

Omega Enamel

Enamel Spray Paint

OMEGA ENAMEL is a economical, durable, protective, beautiful and quick drying spray paint. **OMEGA ENAMEL** is free of lead hazards and is safe to use on furniture and decorative items. **Available In:** Red, Dull Aluminum, Green and Gloss White.

DIRECTIONS FOR USE

1. Protect the surrounding area with drop cloths or newspapers.
2. For best results, can temperature should be below 70°F to 90°F.
3. Shake can vigorously for one minute after mixing ball begins to rattle.
4. Aim opening of spray button toward the surface and away from you. Fingertip should not extend over the front of the spraybutton.
5. While holding the can 12" to 16" from surface, press spray button rmlly and move back and forth in a steady even motion. For the best finish, apply several thin coats until hiding is achieved.
6. If additional coverage is necessary, apply within 2 hours or after 8 hours to avoid lifting.
7. Clean the spray button immediately after use by turning can upside down and pressing spray button for five seconds or until no more paint comes out.
8. If spray button becomes clogged, wear eye protection, wipe off the button opening with lacquer thinner - DO NOT stick pin in spray button opening.
