

Fast Cherry

Cherry Scented Penetrating Lubricant

FAST CHERRY penetrating oil is a premium formula that protects against the harmful effects of moisture and corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing moisture and rapidly breaks down rust. Excellent for removing parts, fasteners and mating connection, as well as, protecting metal from further corrosion. **FAST CHERRY** has a rapid penetrating action that breaks rusted bolts free, it can be used on motors, wire cables, rusted parts, ignition systems, machine parts, door hinges, locks, nuts & bolts, and refrigeration equipment.

Directions: Spray liberally directly on area to be treated. Reapply periodically as required.
