

Blast

Heavy Duty Degreaser and Coil Cleaner

BLAST blasts away lint, dirt and dust from coils with a shot of super compressed solvent. **BLAST** knocks out residue quickly without rinsing. Evaporation rate is formulated to allow **BLAST** to dissolve all dirt and contaminants. It dries quickly and leaves no mess. **BLAST** is excellent for use in environments such as restaurants and fast food operations where water rinsing is not possible. Works great on ice machines, vending equipment, self-contained freezer units and on any other refrigeration condenser coils. Try **BLAST** on window air conditioners for efficient removal of leaves and grass clipping from coil.

Directions: Read all warnings and directions before using. To avoid staining, place cardboard behind coil to collect spray. Remove lint from face of coil if possible. Spray **BLAST** into coil as required to remove dirt and contaminants. One can of **BLAST** will clean several coils depending on the amount of dirt and size of the units.

NOTE: May damage styrofoam and some plastics. Pretest small area before using.

Health	2
Flammability	1
Physical Hazard	0
Protection	B

Areas of Use:

- *Industrial Equipment
- *Heating & A/C Coils
- *Automotive Parts
- *Marine Equipment
- *Generators & Motors
- *Power Tools
- *Refrigerator & Freezer Coils

Appearance and odor.....	Clear, colorless spray, Chlorinated solvent odor.
Specific Gravity (H ₂ O=1).....	1.10
VOC %	96%
Net Wt.	19 oz.
