

ALWAYS SHINE OIL BASED

Stainless Steel Cleaner

ALWAYS SHINE is an excellent cleaner formulated for hospitals, schools, offices, hotels, restaurants, lockers, restrooms, factories and institutional use. It cleans, brightens, polishes and protects stainless steel. Can be equally effective for use on chrome, aluminum and brass. A minimum of effort is required to remove smudges, soil and stains quickly – no hard rubbing needed. It actually forms a shield that resists water marks and rusting.

DIRECTIONS:

Shake well. Holding container 6 to 12 inches from surface to be cleaned, spray **ALWAYS SHINE** sparingly and wipe clean. Polish immediately with dry cloth or paper towel. May also be used to clean chrome, aluminum, and brass.
