

ALWAYS SHINE OB WIPES

Double-Sided Oil Base
Stainless Steel Wipes

ALWAYS SHINE OB WIPES are premoistened with a powerful formula designed to clean and polish stainless steel surfaces while protecting them against the damaging effects of oxidation and corrosion. **ALWAYS SHINE OB WIPES** will remove hard-water stains, smudges, fingerprints, food spills and residue from virtually any stainless steel surface or appliance. As they clean, they also brighten, polish and protect the surface with a clear coating that acts as a protective shield. **ALWAYS SHINE OB WIPES** also work on other types of metals including brass, silver, chrome, and copper.

DIRECTIONS:

Scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to polish the surface clean. Discard used towel. For a super shine, buff lightly with a soft, dry towel after application.
