

BIO POWER WIPES

All-Surface Cleaner,
Degreaser & Deodorizer

BIO POWER WIPES clean, degrease and deodorize just about everything. **BIO POWER WIPES** leave a beautifully unique, long-lasting tropical scent. **BIO POWER WIPES** are non-toxic and contain no phosphates, solvents or any other harsh chemicals. Use for cleanups of grease, grime with ease while leaving no residue behind.

DIRECTIONS

Remove cover from canister and discard the seal. From center of wipes roll, pull up a wipe corner, twist into a point and thread through the hole from the underside of the lid. Pull wipe through about one (1) inch. Replace the lid on the container, assuring a secure fit. Keep the container closed when not in use to ensure moisture retention. Test surface prior to use.

Health	1
Flammability	0
