

# Magic Urinal Screen

Vinyl urinal screen

This is a unique, fun way to clean and deodorize urinals. The highly scented material and the deodorizing chemicals in these urinal screens will keep restrooms smelling clean and fresh. When used, a message appears on the screen, and the cleaners and deodorizers are released into the fixture. **MAGIC URINAL SCREENS** are designed for use in all urinals and work very well in urinals with standing water, unlike other urinal cake type products that quickly dissolve if used in fixtures with a high water line. **MAGIC URINAL SCREENS** will last 30 days or more in any type of fixture. The soft pliable plastic will conform to any fixture for a perfect fit. **MAGIC URINAL SCREENS** come with three different messages and scents: "Drink more beer" - Tutti Frutti scent; "Objects in hand" - Cherry scent; and "Hi shorty" - Fresh and Clean scent. (No message also available in Cherry scent).

**Directions:** Place screen in urinal. Replace as needed.
