

# D-ICE

Melts Ice, Frost, and Snow

**D-ICE** quickly dissolves ice and frost from windows and windshields, plus it thaws frozen locks and hinges. Spray on head lights to remove ice and frost for brighter and safer driving. Eliminates scraping which can damage glass. Causes no distortion and will not gum. Rinse clean with water. **D-ICE** helps prevent freezing when used in advance. **D-ICE** can also be used on steps and walkways for quick melting of dangerous icy areas. With a health rating of 1, **D-ICE** is much safer to use than most other ice melting products.

**Directions:** Brush off loose snow. Spray windshield starting at the top. Start wipers after ice has melted. If window smears because of over application, remove excess with clean cloth.

**Note:** Sprays best when contents of can are above 60°F.
