

MEGA BAC PODS

Garbage Disposal Cleaner & Septic Tank Treatment

MEGA BAC PODS are a highly effective, non-toxic, biodegradable, powerful foaming garbage disposal and septic tank cleaner/treatment. **MEGA BAC PODS** contain bio-enzymes that help to eliminate odors and grease build up. Also great for smelly floor drains and septic systems.

Directions For Use:

Toilets/Urinals: Drop **POD** into standing water, allow to dissolve. Product will treat drain lines or septic system when next flushed.

Disposals: Place **POD** in disposer or secondary sink and activate with water. Use during period of inactivity to allow the product more time to clean & deodorize disposal.

Floor Drains: Place **POD** in floor drains at the end of the day and activate with 1 cup of water. Pod can also be dropped into mop bucket water to eliminate odors and grease buildup.
