

WINDSCREEN FLEET PACK

WINDSCREEN FLEET PACK is a concentrated tablet. Each **WINDSCREEN** tablet can make a gallon of detergent cleaning solution. Just add one **WINDSCREEN** tablet to one gallon of water. You may add the **WINDSCREEN** tablet directly to the car's reservoir or mix in a separate container and pour in just enough to fill the reservoir. Then use the rest to clean the windows and mirrors etc...

Directions: Add 1 **WINDSCREEN** tablet to 1 gallon (4L) of water and pour the amount needed into the reservoir. Use the rest to clean windows, mirrors and other hard surfaces as needed. For freeze zones, add 1 **WINDSCREEN** tablet to traditional liquid winter formula for an extra boost in cleaning power.
