

TOOL CLEANING WIPES

Cleaner & Lubricant

TOOL CLEANING WIPES, formulated with high-purity oil, provide exceptional protection against rust and corrosion across a wide spectrum of temperatures. **TOOL CLEANING WIPES** act as a cleaner, lubricant and protectant, allowing you to clean and condition your tools in one quick and easy step and are safe to use on all metal alloys, polymers and finished stocks. Avoid damage from corrosion with **TOOL CLEANING WIPES**. They are great for tools, firearms, auto parts, locks, knives, fishing reels, bicycles and any other items that subject to corrosion. Multi-purpose **TOOL CLEANING WIPES** clean tough soils and remove corrosion and grease while protecting tools with a built-in rust inhibitor and lubricant. **TOOL CLEANING WIPES** special formula makes them very versatile, polishing and brightening a variety of surfaces, including all stainless steel surfaces, formica, ceramic and porcelain. **TOOL CLEANING WIPES** are convenient with no messy liquids to clean up and no cloths to launder.

DIRECTIONS

1. Remove lid by lifting upward.
2. Pull towel from center of the roll & thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.
5. Dispose of cleaning wipe in the trash and wash hands.
