

ROUGH MAN

Industrial Hand Cleaning Wipes

Pre-moistened, heavy duty towel with pumice scrubbing power. Works fast to loosen, dissolve and absorb dirt and grease. Deep cleaning scrubbers remove embedded grime easily. Fortified with emollients for the skin. **ROUGH MAN** powerful yet safe cleaning agents work together with an absorbent, non-scratching abrasive hand cleaning towel. The result is hands that are clean, with a citrus fragrance. **ROUGH MAN** are shop size, durable towels that quickly removes hard to clean substances including adhesives, caulk, epoxy, heavy grease, inks, lubricants, oils, paints (latex, lead, oil and water based), sealants, tar and much more!

DISPENSING INSTRUCTIONS

Remove lid. Pull towels up from the center of the roll and twist into a point. Push twisted towel through center of notched opening in the underside of the lid. Replace lid, making sure it fits securely.

DIRECTIONS

Open hinged cap on lid. Pull out wipe at a 90° angle and tear-off at perforation. Unfold towel. Use textured side for deep cleaning the toughest soils and the smooth side for general purpose clean up. Dispose of properly. Always reseal hinged cap to insure against moisture loss and contamination.
