

Mega Clear

Glass Cleaner

MEGA CLEAR Aerosol is designed to clean and polish windows, mirrors, windshields, tile, enamel, chrome, porcelain, plastics, plexiglass and painted surfaces. Non-static formula does not attract dust particles. Formulated with rapid wetting agents and surfactants. Eliminates cold weather streaking problems. **MEGA CLEAR Quart** ready to use glass cleaner cleans glass, refrigerators, stove tops, stainless steel, display cases, chrome fixtures, ceramic tiles, counter tops, TV screens, mirrors, etc.

DIRECTIONS: MEGA CLEAR Aerosol shake well. Holding container 6 - 12 inches from surface to be cleaned, spray product sparingly and wipe clean. Polish immediately with dry cloth or paper towel. **MEGA CLEAR Quart** for best results, use short strokes to spray a fine even mist. Spread at once and wipe dry. Use two paper towels or dry lint free cloths. Wipe off soil with the first cloth and polish with second. Change towels frequently to avoid resoiling.
