

Natural Way Lemon

Drain Maintenance & Degreaser

NATURAL WAY LEMON is a 100% organic formula representing a completely new approach in one-step degreasing and deodorizing. **NATURAL WAY LEMON** is non-corrosive and contains no petroleum solvents. It is safe on any surface not harmed by water. **NATURAL WAY LEMON** quickly penetrates and dissolves silicone sealant, heavy grease, gum, mascara, wax, lipstick, crayon, fresh oil-based paints, sticky residues from tape and labels, resins, tar, asphalt, mastic and adhesives. **NATURAL WAY LEMON** also unclogs grease traps and drains. Use **NATURAL WAY LEMON** on autos, busses, boats, planes, trailers, barbecue grills and exhaust fans.

Directions: Carpets and Upholstery: Apply with a clean cloth. Gently work away gum, tar, grease and oil. Do not saturate or wet carpet backing. May cause temporary swelling. Finish by shampooing the area. **Drains and Grease Traps:** For preventative maintenance, apply 2 to 4 ounces per night through kitchen, bath and shower drains. Let stand 8 hours or more, then flush with water. **NATURAL WAY LEMON** will not dissolve paper, hair or vegetable matter. Leaves a fresh lemon aroma. **Wallpaper:** Use a cloth moistened with **NATURAL WAY LEMON**. Lightly rub soiled area. Wipe clean with a dry cloth. **Communication & General Industry:** Pour **NATURAL WAY LEMON** over tools or parts. Use a cloth or brush to remove grease and tar. Wipe dry with a clean cloth. **CAUTION:** For vinyl, follow the manufacture's instructions for the use of solvents.
