

LOOSEN UP

Odorless Organic
Penetrating Lubricant

LOOSEN UP is non-conductive, harmless to paint and plastics and environmentally safe. **LOOSEN UP** contains no chlorinated or fluorinated solvents making it an ideal product to use in an environmentally conscious situation. **LOOSEN UP** penetrates and loosens frozen and/or rusted parts quickly. **LOOSEN UP** lubricates and leaves a residual film which reduces friction, for less wear and quiet, longer lasting operation. Displaces moisture by leaving an oil film that provides a chemical barrier that repels moisture.

Non-conductive: Will not interfere with circuits or electrical equipment up to 22,000 volts.

USDA Authorized for Use in Federally Inspected Meat and Poultry Plants.

DIRECTIONS

Remove protective cap. Point opening in desired direction. Hold container 6-12 inches from surface to be treated. Press button to spray. Spray liberally. Apply periodically as required
