

U-Pad

Urinal Pad

U-PAD disposable floor mats will make restroom maintenance easier and faster. By positioning **U-PAD** mats under urinals and toilets, any unwanted splashes or drops will be absorbed and the odors they cause neutralized. **U-PAD** mats will protect floor surfaces from stains, discoloration and uric acid damage. **U-PAD** mats are available in u shape and regular pads to accommodate most fixtures providing a safer, drier floor surface. Each mat has a special bottom that prevents slipping or movement. **U-PAD** mats are impregnated with a powerful deodorant to combat and destroy urine odors. When a mat has reached its saturation level, simply throw it away. No need to clean it, the deodorant will keep odors in check.

Directions: Place mats on floor under urinals and toilets. Replace when saturated.

Areas of Use:

- *shopping malls *amusement parks *hotels *hospitals *office buildings *theatres
- *school districts *retirement facilities *industrial facilities *warehouses
