

Mega Power Powder

Concentrated Cleaner and Degreaser

Mega Power Powder is especially designed to clean, degrease, and remove stains from all hard surfaces. Removes grease, oil, wax, inks, carbon and soil from metal, plastic, rubber, tile, wood, vinyl, formica and other porous surfaces. **Mega Power Powder** can be used on concrete, equipment, engines, floors, walls, any water safe surface where a heavy duty natural cleaner/degreaser or deodorizer is needed.

Directions: To clean concrete, asphalt and brick driveways or garages simply wet surface with water, sprinkle approximately 1/2 lb. per 100 sq. ft. directly on the dirt, grease, or oil spots. Let **Mega Power Powder** sit for 10 minutes. Brush with a stiff broom and rinse off with garden or pressure hose. **General Cleaning:** 1/2 cup to 2 cups per 5 gallons of water. This product can be mopped, sponged, or sprayed onto surface. Allow to penetrate then rinse away soil. Agitate if necessary to remove soil. For heavier soiled areas a more concentrated solution may be desired. **Soak Tank:** For best results, hot or warm water should be used. Dilute powder with 2.5 to 5 lbs. per 5 gallons of water. Agitate parts if possible. After parts are taken out they should be dried. **Pressure Washer:** Dilute one pound to 40 gallons of water.

Health	1
Flammability	0
Reactivity	0
Protection	N/A

Areas of Use:

- *apartment complexes
- *oil refineries
- *manufacturing plants
- *printing industry
- *schools
- *municipalities
- *warehouses
- *hotels
- *golf courses
- *malls
- *parking lots

Appearance and odor.....	White granular powder with no odor.
Specific Gravity.....	Concentrate - >1
VOC.....	N/A
NFPA Fire Rating.....	Non-Flammable
