

Mega Grease

Food Grade Grease

MEGA GREASE is a multi-purpose, high purity food grade lubricant that provides long lasting grease protection. Cured lubricant withstands heat to 550°F. Temperatures above 400°F may require periodic reapplication.

Directions: Shake well before using. Remove protective cap. Point opening in spray tip towards area to be sprayed. For hard to reach areas insert red extender tube in hole in tip. Apply a light coat by spraying in quick, short bursts. Work part to distribute product evenly over entire surface. Spray as necessary to insure full coverage.

Areas of Use:

- *Bakeries
- *Bottlers
- *Breweries
- *Canneries
- *Dairies
- *Edible chemical manufacturing
- *Egg processors
- *Meat and poultry processors
- *Pharmaceutical manufacturers
