

Section 1 ~ Identification

Identity (As Used On Label and List) B5244 AQUA CLEAR PAKS	Date Prepared: 09/01/23
Company Information: OMEGA INDUSTRIAL SUPPLY, INC	Emergency Telephone Number: 1-800-424-9300
Address (Number, Street, Suite/Apt#) 1133 WEST 27 TH STREET	Telephone Number for Information: 1-800-571-7347
(City, State, and Zip Code) CHEYENNE, WY 82001	Signature of Prepare (Optional) REGULATORY DEPT.

Section 2 ~ Hazard(s) Identification

Classifications Skin & Eye Irritant

Label Elements

Signal Word: Warning

Hazard Statement

Avoid contact with eyes. Flush immediately for fifteen minutes if needed. Use gloves to avoid contact with skin and open wounds. If exposed wash with soap and water. Do not use internally. Keep out of reach of children.

Precautionary Statement

N/A

Other Hazards

N/A

Unknown acute toxicity (GHS US)

N/A

Section 3 ~ Composition/Information on Ingredients

Chemical Name: N/A

Chemical Abstracts Service (CAS) number and unique identifiers: N/A

Impurities & Stabilizing Additives: N/A

Chemical Name and Concentration of all ingredients (classified as health hazard): Powder containing naturally occurring microorganisms, carriers and filler. Chemical compositions have been withheld as a trade secret.

Section 4 ~ First Aid Measures

If inhaled

Prolonged contact may cause slight irritation. Supply fresh air immediately. Rinse mouth and nose with water. Contact a physician if necessary.

In case of skin contact

Rinse with water. Slight redness on hands and forearms if individual has a history of dermal allergic reactions. Dermatitis and skin sensitization can develop after repeated and/or prolonged contact. Wash the material off the skin with soap and water. If symptoms persist, call a physician. Remove contaminated clothing and footwear. Wash clothing and footwear before reuse.

In case of eye contact

This material may cause eye irritation. Rinse with plenty of lukewarm water, also under eyelids for fifteen minutes. If symptoms persist, call a physician.

If swallowed

Irritation of the mouth, pharynx, esophagus and stomach can develop. Rinse mouth with water. Induce vomiting only if advised by physician or poison control center. If uneasy symptoms persist, call a physician. Call poison control.

Recommendation for immediate medical care: Call poison control if ingested. Immediately flush with water for 15 minutes if it comes in contact with eyes. Seek medical attention if irritation persists. Remove contaminated clothing and footwear; wash with soap and water if it comes in contact with skin.

Section 5 ~ Firefighting Measures

Suitable extinguishing media: Use extinguishing measures that are appropriate to local circumstances and the environment.

Special hazards arising from the substance or mixture: N/A

Advice for firefighters: Fire fighters must wear fire resistant personnel protective equipment.

Further information: Product is not considered to be a Fire Hazard.

Section 6 ~ Accidental Release Measures

Personal Precautions, Protective Equipment and Emergency Procedures: Not Required

Environmental Precautions: N/A

Methods and materials for containment and cleaning up: After spillage dilute with water and wash to drain. Do not use high pressure water jet. Wash contaminated clothing.

Reference to other sections:

- See Section 7 for information on safe handling.
- See Section 8 for information on PPE.
- See Section 13 for disposal information.

Section 7 ~ Handling and Storage

Precautions for safe handling: All materials should be handled under good housekeeping practices. Wash hands after use. Care should be taken to ensure product is not introduced to drinking water or food stuffs. Store container in a dry and cool place.

Conditions for safe storage, including any incompatibilities: N/A

Specific end use(s): Keep out of reach of children.

Section 8 ~ Exposure Controls/Personal Protection

Control parameters: None

Components with workplace control parameters: Contains no substance with occupational exposure limit values.

Exposure controls: Material transfer should be done under conditions of local exhaust ventilation.

Permissible Exposure Limit (PELs): None

Threshold Limit Values (TLVs): None

Appropriate engineering controls: Open air/Ventilation

Personal protective equipment

Eye/face protection: Tightly fitting safety goggles recommended when handling large quantities.

Skin and Body protection: Skin should be covered by clothing at a minimum. Avoid excessive skin contact. Rubber gloves-recommended.

Respiratory protection: Dust masks recommended

Control of environmental exposure: Minimize environmental exposure.

Section 9 ~ Physical and Chemical Properties

Appearance: Tan powder

Odor: Mildly earthy odor

pH: N/A

Melting point/freezing point: N/A

Initial Boiling Point: N/A

Flash Point: N/A

Flammability (solid, gas): None

Vapor Pressure & Density: N/A

Water Solubility: Dispersible

Specific gravity: N/A

Section 10 ~ Stability and Reactivity

Reactivity: N/A

Chemical stability: Stable under normal conditions.

Condition to avoid: None

Incompatible materials: Strong acids or alkali compounds.

Hazardous polymerization: Will not occur

Hazardous decomposition products: N/A

Section 11 ~ Toxicological Information

Acute Toxicity: N/A

Chronic Toxicity: N/A

Reproductive Toxicity: N/A

Additional Information: Pathogenicity – component bacteria are non-pathogenic and generally regarded as safe.

Section 12 ~ Ecological Information

Toxicity: Not classified.

Persistence and degradability: None

Bio-accumulative potential: N/A

Mobility in soil: N/A

Other adverse effects: This product is believed not to be dangerous to the environment with respect to mobility, persistency and degradability, bio accumulative potential, aquatic toxicity and other data relating to eco toxicity.

Section 13 ~ Disposal Considerations

Waste Treatment Methods: Disposal in accordance with federal, state and local regulations.

Section 14 ~ Transportation Information

DOT (US)

UN Number: N/A

Class: N/A

Packing Group: N/A

Proper Shipping Name: N/A

Section 15 ~ Regulatory Information

There are no safety, health and environmental regulations/legislation specific for the substance or mixture.

Section 16 ~ Other Information

Disclaimer: Omega Industrial Supply, Inc. cannot anticipate all conditions under which this information and its product, or the products of other manufacturers in combination with its product, may be used. It is the user's responsibility to ensure safe conditions for handling, storage and disposal of the product, and to assume liability for loss, injury, damage or expense due to improper use. The information in the sheet was written based on the best knowledge and experience currently available. The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and -may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
