

# Repel Pin

Insect Repellent

The **Repel Pin** repels flying biting insects and many other annoying flying pests. The **Repel Pin** is not activated until the package is opened. Once opened, they are effective for up to 200 hours. With the EPA recently banning certain chemical repellents, the **Repel Pin** has become the solution to toxic, greasy, lotions and sprays. The **Repel Pin** is simply the best natural insect repelling product available. It is safe for children & pets.

**Directions:** Open package and pin on to clothing.
