

SPRAY SHINE

Waterless Vehicle Wash

SPRAY SHINE is an innovative product that will easily wash and shine vehicles and equipment without wasting water or washing chemicals down the drain. Simply spray-on **SPRAY SHINE**, then wipe and buff to a glowing shine. **SPRAY SHINE** can be used on all non-porous and painted surfaces, metals, plastics, and glass. Great for trucks, SUV's, cars, forklifts, golf carts and other equipment.

Directions: Simply apply **SPRAY SHINE** to surface, wipe with a towel, let the surface dry, then turn towel over and buff in. **SPRAY SHINE** lifts off dirt, grime, road film, and water spots without harming the surface or paint.
