

ANTIBACTERIAL HAND SOAP

- Biodegradable
- One-Step Hand Cleaner
- Extremely Mild to Skin

DESCRIPTION

- **ANTIBACTERIAL HAND SOAP** is an effective, one-step hand cleaner.
- **ANTIBACTERIAL HAND SOAP** is also recommended for use in food processing plants and restaurants by personnel prior to handling food and/or food-processing equipment.
- **ANTIBACTERIAL HAND SOAP** is formulated with only the most gentle ingredients making it extremely mild to your skin, yet tough on dirt. It leaves your hands soft and pliable. It's great as a head and body wash.
- **ANTIBACTERIAL HAND SOAP** works in all liquid soap dispensers. It is stable in water up to 400 ppm so it will not run, gel, or clog nozzles. Use it in health clubs, rest homes, restaurants, industrial plants and in the home. And because it is a liquid, there is virtually no waste as there is with bar soap.
- **ANTIBACTERIAL HAND SOAP** is also great for hand washing fine crystal, dishes, pots, pans, delicate fabrics, and hand washables. It's biodegradable, too.

ANTIBACTERIAL HAND SOAP is formulated with only the most gentle ingredients making it extremely mild to your skin, yet tough on dirt. **ANTIBACTERIAL HAND SOAP** contains agents that replace natural skin oils normally washed away by regular soap.

ANTIBACTERIAL HAND SOAP is formulated with a balanced, neutral pH formula for extra mildness for even the most sensitive skin. **ANTIBACTERIAL HAND SOAP** leaves your hands soft and pliable. It's great as a head and body wash. Use **ANTIBACTERIAL HAND SOAP** in health clubs, rest homes, restaurants, industrial plants and in the home because **ANTIBACTERIAL HAND SOAP** is a liquid, there is virtually no waste as there is with bar soap. **ANTIBACTERIAL HAND SOAP** provides over 2,400 generous hand washes per gallon.

DIRECTIONS:

Hand Washing: Insert into any liquid soap dispenser.

Rinse hands with warm water to remove any loose soil. Squirt a small amount into the palm of your hand and work into a lather. Make sure to clean under your fingernails. Rinse and repeat if necessary. Dry with a clean cloth or paper towel. **Body Washing:** Insert into any gel soap dispenser. Shower with warm water to remove any loose soil. Squirt a small amount into the palm of your hand, wash cloth or lather puff and work into a lather. Scrub entire body. Rinse and repeat if necessary. Dry with a clean terry towel.
