

Super Mend

Contact adhesive

This industrial strength contact adhesive binds like and unlike surfaces together for permanent repairs. **SUPER MEND** is a high performance spray adhesive designed for bonding metal, wood, fabric and plastic to each other. Great for permanent repairs to metal trailers, containers, signs, and storage sheds. Use to bond signs and other metals to doors and posts, laminate to counter tops and many other uses. **SUPER MEND** is great for upholstery and carpet too.

Directions: Shake well. Hold can 8-10 inches from surface. Spray an even coat on both surfaces to be bonded and wait 1-2 minutes until tacky, then press surfaces firmly together. Use Omega's **SOY AWAY** or **MEGA OFF** for quick clean-up of overspray.

Areas of Use:

- *automotive shops
- *plumbing shops
- *sheetmetal & welding shops
- *municipalities
- *industrial applications
- *sign shops
