

Zap It

Instant Mold & Mildew Remover

ZAP IT is a extra strength instant mold and mildew cleaner and stain remover that instantly removes stains, soap scum, and other unsightly spots without the need to scrub. **ZAP IT** is easy to use, and can be used anywhere mold, mildew, and stains are a problem. Great for interior or exterior use on concrete, vinyl, tile, grout, cemetery headstones, marble, granite, bronze, canopies, awnings, wood, concrete and many other surfaces. **ZAP IT** removes rings from toilets and tubs and can be used to prepare wood and concrete surfaces for painting. Once the area is free of mold and mildew stains use Omega's **SAN CLEAN** to sanitize the area and for regular cleaning to prevent re-growth.

Directions: Spray directly onto the surface to be cleaned. Allow to saturate area and let work for approximately 5 minutes - up to 30 minutes for extremely difficult stains. Rinse once stains disappear.
