

# Marble Floor Cleaner

## No Rinse Marble Floor & Sealed Wood Cleaner

**MARBLE FLOOR CLEANER** is a new concept in detergent cleaners. It is formulated with unique surfactants that make it a true no rinse product. It penetrates and dissolves stubborn soils from walls, floors, linoleum, ceilings, counter tops, tables, bathrooms and any surface not harmed by water. **Marble Floor Cleaner** is safe on all finishes and contains no soap, acid, ammonia, alkali, phosphates or other harsh chemicals. It is biodegradable. It is environmentally friendly and gentle to people. It's formulated to be free-rinsing, even in hard water. **Marble Floor Cleaner** is easy-to-use. Clean any washable surface by spray or mop. And since it does not attack finish, it leaves floors shining bright.

### DIRECTIONS

**Marble, Asphalt Tile, Vinyl, Linoleum, Ceramic Tile, Gym, Asphalt Tile, Sealed Wood, Terrazzo and Rubber Floors:**

1. Remove any gum, labels or other stuck on soils with a scraper.
2. Dust mop the floor to remove all loose dirt and trash.
3. Mix Marble Floor Cleaner in a bucket, sprayer or auto scrubber as follows: **Light Cleaning:** 2 ounces per gallon of water. **General Cleaning:** 3 ounces per gallon of water. **Heavy Cleaning:** 4 ounces per gallon of water. Use hot water if the floor is extra dirty.
4. Mop, sponge, spray or auto scrub the entire area. Be sure to use the right pad with your auto scrubber.
5. Rinse and clean again if any residue is present. Change the rinse water frequently. Once clean there is no need for a final rinse.
6. Allow the floor to dry completely before allowing foot traffic.
