

# Always Shine-W

Stainless Steel Cleaner  
Water Based

**ALWAYS SHINE-W** is an excellent water based cleaner, that brightens, polishes and protects stainless steel. **ALWAYS SHINE-W** can be equally effective for use on aluminum, chrome, formica, porcelain and ceramic tile. Quickly removes tough oil-based stains, water marks and spots. Can be applied directly onto wet surfaces eliminating the need for initial drying necessary with most oil-based metal polishes. Easily wipes off leaving a unique soil resistant coating. Resists finger prints, grease and water spatter. Helps preserve the factory finish. **ALWAYS SHINE-W** is USDA authorized.

**Directions:** Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required. Contains no acid or abrasive substances. Will not leave a powdery residue. Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons.
