

SELECTIVE KILL

Broadleaf Dilutable Weed Kill

SELECTIVE KILL is a professional-strength, water-dilutable selective herbicide concentrate designed to effectively control a wide variety of broadleaf weeds while protecting established turf or grass when used as directed. **SELECTIVE KILL** delivers reliable post-emergent weed control without harming most desirable grasses. It's concentrated formula mixes easily with water and provides an efficient solution for maintaining healthy, attractive, weed-free turf. **EPA Registered.**
