

Pan Kleen

Condensate Pan Strips

PAN KLEEN is a microbiocide pan strip for commercial and industrial air conditioning drip pans, computer room equipment, refrigerated vending machines, swamp coolers, display cases and cold storage walk-ins. **PAN KLEEN** produces a continuous release of an active ingredient that controls fouling and inhibits the growth of slime forming and odor causing bacteria, organic buildup, scale, and corrosion deposits. Not for heat vaporizing or atomizing type vaporizer/humidifiers. Comes in 2 ton, 5 ton, or 10 ton sizes to fit your unit needs. (2,5 and 10 ton shown) EPA Registered.

Directions: Place **PAN KLEEN** in unit drip pan. Replace when piece inside net is completely dissolved. Wash thoroughly with soap and water after handling.
