

# San Clean Q

Foaming Germicidal Cleaner

**SAN CLEAN Q** is designed for general household cleaning and disinfecting in homes, nursing homes, hospitals, institutions, offices, schools, motels and hotels. When used as directed **SAN CLEAN Q** is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, door knobs, light switches, shower stalls, hampers, cabinets and bed springs). In addition, **SAN CLEAN Q** deodorizes those areas which generally are hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, basements, and other areas which are prone to odors caused by microorganisms. When used as directed, **SAN CLEAN Q** demonstrates effective disinfection against Staphylococcus aureus, Salmonella enterica and Pseudomonas aeruginosa, thus meeting requirements for hospital use. Efficacy tests have demonstrated that **SAN CLEAN Q** is an effective one-step cleaner-disinfectant in the presence of organic soil (5% blood Serum). **SAN CLEAN Q** is fungicidal against Pathogenic fungi (T.mentagrophytes) when used as directed on hard surfaces found in bathroom, shower stall and locker room or other clean hard non-porous surfaces commonly contacted by feet. **MOLD and MILDEWSTAT: SAN CLEAN Q** inhibits mold and mildew and the odors they cause on hard non-porous inanimate surfaces.

**Directions: DISINFECTION, CLEANING and DEODORIZING:** To disinfect, clean and deodorize hard non-porous surfaces such as bathroom tiles, fixtures, shower stalls, walls, sinks and bathtubs, proceed as indicated. (1) Hold container six to eight inches from surface to be treated. (2) Spray area until it is covered with the solution. Allow **SAN CLEAN Q** to penetrate and remain wet for 10 minutes. No scrubbing necessary. (3) Wipe off with a clean cloth, mop or sponge. **SAN CLEAN Q** will not leave grit or soap scum. For heavily soiled areas, remove gross soil before treatment.

Health	1
Flammability	0
Physical Hazard	0
Protection	A

**Areas of Use:**

- \*Schools
- \*Retirement Facilities
- \*Parks/Recreations
- \*Hotels
- \*Hospitals
- \*Meat & Poultry Plants
- \*Amusement Parks
- \*Restaurants

Appearance and odor.....	Clear liquid with rainbarrel scent.
Specific Gravity (H2O=1).....	1.02 @ 77°F (25°C)
VOC % .....	<5%
Net Wt. ....	1 Qt.
