

Super Mend

Super Adhesive Spray

SUPER MEND is specifically formulated for use on uneven or porous surfaces. Can be used on cloth, leather, cardboard, foam, fabrics, and most plastics. **SUPER MEND** has high solids with a water-resistant bond. It is flexible, has quick tack, and has great temperature resistance. Always test in an inconspicuous area prior to use.

DIRECTIONS FOR USE

SUPER MEND works best at 70°F. Hold can 6 to 8 inches from surface to be covered. Apply an even coat, slightly overlapping on each pass to achieve complete coverage. Avoid adhesive build-up or puddles.

NOTE: After use, invert can and depress spray tip to clear valve and spray tip.
