

AUTO KLEEN

Vehicle Wash

AUTO KLEEN is specially compounded for cars and trucks. It can be used for automatic car washing operations or washing cars by hand. **AUTO KLEEN** is excellent for use in areas with hard or soft water. After use, the vehicle will be left without streaks or spots. **AUTO KLEEN** is safe to use on any vehicle finish and is biodegradable.

DIRECTIONS:

Dilution of 1-2 ounces per gallon of water is recommended for use with mechanical equipment and 2-4 ounces for hand washing. Dilution ratios may vary depending on condition of vehicle or other situations.
