per mini pump bottle! FOAM MAGIC mini size can be placed inconspicuously in a vehicle glove compartment, tool box, pocket, etc. Larger size can be placed in a central location to share in an office, shop, classroom, or anywhere else. Needs no water or towels.

Packaging: 1.7 oz., 18 oz., 1000ml

FOAMY

FOAMY is formulated with only the most gentle ingredients making it extremely mild to your skin, yet tough on dirt. FOAMY contains agents that replace natural skin oils normally washed away by regular soap. FOAMY is formulated with a balanced, neutral pH formula for extra mildness for even the most sensitive skin. FOAMY leaves your hands soft and pliable. It’s great as a head and body wash. Dispenser is available.

Packaging: Gallons

HAND HEAT PADS

HAND HEAT PADS are excellent for the cold weather they provide warmth to endure cold climate situations. Each pair last up to 10 hours of soothing warmth for your hands they can also fit inside your gloves, pockets or wherever you feel a chill.

Packaging: Individually Wrapped

HAND HELPER ORANGE BLOSSOM

HAND HELPER is enriched with essential oils to nourish and soften your skin. HAND HELPER moisturizes your skin without the ‘greasy feeling’ associated with most moisturizers. HAND HELPER helps protect against drying of the skin caused by heavy industrial work.

Packaging: 24oz Bottles

HANDY SANI PEN

HANDY SANI PEN pen is a hand sanitizer spray pen that can be attached to a purse or pocket, especially during flu season. Kills 99.99% of most common germs that may make you sick. HANDY SANI PEN comes in a convenient size which allows 100 plus sprays and can be used anytime, anyplace, without water or towels, leaving hands feeling refreshed without stickiness or residue. The active ingredient 62% Ethyl Alcohol, is a safe and effective antiseptic and has a pleasant lemon fragrance.

Packaging: 0.34 oz. bottles

HEALTHY HANDS ALOE

Now there is a healthy way to keep your hands clean and soft while ridding your skin of illness causing bacteria. HEALTHY HANDS ALOE is a foaming antiseptic hand wash formulated with Aloe Vera. HEALTHY HANDS ALOE is a natural alternative to conventional antibacterial hand soaps. HEALTHY HANDS ALOE quickly decreases bacteria on the skin and is even effective on Salmonella and E.Coli organisms.

Packaging: 18 Oz Container
**PROTECTOR SPF 50 GRIPPER**

is a broad spectrum, paraben free sunscreen that was designed especially to block out the sun’s harmful UVA and UVB rays to protect skin for a prolonged period of time. Proper application of **PROTECTOR** prevents sunburn and the premature aging and increased risk of cancer that is associated with sun exposure. **PROTECTOR’S SPF50** formula is greaseless and water resistant. For maximum protection for your employees, try Omega’s **PYK** Protect Your Kisser lip balm with SPF protection. 

*Packaging: Tubes*

**PYK**

Whether the sun is shining or the wind is blowing, your lips can take a beating by getting too dry or sun burned. Protect them with **PYK** – Protect Your Kisser lip protectant with SPF 30 sunscreen. This conditioning lip balm helps prevent sunburn and prevents and protects chapped, cracked or wind burned lips. **Available in Alpine Cherry and Natural Peppermint.**

*Packaging: Individual Tubes*

**SANI GEL**

**SANI GEL** skin sanitizer is a refreshing alcohol-based sanitizer that kills 99.9% of most illness-causing germs. Instantly sanitizes hands without water or towels. **SANI GEL** leaves hands sanitized, smooth and conditioned without an antiseptic smell. Evaporates quickly. Will not dry out skin. Helps prevent bacterial transfer and reduces hospital acquired infections. Dries in 15 seconds leaving hands with a fresh citrus fragrance.

*Packaging: 4oz bottles*

**SHIELD**

**SHIELD** aids in protection of skin from irritants such as ink, salts, acids, corrosive alkalis, solvents, gasoline and other chemicals. Forms a barrier to prevent grease, paint resins, soil and ink from penetrating the skin’s pores and creases. Keeps skin cleaner, minimizing cleanup time. For use in the following industries: petroleum, automotive, printing, aircraft, plastics, metal, paint, chemical, landscaping, and research laboratories.

*Packaging: Aerosol*

**SHIELD CREAM**

**SHIELD CREAM** is a pre-work cream that is ideal for both wet and dry application. **SHIELD CREAM** forms a protective barrier to prevent harmful substances from penetrating the skin, making it easier to clean the hands. **SHIELD CREAM** is also suitable for facial use. Use **SHIELD CREAM** in situations with low to heavy soilings. The sustainable cartridge is fully recyclable. **SHIELD CREAM** is part of a unique dispensing system for hand hygiene which consists of a touch-free dispenser and unique cartridges and therefore offers ultimate efficiency. **Dispenser sold separately.**

*Packaging: Aerosols*

**THE BOSS CITRUS PUMICE**

**THE BOSS CITRUS PUMICE** Hand Cleaner contains premium grade cleansing agents that quickly dissolve the toughest soils. The formula safely and effectively removes dirt, grease, resin ink, paint, glue, rubber gasket and tile cements and many other hard-to-remove soils. This VOC compliant, petroleum solvent free formula has the fresh scent of citrus and is pH balanced. Use it with or without water.

*Packaging: Gallons*

**THE GENERAL**

**THE GENERAL** is a hand cleaner that has a mild citrus fresh scent and is fortified with supreme skin conditioners and natural walnut shells scrubbers. **THE GENERAL** is a non-solvent formula that eliminates drying and cracking. Contains the anti-microbial "PCMX" and superior skin emollients and skin conditioners. **THE GENERAL’s** thick concentrated formula reduces hand soap use by up to 75%. It washes away completely with no greasy residue and it has no phosphates. Wall mounted dispenser sold separately.

*Packaging: 120 oz, 13.53 oz, 3.38 oz*
DEFOAMER
This water soluble foam controller may be used around sewage treatment plants, or dripped into waste streams where foam creates a problem. DEFOAMER may also be mixed with various detergents to reduce or eliminate foam in applications such as auto scrubbers, power washers, etc. without affecting the detergency of the cleaner. **Packaging: Gallons, Bulk**

E-Z KLEEN ACID
This acidic cleaner restores efficiency loss due to rust and corrosion on heat exchangers and air conditioner fins or coils. Removes milk stone and lime deposits from steam tables, dairy equipment and trucks. E-Z KLEEN ACID contains wetting agents and phosphoric acid to quickly penetrate and remove rust, scale, lime and other mineral deposits. **Packaging: Gallons, Bulk**

E-Z KLEEN
E-Z KLEEN is a non acid and designed for renovation and fast and easy deep cleaning of air conditioning coils, fins and filters. Cleaning with E-Z KLEEN will actually step up the heat transfer in your large or small air handling units from 40% to 80% depending on the condition of the unit. Removes dust, lint, dirt, oxidation, smoke, grease, pitting, and atmospheric salts. E-Z KLEEN has a pleasant scent and is safe to use in confined areas as well as sensitive areas of hospitals, hotels, nursing homes, etc. **Packaging: Gallons, Bulk**

E-Z KLEEN FREE
Foaming, odorless cooling coil cleaner is formulated to penetrate into air conditioner evaporator/condenser coils and fins to remove all types of soils. The stream spray allows product to be dispersed deep into the fins of the coil. Upon contact with the surface of the coil, this product begins to react & flush soil to the surface. Does not need to be rinsed if applied to a functioning unit that produces moisture. E-Z KLEEN FREE effectively removes grease, oil and water deposits with no odor whatsoever. **Packaging: Aerosol**

E-Z KLEEN FRESH
E-Z KLEEN FRESH is formulated to penetrate and remove dirt and matted material from condenser coils and fins, eliminating the need for high pressure sprayers and bulky tank sprayers. Upon contact with the surface of the coil, the foaming action of the product begins to remove the soil from the surface. Rinsing is not required. Dirt and lint are washed away with condensation, leaving unit cleaned and deodorized. **Packaging: Aerosol**

E-Z QUAT BLAST
E-Z QUAT BLAST is a new generation hygienic coil cleaner designed to purify the coil as it cleans. This proprietary quaternary ammonia compound formula will help open up restricted air flow due to build up in the coil surface, advance heat transfer, reduce head pressure and optimize system capacity when the condenser and evaporator coil are cleaned on a regular preventative schedule. This specialized coil cleaner helps improve indoor air quality and aids in the breakdown of cold water slime in the pan. **Packaging: Aerosols**
P.P.P

P.P.P. is a unique two-part epoxy that creates a permanent bond, it stops leaks or holes in drain pans, has a fast acting formula with long lasting results. It pours through standing water to create a permanent bond. The permanent bond stops leaks to prevent damage adheres to almost any surface, including metal, wood and concrete. P.P.P. repairs pan leaks to save replacement cost, takes only minutes to apply. P.P.P. also includes an anti-microbial additive to eliminate future mold growth. P.P.P. has a self-leveling formula that will provide a smooth, even coat.

Packaging: Box of Individual Packets

PAN KLEEN

PAN KLEEN is a microbiocide for commercial and industrial air conditioning drip pans, computer room equipment, refrigerated vending machines, swamp coolers, display cases and cold storage walk-ins. PAN KLEEN produces a continuous release of an active ingredient that controls fouling and inhibits the growth of slime forming and odor causing bacteria, organic buildup, scale, and corrosion deposits. Not for heat vaporizing or atomizing type vaporizer/humidifiers. PAN KLEEN comes in 2 ton, 5 ton, or 10 ton sizes to fit your unit needs. EPA Registered. (All three sizes shown).

Packaging: Box of Netted Strips

PAN KLEEN GEL TAB 20 TON

PAN KLEEN GEL TAB, the new technology breakthrough for treating A/C drain lines and pans. PAN KLEEN GEL TAB is easy to use—just place a gel tab in the pan and as moisture drips on or flows over the gel tab, it activates the chemicals that lock the tab to the drain pan.

Packaging: Box of Gel Tablets

PAN KLEEN LIQUID

PAN KLEEN LIQUID liquid is an environmentally safe way to control algae and slime in air conditioning pans, lines and refrigeration equipment. PAN KLEEN LIQUID helps avoid clogging, eliminate odors and keeps drain lines clean and flowing freely. For air conditioning units add 1 ounce of PAN KLEEN LIQUID for every 1 ton of air conditioning capacity.

Packaging: Pints

PAN KLEEN TABS

PAN KLEEN TABS are formulated with AT-8, a powerful cleaning detergent that immediately breaks up sludge and slime. Completely soluble does not form any deposits in the pan or drain line. Easy to use, safe, non-toxic, non corrosive. Clean sludge, scum and other accumulations in A/C pan and drain lines. Eliminates overflows caused by plugged condensate drain and pan. Color coded White tablets treat up to 3 ton unit. Yellow tablets treat up to 2 ton unit. Blue tablets treat up to 1 ton unit.

Packaging: Box of tablets

WT 500 Cooling Tower Inhibitor

WT500 is an advanced liquid scale and corrosion inhibitor for use in open recirculating cooling water systems. It maintains clean, scale-free and deposit-free surfaces which are required for system life and efficiency. This product will provide effective scale and corrosion control in systems with highly alkaline scaling makeup waters. One gallon treats 1,000 gallons.

Packaging: Bulk

WT 2000 Cooling Tower Inhibitor

Same as WT500, except that one gallon treats 2,000 gallons of system water. Subsequent feed rates should maintain 150 to 250 ppm.

Packaging: Bulk

WT 8000 Cooling Tower Inhibitor

Same as WT500, except that one gallon treats 8,000 gallons of system water. Subsequent feed rates should maintain 40 to 60 ppm.

Packaging: Bulk
WT ACID NEUTRALIZER

WT ACID NEUTRALIZER effectively neutralizes acidic cleaning solutions with its concentrated blend of alkalai and dispersing agents. **Packaging: Bulk**

WT B & C TREATMENT

This broad range boiler and condensate line treatment compound contains polymeric dispersants, organic scale control additives, an oxygen scavenger, alkalinity builders, corrosion inhibitors, sequestering agents and softeners to keep steam boilers clean and efficient. By preventing scale deposits, WT B&C TREATMENT allows higher heat transfer and greater boiler efficiency. **Packaging: Bulk**

WT BOILER INHIBITOR

This product is formulated especially for “high make-up” steam boiler systems. The chemicals incorporated in WT BOILER INHIBITOR are of the highest quality for control of scale, rust, sludge and corrosion in normally operated boilers. **Packaging: Bulk**

WT DESCALER

This product is a highly effective blend of acids, inhibitors and cleaners formulated to efficiently remove scale and corrosion from all metals except aluminum, magnesium, zinc and galvanized surfaces. WT DESCALER will maintain clean heat transfer surfaces to maximize equipment life. **Packaging: Bulk**

WT SCAVENGER

WT SCAVENGER is an effective formulation designed to chemically react with oxygen to prevent the formation of iron oxides or corrosion. **Packaging: Bulk**
INSECTICIDES

BED BUG ALERT
BED BUG ALERT consists of a clear plastic shell with a pheromone lure adhesive board located in the center. The pheromone in BED BUG ALERT has a 4 to 6 months continuous release. This is a detection method ONLY not intended to treat for active infestation. If you have bed bugs, some will be drawn into the trap and become stuck to the adhesive surfaces and unable to escape. Its durable shell is resistant to weight and moisture, unlike paper detectors. A secure enclosure top snaps into the bottom so children and pets cannot touch the trapped bugs. If bed bugs are known to be in the room it will take approximately 24 – 48 hours before they are seen in the trap.

Packaging: Plastic Shell Containers 2.753 x 23

BIRD REPEL
This is a safe, transparent compound, which is applied to places where pest birds rest, roost or nest. bird repel is non-poisonous, so its safe to handle and will not kill birds when used according to directions. Also because of its unique chemical formulation, BIRD REPEL will remain effective for up to one year (under most weather conditions). Therefore, birds learn to avoid areas treated and seek new locations for roosting.

Packaging: Tubes

D-BUG
D-BUG has a superior DEET FREE formula that utilizes natures three most effective repellents – Citronella, Tea Tree, and Eucalyptus. D-BUG is Paraben Free with No synthetics and No preservatives each bottle delivers 350+ sprays that will protect for 4+ hours.

Packaging: Spray bottle

DETER
DETER rodent repellent is not a poison. It is a safe all-natural, biodegradable solution designed to augment your rodent abatement program and effectively repel rats, mice, chipmunks, squirrels, raccoons, opossums, and many other rodents and pests from your home or business.

Packaging: Pint

FLY-AWAY
This unique product is designed to eliminate the sanitation problems that restaurants and food preparation facilities often face due to the buildup of organic waste like grease, in drains and grease traps as well as under heavy equipment. FLY-AWAY is a highly concentrated bacterial gel that actually digests grease buildup that occurs over time. By inhibiting the normal biological production of odor causing compounds, FLY-AWAY is able to remove foul odors from drain lines, grease traps, and sewer lines. Contains Citronella, a natural fly deterrent.

Packaging: Quarts

INSECT REPEL BANDS
These unique bands can be worn on a wrist, or fastened to belt loops, hatbands, tool belts, work area materials, etc. to effectively repel flying insects for up to 3 -4 feet from band. Protection will not wash off with water or perspiration. When kept in its plastic container, INSECT REPEL BANDS can be re-used for up to 120 hours! The natural active ingredient, Geraniol, has been tested to be more effective than Citronella.

Packaging: Individual bands
**M BOMB**

*M BOMB* is a water based, one-step killing action total release insecticide fogger which penetrates to all areas for thorough insecticidal action. *M BOMB* contains permethrin, pyrethrin and MGK® 264. *M BOMB* is designed with a special lock down valve for total release killing cockroaches, crickets, ants, mosquitoes, fleas, rice weevils, saw-tooth grain beetles, ticks, flies, and small flying moths. EPA Registered. *Packaging: Aerosol*

**N.I.K.**

*N.I.K.* is a water based, natural insect killer that has been developed especially to control insects. When applied as directed on the labeling, *N.I.K.* will kill insects on contact. 100% mortality occurs within 5 – 10 minutes of application, depending on life stage. *N.I.K.* is also effective on cockroaches, ants, millipedes, carpet beetles, fleas and bed bugs. Any of the listed insects coming into contact with a surface treated with *N.I.K.* will be killed for up to 30 days after application. *Packaging: Quarts*

**PERMITH WATER BASE**

Dursban-Pyreth, indoor and outdoor, animal quarters, ants, roaches. A ready to use fast acting micro-emulsion insecticide. Use in apartments, bakeries, bottling plants, garages, garbage cans or dumpsters, homes, hospitals, hotels, institutions, motels, offices, public buildings, restaurants, theaters, trucks and warehouses. Controls cockroaches, ants, silverfish, spiders, fleas, crickets, centipedes, boxelder bugs, brown dog ticks, carpet beetles, clothes moths, earwigs, flies, fruit flies, gnats, lice, mosquitoes, small flying moths and scorpions. *Packaging: Bulk*

**PYRETH**

General purpose natural pyrethin – ready to use solvent base product. Use as a space spray at a rate of 1-2 oz per 1,000 cu. ft to control flies, mosquitoes, gnats, wasps, sand flies. Use as a surface spray to control ants, cockroaches, silverfish, crickets, spiders, fleas, bedbugs, clothes moths, flour beetles, meal worms, granary weevils, meal moths. Use as fog or vapor spray. Thermal or compressed air. Use in barns to protect animals from horn flies, mosquitoes, gnats, horse flies, deer flies and blood sucking lice. *Packaging: Bulk*

**RAT BAIT**

For control of Norway rats, roof rats and house mice in and around buildings, agricultural structures and homes. *RAT BAIT* contains peanut flavoring. EPA Registered. *Packaging: Bucket of Individual Baits*

**REPEL PIN**

The REPEL PIN repels flying biting insects and many other annoying flying pests. The REPEL PIN is not activated until the package is opened. Once opened, they are effective for up to 175 hours. With the EPA recently banning certain chemical repellents, the REPEL PIN has become the solution to toxic, greasy, lotions and sprays. The REPEL PIN is simply the best natural insect repelling product available. *Packaging: Individually packaged pins*

**TERMINATOR**

This fast acting insect killer leaves a pleasant vanilla scent with no insecticide smell whatsoever! Great for use in confined areas or where strong odors could cause a problem. TERMINATOR provides quick killing action to kill the bugs you see and has a three month residual to kill the ones you don’t. EPA Registered. *Packaging: Aerosol*
TOMBSTONE
This wasp and hornet spray provides immediate knock down with a high delivery spray tip that directs a powerful stream of product to wasps’ nests. **TOMBSTONE** is an electrically non-conducting with a dielectric breakdown voltage of 49,500 volts. Contains no CFCs or other ozone depleting substances and can be used both indoors and outdoors. EPA Registered. **Packaging: Aerosol**
Lubricants

AIR TOOL REJUVENATOR

AIR TOOL REJUVENATOR is designed to clean, lubricate, recondition, and extend the life of air tools. AIR TOOL REJUVENATOR will also prevent rust and corrosion by eliminating moisture and calcium buildup in air lines. Use regularly for preventive maintenance and to cut downtime and costly repairs. Can be used on all air-operated tools including jackhammers, drills, saws, impact wrenches, sanders, polishers, grinders, and air-operated motors. **Packaging: Aerosol**

A.S.S. ANTI SEIZE SPRAY

ANTI SEIZE SPRAY provides maximum protection to metal surfaces against seizure, friction, rust, corrosion, wear, pitting and galling under extreme conditions of heat. ANTI SEIZE SPRAY is an extreme-high-temperature and pressure anti-seize lubricant. Temperature range -35º to 750ºF. **Packaging: Aerosol**

ANTI SEIZE BRUSH TOP

This extreme temperature, extreme pressure anti-seize compound protects all metal surfaces from exposure to extreme temperatures and corrosive atmospheres. ANTI SEIZE BRUSH TOP is highly effective in temperatures ranging from -65ºF to 2100ºF. Use ANTI SEIZE BRUSH TOP to prevent galling and seizing, plus to protect against rust and corrosion. This product will not wash off, even in areas with salt spray. ANTI SEIZE BRUSH TOP will not harden, separate, evaporate or fuse to metals. **Packaging: Can**

BELT-TITE

BELT-TITE Belt Dressing is a resin based spray designed to increase power and performance by reducing slippage of all types of power belts including round, flat or V. Compatible with fabric, leather or rubber belts. Helps clean and prolong life of belts and reduces down time. BELT-TITE Belt Dressing will not glaze and does not attract dust or dirt. **Packaging: Aerosol**

CLEAR LUBE

is an aerosol chain and cable lubricating gel which penetrates and lubricates moving parts. Provides anti-wear and extreme pressure resistance while tackifiers prevent sling off. CLEAR LUBE forms a non-staining, rust protective coating. USDA approved for use in federally inspected meat and poultry plants. **Packaging: Aerosol**

COOL DOWN

COOL DOWN is a heat sink especially designed for brazing. COOL DOWN protects valves, controls and surrounding areas from heat damage. Simply spray on surrounding areas or completely encircle copper tubing to prevent heat transfer. **Packaging: Aerosol**

CT FLUID

A clear, synthetic coolant and lubricant for cutting and tapping designed to disperse heat and extend tool life. Convenient aerosol is handy for field operations and is non-irritating to the skin. CT FLUID works on all steels, titanium, monel and aluminum. Transparent fluid gives a clear view of work area while providing a continuous non-staining film. **Packaging: Aerosol**
DRI MOLY
DRI MOLY is a molybdenum disulfide dry film lubricant that withstands high pressures and temperatures. Lubricates moving parts of all kinds. Fast drying with minimal transfer. Protects from rusting and corrosion by displacing moisture. Reduces metal to metal contact on treated surfaces. Service temperatures range from -40°F to 600°F. Convenient aerosol is ideal for lubricating surfaces where a liquid lubricant is not practical. **DRI MOLY** quick drying, non-tacky finish adheres well to all metals, most plastics, glass and rubber. **Packaging: Aerosol**

FAST
**FAST** will loosen dirt and scale from painted and plated surface. Remove loosened scale and spray again to cover surface. Liberal application will loosen threads, tightly fitted parts, sliding and rotating pars, bolts, hinges and pins which have been “frozen” by corrosion. The formula will protect against renewed corrosion. **FAST** is a powerful, multiple-action protective shield against the harmful effects of moisture and corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing water and moisture and sealing all surfaces with a complete molecular film. It preserves equipment, thus reducing repair and maintenance costs. Dielectric strength 30,000 volts. When replacing rusted bolts use Omega's **NO MESS ANTI-SEIZE** to prevent them from rusting and seizing again. **Packaging: Aerosol**

FAST CHERRY
**FAST CHERRY** penetrating oil is a premium formula that protects against the harmful effects of moisture and corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing moisture and rapidly breaks down rust. Excellent for removing parts, fasteners and mating connection, as well as, protecting metal from further corrosion. **FAST CHERRY** has a rapid penetrating action that breaks rusted bolts free, it can be used on motors, wire cables, rusted parts, ignition systems, machine parts, door hinges, locks, nuts & bolts, and refrigeration equipment. **Packaging: Aerosol**

FOAMY LUBE
This foaming chain and cable lubricant is also a protectant fortified with Moly. **FOAMY LUBE** prevents corrosion and will withstand extreme pressure and harsh chemical environments. Provides a thick clinging foam for use on vertical surfaces, then when the foam breaks it penetrates into wire rope and roller chain mechanisms. Great for chains, wire cable, open gears, chain saws, drag lines, road and construction machinery and much more. **Packaging: Aerosol**

GRAPHITE LUBE
**GRAPHITE LUBE** is an aerosol, extra duty, high temperature, high pressure grease. Portable and easy to use. When used as directed, this product will leave a grease film that not only lubricates, but penetrates deeply into difficult area to prevent corrosion of metal surfaces. **Packaging: Aerosol**

GREASE IT ALL LUBE
**GREASE IT ALL LUBE** is a lithium complex based grease formulated with highly refined base oil and specialty additives to meet severe requirements of machinery. The appearance of **GREASE IT ALL LUBE** is a smooth, slightly stringy BLUE adhesive. **GREASE IT ALL LUBE** is capable of operations from minus 40°F to 350°F, but has a dropping point of more than 500°F. **GREASE IT ALL LUBE** is recommended for extended service in heavy-duty automotive, trucks, busses, farm tractors, construction equipment, high temp wheel bearings (disc brakes), roller & ball bearings, electric motor bearings, throw-out bearings, universal joints, chassis, fifth wheels, etc. **Packaging: Tubes**
GREASE-IT BLUE
GREASE-IT BLUE is a premium grade, heavy-duty industrial grease designed for extended service life. Resists thinning or hardening in service, which minimizes leakage, and prolongs the service life of the grease. It reduces grease consumption and extends re-lubrication cycles. GREASE-IT BLUE gives longer bearing life and reduces the need to stock several greases, thus preventing misapplication. Effective from -40º to over 500ºF. *Packaging: Tubes*

GREASE-IT GREEN
This grease is fortified with special additives enabling it to withstand the heavy impact and pounding pressure common to heavy equipment. Our special additive package allows the grease to stay in place and not spatter or pound out of the bearing or fitting. Most greases manufactured today do not have this anti-spatter capability. GREASE-IT GREEN is a non-melt grease with superior water resistance. Effective to 500ºF. *Packaging: Tubes*

GREASE-IT RED
GREASE-IT RED is an all purpose, non-melt grease especially formulated with extreme pressure and anti-wear additives to provide heavy duty service. GREASE-IT RED is one of very few greases able to withstand heavy shock load and impact pressures of 65 Timken load capabilities. GREASE-IT RED has excellent adhesive and cohesive properties. GREASE-IT RED resists most acids, weather, dirt, salt spray, steam and oxidation. GREASE-IT RED protects equipment indoors and outdoors even under high temperatures and heavy loads. *Packaging: Tubes*

GREASE-IT SILVER
GREASE-IT SILVER is metallic silver combination of an olefinic copolymer anti-seize compound and a non-soap bentone grease. GREASE-IT SILVER is fortified with additives that will provide it with excellent lubricating properties, stability and anti-wear protection to metal surfaces. *Packaging: Tubes*

GREASE-IT WHITE
GREASE-IT WHITE is a multi-purpose and hi-temp food grade grease. GREASE-IT WHITE is an excellent high temperature grease and designed to work effectively up to 350ºF. GREASE-IT WHITE also features excellent water resistance. Both of these properties can be mainly attributed to the aluminum complex thickener which is very water repellent and has a high dropping (+450ºF). NLGI Grade 2. *Packaging: Tubes*

LITHO WHITE GREASE
LITHO WHITE GREASE is an all weather, multi purpose lubricant that penetrates like an oil then cures to a thick, water resistant grease. The white color helps to indicate lubricated areas and reduces staining. LITHO WHITE GREASE has many versatile uses including auto doors and hinges, gears, chains, slides, bearings, overhead door tracks and rollers; plus it is heat stable to 350º. *Packaging: Aerosol*

LUBE ALL
LUBE ALL is an odorless lubricant made up of USP liquid petrolatum and propellant for providing sanitary means of lubricating dairy and food processing equipment. Complies with FDA Regulations, CFR Title 21, paragraphs 172.878 and 178.3620. LUBE ALL can be used in fast food service preparation, cut meat, cold room packaging in supermarkets, prepackaged meat units for franchise outlets, ice cream filling equipment, and milk bottle equipment. *Packaging: Aerosol*
MEGA GREASE  
MEGA GREASE is a multi-purpose, high purity food grade lubricant that provides long lasting grease protection. Cured lubricant withstands heat to 550°F. Temperatures above 400°F may require periodic reapplication. **Packaging: Aerosol**

NEW NUTS  
NEW NUTS is a thread reconstruction penetrant that embraces nano technology to create a product that out performs conventional lubricants, penetrants and products. In the past, when threads were damaged it required a cutting torch or the drilling out of bolts. Now with NEW NUTS, threads are reconstructed using nano technology to allow for complete disassembly. **Packaging: Aerosols**

NO MESS  
NO MESS anti-seize contains no lead or copper and has a synthetic non melting carrier. This high quality lubricant dissipates at temperatures above 400°F without a carbon residue, leaving a dry film of aluminum and graphite to plate and protect metal surfaces to temperatures of 2000°F. NO MESS has an interchangeable applicator tips allow you to apply a bead line of lubricant or brush it on depending on the job needs. NO MESS pressure applicator eliminates waste, is water resistant, prevents galling and seizing, reduces friction and lubricates metal surfaces to 2000°F, protects against rust & corrosion and meets performance requirements of MIL-PRF-907E. Apply NO MESS in all threaded metal and assemblies where protection is desired. use on Bolts, fitting, flanges, gaskets, keyways, nuts, plugs, studs, unions, valves, etc. Ideal for ovens, heat trolleys, kilns, strokers or any part moving in high temperatures. **Packaging: Pressure Applicators**

NUMB NUTS  
NUMB NUTS represents the latest breakthrough in penetrating lubricant technology. By combining rapid freezing action with an advanced rust eating formula, seized or rusted parts are easily released. Shrinkage of sprayed parts quickly breaks open micro fine fissures allowing the lubricant to easily penetrate even the toughest rust. NUMB NUTS is ideal for use in the most demanding penetrating lubricant applications including rusted manifold bolts, exhaust flanges, industrial, marine, farm, or other outdoor exposed equipment. This formula contains NO chlorinated solvents or ozone depleters and is nonconductive to 33,000 volts for use around live equipment. **Packaging: Aerosol**

PENETRATOR  
This fast acting penetrating lubricant contains Teflon® and Vydax® for excellent long lasting lubrication. It will adhere to vertical surfaces and works in a broad temperature range for increased versatility. PENETRATOR is great for use on industrial machines, shop tools, locks, hinges, pulleys, bearings, conveyors and more. **Packaging: Aerosol**

RED I GREASE  
RED I GREASE is a cured lubricant that withstands heat to 350°F, moisture, acids, high pressure and is highly rust resistant. This VOC compliant formula provides superior lubrication while forming a thick, long-lasting film to prevent future corrosion. A high pressure additive reduces wear and prolongs operational life of all machinery. Temperatures above 350°F may require periodic reapplication. Use on chains, winches, conveyors, gears, cables, tools, hinges, bushings, pins, levers and rollers. **Packaging: Aerosol**
SG GREASE TUBE
SG GREASE TUBE is a release agent, O-Ring lubricant and dielectric moisture barrier that is easy to apply. Not for surfaces that will be painted or finished. Not recommended for silicone O-Rings or silicone based products such as silicone rubber. Test all rubber applications for swell or shrink problems. SG GREASE TUBE is odorless, non-toxic, non-melting, non-corrosive, long service life, moisture resistant, excellent lubrication and release properties, and high chemical, oxidation and radiation resistance. **Packaging: 8oz Tubes**

SLIP AWAY
This high base silicone release agent provides a heavy duty protective layer to keep tar, asphalt, paint overspray, marking pens, inks, spatter, adhesives, etc. from adhering to surfaces so they can be easily wiped away. SLIP AWAY is great for use on truck beds, dumpsters, glass, metal machinery and other non-porous surfaces. **Packaging: Bulk**

SLIPPERY PULL A
SLIPPERY PULL A is a non-conductive, clear wire pulling lubricant for easy installation and removal of any type of wiring. Use for ease in pulling plastic, rubber or synthetic covered wire through plastic, aluminum or steel conduit. Protects conduit against internal corrosion. Will not harm conduit or wire and will not run out conduit ends. **Packaging: Aerosol**

SUPER SILICONE LUBRICANT
Specially formulated for use on food processing equipment as a protective anti-rust film, as a release agent on gaskets or seals of tank closures, and as a lubricant for machine parts and equipment in locations in which there is exposure of the lubricant to food machinery used for producing, manufacturing, processing, preparing, packaging, transporting or holding food or food products. SUPER SILICONE LUBRICANT lubricates all sliding surfaces...excellent for sticking wood, metal, plastic, rubber – any surface except those you may wish to paint later. Will not gum, run off or form messy residues. Use on sticky drawers, windows, door, hinges, locks, rollers, and zippers. Will prevent door locks from freezing. Waterproofs and protects leather, wood, chrome, canvas and rubber. USDA RATED: H1 **Packaging: Aerosol**

T-EASE
A non-chlorinated dry film lubricant and release agent made with an extremely fine Teflon fluorotelomer powder. Features outstanding microscopic film-forming properties and resists temperatures from -100°F to +500°F. T-EASE is an odorless, stainless coating that is more slippery than silicone, graphite or oil. The dry film is not affected by most chemicals and when used as a release agent, allows parts to be painted without cleaning. **Packaging: Aerosol**
ACOUSTA TILE
Restores stained and discolored tile to a like-new condition. Eliminates the need for costly ceiling tile replacement and does not affect acoustical properties of the tile. Excellent for both smooth and rough surfaces. ACOUSTA TILE is non-flammable when dry and does not change the fire rating of the tile to which it has been applied. **Packaging: Aerosol**

ALUMINUMMAN
ALUMINUMMAN is a hand-mixable, fast-setting, aluminum-reinforced, non-rusting epoxy putty that quickly repairs or rebuilds anything made of aluminum. After mixing, it forms a polymer compound that can be molded into shapes or used to build up, repair and patch items made of aluminum. **Packaging: Putty Tubes**

AQUAMAN
AQUAMAN is a hand-mixable, specialty epoxy putty optimized for repairs to damp, wet areas and underwater surfaces. After mixing, it forms a polymer compound that can be applied underwater in both fresh and salt water environments as well as to dry surfaces. It will bond tenaciously to substrates such as fiberglass, concrete, metal, ceramic, glass, wood, and many plastics. **Packaging: Putty Tubes**

ARMOR COAT
When applied, the stainless steel flakes rise to the surface of the coating, forming a rust and corrosion proof layer of tough durable metal, while the binder protects the object underneath. ARMOR COAT provides maximum protection against damage by ultraviolet lights, abrasion, harsh environments and heat up to 900°F. **Packaging: Aerosol**

BLACK BEAR TAPE
BLACK BEAR TAPE is a single sided commercial class seaming tape that is built with a laminated polyethylene cloth and unique acrylic adhesive, designed for todays new class of building wraps. BLACK BEAR TAPE is a single sided tape. **Packaging: Roll 2” wide by 65’ in length.**

BOND A BOO BOO
Is a versatile easy to use solvent free epoxy adhesive, which can be used to bond or repair most materials such as wood, metal, glass, ceramic, plastics and rubbers. Its easy to use two component adhesive system has no odor. Its excellent adhesion can be used on a wide variety of materials such as aluminum, copper, steel, brass, concrete, FRP/SMC, wood, glass, plastics, ceramics, painted metals, graphite, polyurethane, galvanized metals, rigid plastics, etc. Its high bond strength develops in 1 - 2 hours. **Packaging: 2 Part syringe tube**

C PATCH
C PATCH is a durable sealant specifically formulated to repair cracks and holes in concrete, mortar and masonry. C PATCH contains silicone additives for improved adhesion and water resistance. C PATCH forms a durable, flexible and water-tight seal. C PATCH resists gas, oil, grease and salt. Interior/ exterior use. Paintable. **ADHERES TO: Concrete, mortar, cinder block, stucco, brick, wood, and stone.** **Packaging: Tubes**
C PATCH SELF LEVELING
C PATCH SELF LEVELING is a moisture cure concrete and masonry sealant designed for application to dry or damp horizontal cracks and chips. This unique product fills and adheres to concrete, masonry, wood, stone asphalt and metallic surfaces. C PATCH self-levels to a smooth, beautiful finish that is durable, and paintable. Package: Tubes

C & G
C & G is a multipurpose, single component adhesive sealant that quickly adheres to most surfaces. It cures in 24 hours providing a tough, resilient, silicone rubber good for hundreds of application. C&G can be used for gasketing, sealing, bonding, insulating, caulking, encapsulating and coating. This flexible material resists shrinking, cracking, weather, ozone, chemicals, moisture, vibration and extreme temperatures ranging from -60° to 450°F. Available in Aluminum, Black, Clear, Red and White. Package: Piston Driven Tubes

COAT IT
COAT IT can be used interior/exterior single coat hiding power. COAT IT dries quickly protects against rust, weather, oil, gasoline, abrasion and most corrosive chemicals and making COAT IT the best choice for any job. Can be used on wood and metal, home, automotive, industrial, marine, and construction. Resists fading, cracking, chipping and peeling. Does not contain lead, CFC’s chromates or chlorinated solvents. Available in Black, Flat Black, Grey, Red, Yellow & White. Package: Aerosol

COLD ZINC
A high solids, pure zinc coating that electrically bonds itself to metal surfaces. Equals protection provided by hot dip galvanizing methods. Resists corrosion and rust migration. Provides a tough, durable gray surface and can be used as a primer prior to painting. COLD ZINC protects surfaces from saltwater and chemical fume corrosion. Package: Aerosol

CONCRETE MAN
This handy, ready to use concrete repair is designed for sealing small holes and patching chips in concrete, including wall tiles, lawn ornaments and statues. CONCRETE MAN can be drilled, tapped, filed, sawed or painted when dry. This epoxy putty can also be used under water and has a cure time of only 4 to 7 minutes for quick fixes. Package: Putty Tubes

COPPERMAN
COPPERMAN is a hand-mixable, fast-setting, copper-reinforced epoxy putty that quickly repairs pipes, tanks and vessels made of copper, brass, bronze and other non-ferrous metals. After mixing, it forms a polymer compound that is extremely tough and durable and offers exceptional adhesion. Package: Putty Tubes

EX-PAND
A unique one part urethane foam which expands as it dries and solidifies. Fills cracks and holes that caulk can’t! Sprays as a liquid then expands and cures to a durable semi-rigid closed cell foam insulation. Each can dispenses over 250 linear feet of product when sprayed in a 3/8 inch cured bead. Forms a water resistant, weather resistant and airtight bond on masonry, wood, metal, glass, tile and most plastics. EX-PAND dries tack free in 15-30 minutes. Fills cracks and plugs holes eliminating energy escape and the entrance of insects or rodents. Deadens sound when applied to sheet metal and conforms to any shape as it expands. Package: Aerosol

GLUE IT
GLUE IT is a gel form for non-drip application. Bonds acrylic, PVC, polycarbonate, leather, wood, aluminum, paper, fabric, latex and more... Package: Tube
LADDER RESTORER
LADDER RESTORER restores fiberglass ladder and protects against UV rays. LADDER RESTORER is a clear coat that is resistant to the effects of weather and many chemicals, resists abrasions and heat (250°F). **Packaging: Aerosol**

MACHINE GRAY SPRAY PAINT
MACHINE GRAY SPRAY PAINT is a high quality enamel coating that is designed to adhere well and resist rust on a variety of surfaces. MACHINE GRAY SPRAY PAINT has a spray-any-where valve that allows it to be sprayed in any direction and is heat resistant to 300°F. (149°C). **Packaging: Aerosol**

MARK IT
This municipal and utility inverted tip marking paint has an environmentally friendly, water based formula that is V.O.C. compliant. MARK IT is great in to cover any old striping that is no longer needed. Contains higher solids content so it lasts longer between re-coating, saving you time and money in labor, while freeing time to do other things. **Available in all OSHA colors Blue, Yellow, Red, Fluorescent Orange and White. Packaging: Aerosol**

MEGA TAPE
MEGA TAPE is an innovative pressure-sensitive tape which is hand tearable and leaves little or no residue on the surface. MEGA TAPE can even be removed from itself and reused unlike standard duct tapes. MEGA TAPE does not leave any residue on hands unlike conventional butyl tape in the construction market. Made from a polyethylene based flat yarn substrate, MEGA TAPE boasts a higher tensile strength and dimensional stability than conventional gaffer tapes or duct tapes. Typical applications for MEGA TAPE include surface or floor protection and paint masking for automotive, marine, rolling stocks, aviation, entertainment and construction industries. Roll size 2” wide x 164” length. **Available in Red, Green, and Clear. Packaging: Rolls**

METAL PROTECT
METAL PROTECT is a long-term, flexible, non-tacky, dust resistant coating that will not crack, peel, flake or chip over a wide temperature range (-40°F to +175°F). Adheres to most clean metal surfaces. METAL PROTECT is easily applied and removed, can be used as a corrosion preventative, it has a flexible dust retardant coating which allows parts to be identified. **Packaging: Aerosol**

NO SWEAT
A white aerosol insulating sealant that prevents condensation and sweating on cold water pipes, condensers, valves and pipe fittings; stopping damage caused by dripping water. Provides an excellent repair for wrap-around type insulation. When NO SWEAT is dry it is non-flammable and can be painted. **Packaging: Aerosol**

OMEGA ENAMEL
OMEGA ENAMEL is a economical, durable, protective, beautiful and quick drying spray paint. OMEGA ENAMEL is free of lead hazards and is safe to use on furniture and decorative items. **Available in Red, Dull Aluminum, Green and Gloss White. Packaging: Aerosol**

P. G. C.
PAINT PEN
These medium point PAINT PENS are industrial strength with excellent adhesion and coverage. Use to mark pipes, equipment, property, and more! For use on metal, wood, glass, plastic, and many other surfaces. Available in Black, Red, Yellow, and White. Packaging: Box of pens

PATCH IT
PATCH IT is multi-purpose continuous coating instant leak sealer. PATCH IT can be applied to any surface to provide a waterproof flexible continuous rubber coating that will stop leaks and act as a barrier against moisture, rust, and corrosion. Once applied, area becomes impervious to humidity, mold, and fungus. PATCH IT is fast drying and will not crack or peel. Available in Black, Aluminum, and White. Packaging: Aerosol

PERMA-TAPE
PERMA-TAPE is a versatile and easy to use repair material, reinforcement and construction tape and sealant. PERMA-TAPE is ideal for use on roofs, gutter, skylights, windows, doors, flashings, walls, foundations, and many other surfaces. PERMA-TAPE will immediately seal materials stopping infiltration of leaks from air, moisture and water. PERMA-TAPE adheres to almost anything including metal, wood, fiberglass, plastic, structural concrete, concrete block, brick, hypalon and PVC surfaces. Available in Black and White. Packaging: Box

PLASTIKMAN
PLASTIKMAN can be used to rebuild rigid and semi-threadable plastics, repair automotive trim or plastic furniture, and to seal leaks in plastic plumbing pipes. PLASTIKMAN forms a durable bond to all major plastic types except ployoletim (polyethelene/phypropylene), and can be molded into any shape, drilled, sanded and painted. Packaging: Putty Tubes

PREMIUM COATING
An odorless, premium quality fast drying, epoxy modified acrylic latex floor enamel. Use on interior and exterior surfaces of wood, concrete (new or old) and previously painted wood and concrete floors. Suitable for breezeways, decks, porches, steps, garages, basements and light industrial applications. PREMIUM COATING cures to a tough, durable film suitable for foot traffic within 24 hours. Available in Red, Tan, Green, Blue, Brown, Beige, Burgundy and Gray. With or Without Grit. Packaging: Bulk

PRIMAL PRIMER
PRIMAL PRIMER coating for use on bare metal and bare wood surfaces. Provides massive rust protection. Fast drying sag free spray helps prevent rust and all chemical corrosion. Comes in Light Gray and Red. Packaging: Aerosol

PROTECT ALL
This product can be used as a clear waterproofing around windows, ledges, gutters and downspouts. Protects coated surfaces from water, dirt and airborne particles. Keeps water out even when submerged. PROTECT ALL is extremely durable, flexible and has a high di-electric strength. Packaging: Aerosol

RUST X
Chemically neutralizes rust and leaves a tough, long term, rust preventative coating. RUST X seals, protects and prolongs the life of ferrous metal. Rusted area turns to a black protective finish which upon curing can be painted if desired. Packaging: Aerosol
**RUST X Q**
Chemically neutralizes rust and leaves a tough, long term, rust preventative coating. **RUST X Q** seals, protects and prolongs the life of ferrous metal. Rusted area turns to a black protective finish which upon curing can be painted if desired. **Packaging: Quarts**

**SAFE STEP**
A super hard, textured one part epoxy coating that quickly cures to a slip resistant rough grit surface. Unique aerosol contains special synthetic grit to aid in the reduction of slip and fall accidents, and make slippery surfaces more safe to walk on. One application of **SAFE STEP** lasts for months depending on traffic. **Available in Clear, Yellow, and Black. Packaging: Aerosol**

**STEELMAN**
**STEELMAN** is a hand kneadable, steel reinforced, epoxy putty that mixes in just one minute to provide fast repairs to items made of ferrous and aluminum metals. **STEELMAN** comes in a handy “tootsie-roll” form with the curing agent encapsulated in the contrasting color base material. The putty-like consistency eliminates drips and runs, providing “no mess” applications with no tools required for use, and can even be used under water. **Packaging: Putty Tubes**

**SUPER MEND**
**SUPER MEND** wide web, high strength pressure sensitive spray adhesive is specially formulated to bond fiberglass insulation, urethane, rubber sheet, duct board and bubble foil type insulation to sheet metal. Creates both permanent and temporary bonds on many surfaces. Excellent for porous or uneven surfaces as well as smooth surfaces. Waterproof, flexible, transparent, non-staining adhesive sets quickly. Effectively bonds other surfaces such as labels, cartons, floor tile, cloth, carpet, ceramic, glass, wood, formica®, leather, plastics, foam, etc. Cleans up with mineral spirits. **Packaging: Aerosol**

**SUPER PATCH**
**SUPER PATCH** is an easy-to-use epoxy product for repair and resurfacing of concrete. Great when fast repairs are needed in high traffic areas. **SUPER PATCH** is a one-step process with a fast set-up and cure time that significantly reduces or eliminates the need for down time. Can also be used as patching in freezers and cold storage areas, as mortar to repair loose bricks or blocks, and as a general cement adhesive. **SUPER PATCH** is many times stronger and more durable than concrete. **Packaging: Bulk**

**SUPER DUPER WRAP**
**SUPER DUPER WRAP** is an extra wide self-fusing silicone repair wrap for larger scale applications. It is versatile and easy to use, with no sticky residue. **SUPER DUPER WRAP** creates a permanent air-tight, water-tight seal in seconds. Can be used for electrical wiring or as shrink-wrap, use to wrap tool handles for better grip, replace old sticky electrical tape, protect wire fittings from corrosion, and so much more! **SUPER DUPER WRAP** is resistant to fuels, acid, salt water and UV rays. It withstands 700 PSI and 500° of heat, plus it insulates 8,000 volts UL 510. Operating temperature range is -65°F to 500°F. **Available in Clear. Packaging: Rolls**
SUPER WRAP

SUPER WRAP is a self-fusing silicone repair wrap that has numerous applications and is a must have for any maintenance shop. It is versatile and easy to use, with no sticky residue. SUPER WRAP creates a permanent air-tight, water-tight seal in seconds. Can be used to repair leaks on pipes and hoses, for electrical wiring or as shrink-wrap, use to wrap tool handles for better grip, replace old sticky electrical tape, protect metal fittings from corrosion, and so much more! SUPER WRAP is resistant to oil, fuel, acid, solvent, salt water, and UV rays. It withstands 700 PSI and 500° of heat, plus it insulates 8,000 volts per layer, UL rated. Operating temp range is -50°F to 500°F. Available in Black, Blue, Brown, Clear, Green, Orange, Purple, Red and Yellow. Packaging: Rolls

TRAFFIC LINE

A premium quality 100% acrylic traffic line and curb marking paint with high visibility, easy application, and made with the finest raw materials. The pigments are non-fading and the Titanium Dioxide is non-caulking. TRAFFIC LINE will withstand hot sun, sub-zero temperature, wind-blown dust particles, humidity and moisture. This product has been designed for painting concrete, brick, city crosswalks, highway edge lines, bridges, stop zones, storage areas, traffic signs, streets and parking lots. All OSHA colors available by request. Packaging: Bulk

TRUCK BED COATING

TRUCK BED COATING is a thick, durable black sealant that forms a protective skin that is both tough and flexible. Protects against corrosion and abrasion, withstands impacts, provides improved traction, and resists water. With its fast cure time and excellent adhesion, TRUCK BED COATING is convenient to use and will greatly extend equipment and vehicle life expectancy. Packaging: Aerosol

UV SUPER PATCH

UV SUPER PATCH has a unique patch material that is ideal for repairing leaky pipes, tanks, corroded metal parts, cracked or rotted wood along with hundreds of other applications. UV SUPER PATCH will not rot or rust. The quick and easy solution for all your repair problems. UV SUPER PATCH is great for the tool box, job site, repair trucks, maintenance departments or at home! USE ON: Plastic, metal, pipes, concrete, drywall, fiberglass, wood, rubber, gutters and much more! (Except Polypropylene). Packaging: Bulk

WEATHER SEAL

WEATHER SEAL is a semi-permanent, high strength rubberized polymer blended undercoating that you can apply in your own shop with your own people. WEATHER SEAL is sodium, magnesium and calcium chloride resistant. WEATHER SEAL solves common problems in maintaining a fleet. Most importantly, shortened life span of trucks, buses, cars and equipment as a result of widespread use of aggressive ice-melt products to keep our roadways safe and open during the winter. Colors available: Black. Packaging: Aerosol

WOODMAN

This is a hand kneadable, non-shrinking, epoxy putty which when cured becomes an integral part of the wooden item being repaired, rebuilt, or restored. One hour after mixing, WOODMAN can be drilled, sanded, filed, tapped, machined or painted. It comes in a handy “tootsie-roll” form with the curing agent encapsulated in the contrasting color base material. The putty-like consistency eliminates drips and runs, providing “no-mess” applications with no tools required for use. Packaging: Putty Tubes
INSTA TEMP
This temporary roof patch is a natural mineral (montmorillonite) with a unique molecular structure that permits it to absorb many times its weight in water. INSTA TEMP’s unusual swelling ability allows it to clog roof leaks. This absorption and subsequent swelling takes place in a matter of minutes. It is ideal for temporary patching that needs to be done on flat roof areas even during a rain shower. Packaging: Bucket

OMEGA ALL WEATHER PATCH
ALL WEATHER PATCH is pliable asphalt roof cement that can be used on wet as well as dry surfaces. It is ideal for most roof repairs and for stopping roof leaks around vent pipes, spouts, valleys, skylights, gutters and chimneys and for the construction and repair of flashing. ALL WEATHER PATCH may also be used to seal cracks in exterior chimneys, walls and foundation joints, and for lining leaking gutters and troughs. Packaging: Bulk

PATCH IT
PATCH IT is multi-purpose continuous coating instant leak sealer. PATCH IT can be applied to any surface to provide a waterproof flexible continuous rubber coating that will stop leaks and act as a barrier against moisture, rust, and corrosion. Once applied, area becomes impervious to humidity, mold, and fungus. PATCH IT is fast drying and will not crack or peel. Available in Black, Aluminum, and White. Packaging: Aerosol

PERMA-TAPE
PERMA-TAPE is a versatile and easy to use repair material, reinforcement and construction tape and sealant. PERMA-TAPE is ideal for use on roofs, gutter, skylights, windows, doors, flashings, walls, foundations, and many other surfaces. PERMA-TAPE will immediately seal materials stopping infiltration of leaks from air, moisture and water. PERMA-TAPE adheres to almost anything including metal, wood, fiberglass, plastic, structural concrete, concrete block, brick, hypalon and PVC surfaces. Available in Black and White. Packaging: Box

PROTECT ALL
This product can be used as a clear waterproofing around windows, ledges, gutters and downspouts. Protects coated surfaces from water, dirt and airborne particles. Keeps water out even when submerged. PROTECT ALL is extremely durable, flexible and has a high di-electric strength. Packaging: Aerosol

SIL QUICK
SIL QUICK is a moisture cure, fluid applied, high solids, silicone coating. Engineered with “Green” solvent-free polymers, SIL QUICK outperforms traditional solvent and solvent-free products including asphaltic, urethane, thermoplastic and other protective coating products. Additionally, SIL QUICK has minimal impacts on the applicator or our environment. Packaging: 2g Pail
BLAST
A residue free, super fast drying, high power spray that dissolves grease and rinses away dirt and grime, without injury to working parts. Features a 360 degrees flush action valve that allows spraying in an upright or inverted position. Safe on most metal parts and coils. **Packaging: Aerosol**

CORROSION INHIBITOR DISK
CORROSION INHIBITOR DISK is a thin light weight corrosion-prevention disk that is designed to emit protective vapors that volitize inside the space to form a invisible layer on the surface of the metal and prevent moisture, dirt, salt, and other contaminants from causing corrosion. It is effective on steel, copper, zinc and multi-metal parts. **CORROSION INHIBITOR DISK** protects in the presence of moisture, has an adhesive tape on the back that will stick to metal cabinets, containers, walls, etc. and can be used in electronic, telecommunication cabinets and enclosures. **CORROSION INHIBITOR DISK** is 2 3/16” round and 1/4” thick and protects up to 5 cu. Ft. for up to 2 years. **Packaging: 50 per Box**

ENVIRO-TAC
ENVIRO-TAC is a high purity, high dielectric, rapidly evaporating, non-flammable aerosol spray, contact and circuit board cleaner. Specially formulated for removing oil, grease, condensation, dust and other particulate matter from sensitive electronic parts. **ENVIRO-TAC** is formulated to be safe on most plastics, including polypropylene, Neoprene W, nylon, PTFE, PVC, silicone rubber, butyl, and others. **Packaging: Aerosol**

FAST
FAST will loosen dirt and scale from painted and plated surface. Remove loosened scale and spray again to cover surface. Liberal application will loosen threads, tightly fitted parts, sliding and rotating pars, bolts, hinges and pins which have been “frozen” by corrosion. the formula will protect against renewed corrosion. **FAST** is a powerful, multiple-action protective shield against the harmful effects of moisture and corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing water and moisture an sealing all surfaces with a complete molecular film. It preserves equipment, thus reducing repair and maintenance costs. Dielectric strength 30,000 volts. When replacing rusted bolts use Omega’s **NO MESS ANTI-SEIZE** to prevent them from rusting and seizing again. **Packaging: Aerosol**

FAST CHERRY
FAST CHERRY penetrating oil is a premium formula that protects against the harmful effects of moisture and corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing moisture and rapidly breaks down rust. Excellent for removing parts, fasteners and mating connection, as well as, protecting metal from further corrosion. **FAST CHERRY** has a rapid penetrating action that breaks rusted bolts free, it can be used on motors, wire cables, rusted parts, ignition systems, machine parts, door hinges, locks, nuts & bolts, and refrigeration equipment. **Packaging: Aerosol**
MEGA POWER

This is a highly concentrated, extremely powerful grease fighter that will quickly clean the toughest grime. MEGA POWER is effective on grease, carbon, grime, oil, soap scum, soot, etc. Different dilution ratios allow this product to be a very versatile cleaner, and it may be used anywhere water is safe to use. The formula for this product is non-flammable, non-toxic, non-corrosive and entirely biodegradable. **Packaging: Quarts, Gallons, Bulk**

MEGA SAFE

MEGA SAFE provides industry an alternative to products containing chlorinated solvents. Dries quickly, leaving no residue. The low-odor, non-flammable, non-conductive formula cleans and degreases electric motors, power tools, printing presses, refrigeration and air conditioning equipment, generators and starters, office machines, most metals including steel, nickel, zinc, titanium, galvanized steel, copper, magnesium, brass and tin plate. Also safe for use on some plastics, including those used in contact and circuit board construction. May affect certain types of plastics, such as PVC, ABS, acrylic styrenes, and polycarbonates. If unsure of compatibility, test in an inconspicuous area prior to use. **Packaging: Aerosols**

MEGA SOLV

MEGA SOLV combines powerful flushing action and a high solvency formulation making cleaning brake linings, drums, disc pads and most other metal parts faster and easier. Removes brake fluid, oil, grease and other contaminants instantly. Evaporates quickly and is residue free. Contains no ozone depleting solvents or CFC’s. Hexane free. **Packaging: Aerosol**

SLIPPERY PULL A

SLIPPERY PULL A is a non-conductive, clear wire pulling lubricant for easy installation and removal of any type of wiring. Use for ease in pulling plastic, rubber or synthetic covered wire through plastic, aluminum or steel conduit. Protects conduit against internal corrosion. Will not harm conduit or wire and will not run out conduit ends. **Packaging: Aerosol**

SOY SOLV

SOY SOLV is an Earth-friendly, biodegradable solvent made from 100% soy bean oil. This industrial strength formula flushes away grease and oil, removes tar and asphalt, and cleans away ink, dirt, and grime. It is non-flammable with no harsh fumes. SOY SOLV is a non-petroleum solvent that can be used to easily clean industrial parts and equipment, automotive and aircraft parts, engines, tools, concrete floors, motors, equipment, and much more! Surfaces flushed clean with water will be residue free. **Packaging: Aerosol**

SUPER DUPER WRAP

SUPER DUPER WRAP is an extra wide self-fusing silicone repair wrap for larger scale applications. It is versatile and easy to use, with no sticky residue. SUPER DUPER WRAP creates a permanent air-tight, water-tight seal in seconds. Can be used for electrical wiring or as shrink-wrap, use to wrap tool handles for better grip, replace old sticky electrical tape, protect wire fittings from corrosion, and so much more! SUPER DUPER WRAP is resistant to fuels, acid, salt water and UV rays. It withstands 700 PSI and 500° of heat, plus it insulates 8,000 volts UL 510. Operating temperature range is -65°F to 500°F. **Available in Clear. Packaging: Rolls**
SUPER WRAP

SUPER WRAP is a self-fusing silicone repair wrap that has numerous applications and is a must have for any maintenance shop. It is versatile and easy to use, with no sticky residue. SUPER WRAP creates a permanent air-tight, water-tight seal in seconds. Can be used to repair leaks on pipes and hoses, for electrical wiring or as shrink-wrap, use to wrap tool handles for better grip, replace old sticky electrical tape, protect metal fittings from corrosion, and so much more! SUPER WRAP is resistant to oil, fuel, acid, solvent, salt water, and UV rays. It withstands 700 PSI and 500° of heat, plus it insulates 8,000 volts per layer, UL rated. Operating temp range is -50°F to 500°F. Available in Black, Blue, Brown, Clear, Green, Orange, Purple, Red and Yellow. Packaging: Rolls
**TRANSPORTATION & ABSORBENTS**

**ABSORB**
Absorbs liquids and odors while changing smelly liquids into an odorless semi-solid for fast easy cleanups. Scented with a pleasant lemon fragrance. **ABSORB** is ideal for emergencies and spills of food, drinks, chemicals, vomit, urine, blood or any other fluids. Each container will absorb up to 12 gallons of liquid. **Packaging: Canisters**

**ABSORBENT SOCKS**
These oil specific polypropylene booms can be linked together to form any length required for containing and absorbing oil spills. **ABSORBENT SOCKS** are designed to be virtually lint free on water. **Packaging: 4 and 6 Foot Lengths**

**ABSORBENT UNIVERSAL ROLL**
**ABSORBENT ROLL** is perfect for high traffic area applications! **ABSORBENT ROLL** prevents fluids from penetrating through the floor. Provides an excellent non-slip surface for work areas, absorbs 10 to 12 times its weight in oil, water, or chemicals. It is ideal for busy aisles and walkways next to leaky machinery, keeps floors dry and clean, protects floors by preventing scrapes and scratches. **Packaging: Roll 30’ x 50’**

**ACID ABSORB**
This industrial absorbent will soak up most any liquid and is for use on any spill or leak. Many absorbents specifically say ‘not for use on acids,’ but **ACID ABSORB** is specially formulated for this purpose. It will neutralize acids and acid by-products, making this a truly versatile absorbent. Use **ACID ABSORB** for any spill or leak that may contain acid such as heavy duty cleaners and drain openers to quickly neutralize the acid and help increase employee safety. **Packaging: Bulk**

**ALUMINUM BRITE**
**ALUMINUM BRITE** is an excellent ground transportation aluminum brightener. **ALUMINUM BRITE** is an acidic liquid designed for use as an aluminum deoxidizer with a pH of less than one and will not etch most metals. **ALUMINUM BRITE** cleans and brightens aluminum parts, removes anodic or chromate coatings, and is a great cleaner for aluminum vans and trucks. This product is non-flammable and non-explosive. **Packaging: Bulk**

**AUTO KLEEN**
**AUTO KLEEN** is a mild detergent that is specially compounded for washing cars, campers, trailers, tractors, trucks, golf carts, and much more. This powerful cleaner is not caustic or corrosive, and is therefore easier to work around than many other detergents while still having the ability to cut through road grime, dirt, and other soils. **AUTO KLEEN** will leave your vehicle spotless and film free. It is safe to use on all vehicle finishes, and is biodegradable. **Packaging: Gallons, Bulk**

**BATTERY CLEANER**
A neutralizing cleaner with an acid-alkali indicator. Removes corrosive build-up on battery terminal posts, cables and clamps. **BATTERY CLEANER** helps increase power output and extend battery life while leaving a short-term residual protective film on cleaned surfaces. Can be wiped or flushed off with water. **Packaging: Aerosol**
BATTERY GUARD
BATTERY GUARD is a light misting, purple coating designed to prevent rust, corrosion and battery failure. Provides a long term protection when applied to battery terminals, cable ends, wires, bolts, brackets, clamps and other metal components. One application is effective for up to 6 months. Packaging: Aerosol

BELT-TITE
BELT-TITE belt dressing is a resin based spray designed to increase power and performance by reducing slippage of all types of power belts including round, flat or V. Compatible with fabric, leather or rubber belts. Helps clean and prolong life of belts and reduces down time. BELT-TITE belt dressing will not glaze and does not attract dirt or dust. Packaging: Aerosol

BRAKE KLEEN
BRAKE KLEEN is a residue free, fast drying, heavy duty formula that removes brake fluid, grease oil, dust, operating erosion and other contaminants from brake parts, pads, discs. Lining and drum. Features a 360° flush action valve that allows spraying in an upright or inverted position. Helps stop disc brake squeal and chatter, extends the life of brake assemblies and improves brake performance. Packaging: Aerosol

CARB CLEAN
CARB CLEAN is an ultra high volatility formulation that dissolves carburetor deposits and fuel system contaminants such as gum, sludge and varnish. Helps improve fuel system performance and insure maximum fuel economy. CARB CLEAN will not harm oxygen sensors or catalytic converters. Packaging: Aerosol

COOL DOWN
COOL DOWN is a heat sink especially designed for brazing. COOL DOWN protects valves, controls and surrounding areas from heat damage. Simply spray on surrounding areas or completely encircle copper tubing to prevent heat transfer. Packaging: Aerosol

D-ICE
D-ICE is a high pressure spray that quickly dissolves ice, frost and snow from windows and windshields, and thaws frozen locks. D-ICE helps prevent freezing when used in advance. Eliminates scraping and possible damage to glass, and the need for lengthy vehicle warm ups to clear frost. Packaging: Aerosol

DETAILER
DETAILER Polish is an aerosol wax that sprays on and buffs effortlessly to create a hard shell finish. Excellent wax and polish for anything that needs reviving. Also, maintains the beautiful factory-original shine! Packaging: Aerosol

DISPOSABLE CLEAN UP KIT
A must have in emergency situations, DISPOSABLE CLEAN UP KIT contains everything needed for prompt and proper cleanup of vomit, urine, feces, and blood. Kit includes: cleanup absorbent pack, gloves, scoop, scraper, red biohazard bag with tie, germicidal cloth, disposable towel, antiseptic hand wipe, instructions and exposure report. Packaging: Individual Kits, Nitrile or Latex

G.T.S.
G.T.S. will improve your visibility while driving in the rain, sleet, or snow. It repels rain, causing the water to bead and run off the glass while driving. It also leaves a protective coating that makes removal of ar, frost, ice, salt, mud and bugs easier. Packaging: Aerosol
GO AWAY

GO AWAY a non-corrosive natural citrus base tar and asphalt remover that contains no harmful vapors and is biodegradable. It contains no chlorinated solvents or petroleum distillates. GO AWAY is a non-caustic, non acid high pressure spray that is safe for most vehicles and breaks down tar, asphalt, grease, etc. **Packaging: Aerosol**

H2O BARRIER BAG

Its a portable sandless sandbag when expose to fresh water and it will absorb, swell, contain and divert problem water. The H2O BARRIER BAG is light weight, easy to store and deploy. Its easy to stack, ready to use and compact and reusable. It is also environmentally friendly and non-toxic. **Packaging: Individual bags**

HAND HEAT PADS

HAND HEAT PADS are air activated and will provide up to 10 hours of soothing warmth to help endure cold climate situations, they are individually packaged so you can take anywhere. **Packaging: Individual packets**

HI SHINE

HI SHINE is a unique polish for automobiles, trucks and marine finishes. HI SHINE polish produces a deep, lustrous shine that will not harm the finest finish. Protects with carnauba wax and PTFE. HI SHINE makes waxing fast and easy, simply spray on, allow HI SHINE to haze and buff to a high-gloss durable finish. HI SHINE can be used on trucks, buses, automobiles, boats, motor homes, jet skis, snowmobiles and motorcycles. HI SHINE can also be used to polish elevator doors, aluminum, stainless steel and chrome. **Packaging: Aerosols**

ICE MELT

This product starts to work instantly, 2 to 5 times faster than rock salt and blended ice melters, generating heat on contact even in sub-zero temperatures down to -25°F. It is great for sidewalks, driveways, and parking areas and does not leave any white residue. It is gentle to lawns and concrete when used as directed, and will not burn dog paws like rock salt can. ICE MELT contributes less to concrete scaling than other commonly used de-icers, and works longer, use much less than rock salt. **Packaging: Bulk**

KLEEN N SHINE

This mild detergent is specially compounded for washing cars, campers, trailers, tractors, trucks, golf carts and much more. KLEEN N SHINE will leave your vehicle spotless and film free. It is safe to use on all auto and truck finishes and is biodegradable. **Packaging: Gallons, Bulk**

MEGA CLEAR

MEGA CLEAR Aerosol is designed to clean and polish windows, mirrors, windshields, tile, enamel, chrome, porcelain, plastics, plexiglass and painted surfaces. Non-static formula does not attract dust particles. Formulated with rapid wetting agents and surfactants. Eliminates cold weather streaking problems. MEGA CLEAR Quart ready to use glass cleaner cleans glass, refrigerators, stove tops, stainless steel, display cases, chrome fixtures, ceramic tiles, counter tops, TV screens, mirrors, etc. **Packaging: Aerosol, Quarts**

MEGA CLEAR CONCENTRATE

This non-streaking, film free glass cleaner can be diluted up to 50:1 and is one of the best industrial glass cleaners available. MEGA CLEAR CONCENTRATE will remove smoke, dirt and grimy films on glass, countertops, windshields, porcelain plus any polished metal surface. **Packaging: Bulk**
MEGA CLEAR JELL

MEGA CLEAR JELL is a streak-free, ready-to-use formula that dissolves film, light to heavy soils, fingerprints, lipstick, bugs and much more. Ideal for glass, windshields, windows and mirrors. Ideal for vertical surface cleaning. It’s the cleaner that clings. Contains a pleasant odor neutralizer, formulated to kill malodors at their source. **Packaging:** Quart

MEGA POWER

This is a highly concentrated, extremely powerful grease fighter that will quickly clean the toughest grime. MEGA POWER is effective on grease, oil, brake dust, road grime, encrusted bugs and more without harming paint or interiors. Despite it’s aggressive behavior MEGA POWER is safe on all surfaces including carpet and fabrics. Non-flammable, non-toxic, non-corrosive and biodegradable. **Packaging:** Quarts, Gallons, Bulk

MEGA SORB

MEGA SORB absorbs up to 8 times more than clay products and will absorb most liquids on contact. MEGA SORB can be disposed of safely in landfills unlike clay based products. This product contains cellulose fiber and micro-organisms that will help bioremediate and break down most hydrocarbons; they actually feed on the hydrocarbons and consume the oil as food. MEGA SORB will not leach into the environment up to saturation point. Safe around agriculture and livestock. MEGA SORB reduces volatility of flammable spills. It can also be used to remediate contaminated soil as it will extract hydrocarbons (oil) from less absorbent materials like dirt and soil. **Packaging:** Gallons, Bulk

NATURAL WAY

NATURAL WAY is a highly concentrated, all natural citrus based organic solvent blend designed for all heavy duty degreasing and drain maintenance. NATURAL WAY is the most powerful of our natural citrus based products. The high concentrate level of this product allows the user the flexibility to emulsify heavy grease buildup or to dilute with water for general cleaning. NATURAL WAY breaks down grease and grime buildup and will clean drain lines, garbage disposal units and grease traps while removing foul odors. Quickly removes grease, oil, tar, adhesives and more from most surfaces and is ideally suited for most cleaning and degreasing applications. NATURAL WAY is 100% biodegradable. **Packaging:** Pints, Quarts, Gallons, Bulk

NATURAL WAY II

THE NATURAL WAY II is all natural, all-organic, and biodegradable solvent blend. Contains no hazardous chlorinated solvents. Quickly removes grease, oil, tar, adhesives and more from most surfaces. Ideally suited for most cleaning and degreasing applications. Has a fresh citrus aroma. **Packaging:** Quarts, Gallons, Bulk

NON-SELECTIVE PADS

NON-SELECTIVE PADS are designed to soak up any type of liquid (water, petroleum and chemical based fluids) that may be spilled, or that may drip from filling machines, shop equipment, or any other source of liquids. NON-SELECTIVE PADS are great to have in case of a spill so that the floor area stays cleaner and the spill is contained in a smaller area, without flowing into drains, under heavy equipment, or other hard to clean areas. **Packaging:** 100 Pad Bundle

OIL FREE OMEGA SWEEPING COMPOUND

OIL FREE OMEGA SWEEPING COMPOUND does not contain harsh chemicals to extend shelf-life. A maximum shelf-life of 1 Year is recommended. Regular use of OIL FREE OMEGA SWEEPING COMPOUND will help protect furniture, fixtures and merchandise from dust accumulation. Prevent sickness and disease by absorbing germ-laden dust. Save on cleaning cost by minimizing the need for dusting and keep floors in a sanitary condition. **Packaging:** Bulk
OIL PADS

OIL PADS are absorbent pads for soaking-up oil spills of any size. OIL PADS are great to have in case of a spill so that the floor area stays cleaner and the spill is contained in a smaller area, without flowing into drains, under heavy equipment, or other hard to clean areas. Ideal for marine applications where high absorption capacity is desired. **Packaging: 100 Pad Bundle**

OMEGA WINTER GUARD

OMEGA WINTER GUARD is a newly developed ice repellent that will stick to any surface, thus preventing ice build-up or adherence. OMEGA WINTER GUARD does not run off like low viscosity products, giving maximum ice prevention at minimum product consumption. **Packaging: Pails**

OXY FOAM

OXY FOAM is a non-abrasive, foam-type cleaner/polish for removing oxidation from headlights, aluminum, stainless steel and chrome. OXY FOAM restores a bright shiny finish to all originally bright metal surfaces leaving a residual protective coating to protect against future oxidation. **Packaging: Aerosol**

P. G. C.

PAVER’S FRIEND

PAVER’S FRIEND is a unique blend of methyl ester and surfactants developed exclusively for Omega in order to meet the special needs of the asphalt paving industry. It is designed to replace diesel fuel for cleaning as asphalt release. You get all the benefits of diesel without the negative environmental impact. this water soluble formula is great for use in every aspect of the paving job. **Packaging: Bulk**

PLUG IT

It seals off gasoline, diesel, solvents, and other chemicals. Plug It seals immediately and sticks to dirty, crumpled surfaces even with the fluid flowing out. No surface preparation is required. It will plug up to 32 of head. Not recommended for some bio-fuels and some chemicals. **PLUG IT** is ideal for including with a spill response kit. **Packaging: 1lb container**

POW!

POW! is an ultra dense foam which allows for extended degreasing time to clean deep down into the microscopic pores of the surface. It deodorizes while degreasing and leaves a citrus scent. POW! combines nature’s unique cleaning capabilities with a powerful mega force spray foam to create the ultimate biodegradable cleaning product. **Packaging: Aerosol**

PW CONCENTRATE

PW CONCENTRATE is an all-purpose industrial cleaner and degreaser that has an incredible zero rating in the three NFPA categories of flammability, health, and reactivity when diluted. It is so safe that it can be virtually used on any surface. **Packaging: Gallons**
RESTORE
A light foam cleaner and surface protectant that cleans, restores, and protects vinyl, leather, plastic and rubber. RESTORE contains special additives that protect surfaces from sun damage, fading, drying and cracking. Leaves a high luster gloss finish without a heavy, greasy residue.  
Packaging: Aerosol, Gallons, Bulk

RESTORE WATERMELON
RESTORE WATERMELON is a new and improved vinyl/plastic coating with a watermelon scent. RESTORE WATERMELON provides a water-resistant high gloss shine to brighten any plastic or vinyl surface. Great for those hard-to-reach places. Packaging: Aerosol

S.P.C.
S.P.C. deposits a hard, slippery layer of silicone on plow blades and other snow removal equipment. Snow slides off treated surfaces easier and faster, allowing more snow to be moved with less fuel and less wear on equipment. In addition, the impervious silicone layer protects metal surfaces from rust and corrosion when in use and in storage. Packaging: Bulk

SEEK THE LEAK
SEEK THE LEAK’s advanced sensitive solution is formulated to pinpoint even the smallest of leaks. Suspends dirt so the particles will not drastically reduce the sensitivity of SEEK THE LEAK. The unique formula allows SEEK THE LEAK to cling to pipes for extended periods of time. Excellent for locating refrigeration leaks in any refrigeration system, air conditioners, refrigeration units, walk in coolers, window units, refrigerators, etc. It can also be used to locate nitrogen and natural gas leaks. SEEK THE LEAK is biodegradable, non-toxic and non-corrosive, easy to use, and oxygen safe. Packaging: Quarts

SPRAY SHINE
SPRAY SHINE is an innovative product that will easily wash and shine vehicles and equipment without wasting water or washing chemicals down the drain. Simply spray-on SPRAY SHINE, then wipe and buff to a glowing shine. SPRAY SHINE can be used on all non-porous and painted surfaces, metals, plastics, and glass. Great for trucks, SUV’s, cars, forklifts, and other equipment. Packaging: 24oz bottles

SWEEPING COMPOUND
SWEEPING COMPOUND is a ready to use sand-based, highly absorbent compound that makes sweeping less dusty, keeping dirt particles from re-settling on other surfaces. Protect your employees and patrons from breathing dust particles. This compound is highly absorbent and contains an industrial pine oil that absorbs and holds dust while sweeping. SWEEPING COMPOUND is easy to use and will not leave the floor surface slippery. Packaging: Pail

TIRE SHINE
TIRE SHINE is a quick, easy-to-use instant gloss spray that restores shine, body, moisture and life to dried out, dull tires and trim. Renews faded tire side walls, bumpers, rubber seals and weather stripping to like-new condition. Restores color and provides a durable, long-lasting shine. Treated surfaces are protected against harmful UV rays that can cause cracking, fading and premature aging. Packaging: Aerosol
**TRUCK BED COATING**

**TRUCK BED COATING** is a thick, durable black sealant that forms a protective skin that is both tough and flexible. Protects against corrosion and abrasion, withstands impacts, provides improved traction, and resists water. With its fast cure time and excellent adhesion, **TRUCK BED COATING** is convenient to use and will greatly extend equipment and vehicle life expectancy. *Packaging: Aerosol*

**WATER GUARD**

**WATER GUARD** is a synergized water-based formula that delivers a durable, invisible coating under ambient cure conditions. It makes glass, tile and ceramics scratch-resistant. **WATER GUARD** reduces the coefficient of friction and makes polishing and wiping easier. *Packaging: Quarts*

**WEATHER SEAL**

**WEATHER SEAL** is a semi-permanent, high strength rubberized polymer blended undercoating that you can apply in your own shop with your own people. **WEATHER SEAL** is sodium, magnesium and calcium chloride resistant. **WEATHER SEAL** solves common problems in maintaining a fleet. Most importantly, shortened life span of trucks, buses, cars and equipment as a result of widespread use of aggressive ice-melt products to keep our roadways safe and open during the winter. *Colors available: Black. Packaging: Aerosol*

**WINDSCREEN FLEET PACK**

**WINDSCREEN FLEET PACK** is a concentrated tablet. Each Windscreen tablet can make a gallon of detergent cleaning solution. Just add one windscreen tablet to one gallon of water. You may add the tablet directly to the car’s reservoir or mix in a separate container and pour in just enough to fill the reservoir. Then use the rest to clean the windows and mirrors etc... *Packaging: Tablets*
ALL WIPES

ALL WIPES is an all purpose wipe pre-saturated with isopropyl alcohol cleans surfaces without leaving a residue. ALL WIPES quickly clean high use surfaces such as clean rooms, doorknobs, phones, slot machines, countertops, keyboards, shopping cart handles, remotes, railings and more.

Packaging: Canisters of pre-moistened wipes

ALWAYS SHINE WIPES

ALWAYS SHINE WIPES are a convenient way to help resist finger marking and smudges. Use on stainless steel, aluminum, brass, copper, and more. Contains no chlorinated solvents, acids, alkalis, abrasives or heavy creams.

Packaging: Canister of pre-moistened wipes

DRY TASK WIPES

DRY TASK WIPES are a single ply wipe that has a built-in polyfilm dust layer. Great for use on eye glasses, computer screens, cell phone/tablet screens, etc. DRY TASK WIPES come in a pop up box keeping them clean and ready to use.

Packaging: Bulk

GERM-A-WAY

GERM-A-WAY Disinfecting Wipes are formulated to disinfect hard, non-porous surfaces such as walls, counter tops, metal and stainless steel surfaces, porcelain, tile, plastic, bathroom stalls, shower stalls, desks, doorknobs, tables, telephones, exercise machines and more. GERM-A-WAY Disinfecting Wipes are safe enough to use to clean personal protective safety equipment, protective headgear, hard hats, respirators, goggles, face shields, silicone rubber or PVC hearing protectors, and ear muffs. Effective for disinfection against E.coli, Salmonella choleraesuis, Tuberculosis, Staphylococcus and more. GERM-A-WAY Disinfecting Wipes are an effective virucide against HIV-1, Norwalk Virus and Feline calicivirus. Not for personal cleansing. EPA Registered.

Packaging: Canister of pre-moistened wipes

JUMBO WIPES

JUMBO WIPES are designed to clean and deodorize any surface, anytime. They are quick and easy to use and are ideal for use on tile, glass, metals, equipment, tables, counters, or any other hard surface in athletic clubs, schools, stores, offices, shop areas, and other institutional uses. The wall mounted dispenser allows for quick convenient individual use. JUMBO WIPES have a pleasant scent leaving the room smelling clean and fresh. The handy dispenser may be mounted to the wall with towels dispensing up or down.

Packaging: Roll of pre-moistened wipes with dispenser

LENS WIPES

Use LENS WIPES to keep all optical lenses clean and clear, including prescription eye glasses, sunglasses, safety goggles, face masks, and other eye shields. LENS WIPES can be put into a pocket, tool box, or glove compartment so that they are readily available.

Packaging: Individually Packaged Wipes
MEGA CLEAR WIPES
MEGA CLEAR WIPES are the fastest and easiest way to clean glass, mirrors, and other surfaces and keep them looking good. MEGA CLEAR WIPES are ammonia and lint free and will not streak or leave any residue to interfere with visibility. Can be used on any surface to remove dirt, grime, oil, smudges, fingerprints and more! **Packaging: Canisters**

MEGA ROLL TOWEL WIPE
MEGA ROLL TOWEL WIPE is a low-lint, latex-free, cellulose and synthetic based disposable wipe that offers superior wet strength, absorbency and versatility for light to heavy duty wiping applications. **Stand Dimensions:** 3 feet tall 1 ft 4 in wide **NOTE:** Stand has a serrated edge that can cut through towel to make it any size you like. **Packaging:** 475 12” x 12” towel wipes per roll.

MEGA SORB INDUSTRIAL WIPES
MEGA SORB INDUSTRIAL WIPES material is strong, absorbent and virtually lint free wiper that can tackle the toughest jobs. Great for any job that needs a tough wiper. Equivalent to popular hydro entangled products in the market place. **Wipe size 9”x17”** **Packaging:** Box

MUSCLEMAN
MUSCLEMAN is a superior value hand cleaner/towel combination. The thick textured towels aid in cleaning soils from hands and encapsulated the lifted dirt while the hand cleaning solution dissolves grease, grime, oil, lubricants, paints, adhesives, inks, tar and more. MUSCLEMAN does not contain any solvents that dry out of the skin. Contains five conditioners and an antiseptic agent that helps prevent infection. **Packaging:** Container of Pre-Moistened Towels

OMEGA SANITIZING WIPES
These sanitizing towels are made from a non-abrasive fabric that is gentle to skin. They’re ideal to both clean and sanitize when soap and water are not available. Plus, each towel is fortified with emollients and natural oils to prevent chapping. OMEGA SANITIZING WIPES can be used to clean and disinfect hard surfaces as well. EPA Registered. **Packaging:** Tubs and Packets of Pre-moistened Towels

OMEGA SANITIZING WIPES LEMON
OMEGA SANITIZING WIPES LEMON hand sanitizer wipes are a one-step system combining both an abrasive non-scratching wipe and a highly effective skin sanitizing formula. OMEGA SANITIZING WIPES LEMON hand sanitizer wipes absorb and remove disease causing germs and bacteria. This product contains a highly effective antimicrobial formula that assures a rapid kill. OMEGA SANITIZING WIPES LEMON hand sanitizer wipe’s unique formula reduces the risk of infection by killing 99.9% of disease causing organisms. **Micro-Organism (Exposure Time):** Pseudomonas aeruginosa (10 Seconds) • Staphylococcus aureus (10 Seconds) • Escherichia Coli (20 Seconds) • Streptococcus pyogenes (10 Seconds) • Salmonella choleraesuis (10 Seconds) • Candida albicans (10 Seconds) • Staphylococcus aureus – MRSA (10 Seconds). **Packaging:** Tubs of Pre-moistened Towels
RESTORE WIPES

RESTORE WIPES are the fast and easy way to clean and protect all surfaces of your vehicle. Premoistened with an advanced water-based silicone formula. RESTORE WIPES condition and protect leather, vinyl, plastic and rubber surfaces, both inside and outside the vehicle, while they clean and restore the surface’s original shine. RESTORE WIPES keep dashboards from drying, cracking and fading under the intense rays of the sun. They also clean and restore the “showroom shine” to parts: side moldings, rubber bumpers, cup holders, door and window seals and even plastic hub caps. Best of all, RESTORE WIPES have a special added anti-static ingredient that repels dust and keeps surfaces looking new long after they’ve been cleaned. Packaging: Pre-moistened Wipes

ROUGH MAN HAND TOWELS

These heavy duty hand cleaning towels will cut through tar, grease, wax, ink, lubricants and adhesives, plus effectively remove lead and reduce exposure to heavy metals. ROUGH MAN HAND TOWELS are gentle to the skin and leave no residue. The towels have an abrasive side and a smooth side for increased efficiency and cleaning power. ROUGH MAN HAND TOWELS can also be used to clean surfaces such as tool handles, workbenches, vehicle interiors that have been soiled with grease and oil, and many other non-porous surfaces. Great for use on job sites and work areas where water is not available. Packaging: Container of Pre-Moistened Towels

SINGLEMAN

SINGLEMAN is a convenient hand cleaner/towel combination that eliminates the need for soap and water. These convenient individually packaged towels are saturated with a special heavy-duty hand cleaning solution. The thick textured towels aid in deep cleaning soils from hands and encapsulating the lifted dirt while the hand cleaning solution effectively dissolves grease, grime, oil, lubricants, paints, inks, adhesives, tar and more. Packaging: Individual Packet

SOAK IT UP

SOAK IT UP Absorbent Pads absorbs up to 12 Times their Weight in Fluid. This bright yellow absorbent pad comes in a dispenser box and is ideal for use where high visibility is needed to indicate caution and awareness. Safely absorb all fluids including oil, coolant, paint water, blood, acids, bases and other liquids. Ideal for use with chemicals, bio-fluids and more. Packaging: Dispenser box.

TOUGHMAN TOWEL

TOUGHMAN TOWEL multi-purpose two sided wipes are built for ultimate performance. The abrasive side cuts through the toughest soils, while the smooth side allows for wiping the most delicate surfaces. Fortified with new generation cleaning agents and unmatched skin conditioners. This one wipe does it all! Try TOUGHMAN TOWEL on grease, grime, oil, tar, and many other soils. Can be used as a hand cleaner or surface wipe to take on the toughest jobs. Packaging: Container of Pre-moistened Wipes

WIPE OFF (Regular, Mini & Xtra)

WIPE OFF graffiti remover wipes contain powerful cleaners that quickly attack all forms of graffiti. Scrubbing action is built into the fabric to complement the effective formula. Removes graffiti caused from most paints including tough enamels. Does not contain methylene chloride or other harsh chemicals leaving towel safer to handle. Towels remain moist in container until ready for use. Can be used on many surfaces including: bathroom partitions, phone booths, lamp posts, bus stops and seats, desks, wall tile, trains, aluminum siding, road signs, stainless steel, billboards, lockers. Effectively removes graffiti from almost any hard surface. Packaging: Pre-moistened Wipes
