

Auto-Scrub

Floor cleaner for automatic scrubber machines

This biodegradable, non-flammable concentrate can be used for all floor cleaning needs, from light duty cleaning to your most difficult heavy duty and high traffic areas. The non-sudsing formula makes **AUTO-SCRUB** perfect for use in automatic scrubbing machines. It can also be sprayed, mopped or wiped on for spot cleaning or small area cleaning needs. **AUTO-SCRUB** is effective as a heavy duty degreaser and will penetrate to quickly remove oils, greases, waxes and carbon soils. Standard dilutions are 1 gallon of **AUTO-SCRUB** per 10 to 60 gallons of water depending on the job at hand and the amount of buildup present. For a protective shine after cleaning, use Omega's **MEGA SHINE** high gloss floor finish.

Directions: Use in automatic scrubbing machines or mop water as needed. Light Duty Cleaning: 1 gallon **AUTO-SCRUB** per 60 gallons of water. Medium Duty Cleaning: 1 gallon **AUTO-SCRUB** per 40 gallons of water. Heavy Duty Cleaning: 1 gallon **AUTO-SCRUB** per 10 gallons of water.
