

UGLY CHIP GLOVES

PVC Chip Coated
2.0 w/Cuff

CODE # SE0062

Designed specifically for the rigorous demands of sewer and drain cleaning, the **UGLY CHIP GLOVE** features hard PVC embedded palms and 2.0 cuffs, providing superior grip and safety during tough cleaning jobs.

- **Effortless Cable Control:** The outer layer of PVC chips ensures smooth cable movement while offering enough grip to prevent binding and friction burns.
- **Enhanced Dexterity:** The jersey liner combines comfort with flexibility, allowing for precise control during drain cleaning tasks.
- **Durable Construction:** The heavy-duty yellow canvas outer shell stands up to the demands of the job, keeping your hands dry and protected.
- **Reduced Cable Pinches:** The comfortable design with chips minimizes fatigue, allowing you to work longer and harder.
