

CHILL OUT COOLING TOWEL

Light Weight Cooling Towel

CODE # H0029

CHILL OUT COOLING TOWEL can be used anywhere it's hot for a instant cool down!
CHILL OUT COOLING TOWEL is a light weight, chemical free, reusable towel that is machine washable and dries soft.

DIRECTIONS:

To activate simply wet the towel, wring out excess water, and wave it. To reactivate, re-wet and wave again for a cooling effect in seconds.

Care Instructions: Machine wash cold. No Bleach or Softeners. Tumble dry low. Do not iron. Keep away from flames. Dry towel before storing.
