

PYTHON SOCK ORIGINAL SCENT

Extra Strength Odor Control

PYTHON SOCK ORIGINAL SCENT is an air controlled, large area deodorizer. Each sock provides 30-45 days of deodorizing. **PYTHON SOCK ORIGINAL SCENT** is specially designed to hang and deodorize odors in elevator shafts, sewers, dumpster areas, garbage collection areas or anywhere strong odors are present.

DIRECTIONS

Unwrap individual **PYTHON SOCK** and hang from the looped end of the sock in a centralized location nearest the odor source. Due to the concentration, some dripping may occur. **PYTHON SOCK** will last up to 45 days depending on airflow. **DO NOT** hang over painted surfaces or decorative floors.
