

BATTERY TURBO SWEEPER

38" Triple Brush Maintenance
Free Battery Powered
Push Sweeper

P9239

- Designed for indoor / outdoor wide area surface cleaning of warehouse and factory flooring, parking lot and sidewalk surfaces, asphalt, concrete and all natural stone hard surfaces.
- Ideal for detail cleaning on indoors surfaces because the battery power allows for up close cleaning in and around equipment and work areas.
- Easily sweeps fine dust, coarse dirt, sand, leaves, sticks, bottles, broken glass, wrappers, food, anything that can fit thru a 10" X 4" opening big or small debris.
- Great for cleaning indoors on ceramic tile, laminate flooring as well as commercial carpeted areas.
- Cleans fast and can reduce your cleaning time up to 80% when compared to pushing a broom.
- Battery powered with a runtime up to 2 hours that can also be used as a manual push sweeper without the battery to finish any cleaning task if running on low power.
- Holds up to 13.2 gallon of debris in the container.
- Quiet enough to clean in and around customers.
- Side rollers for cleaning along walls, walkways and curbs areas.
- Can be used indoors and outdoors on wet or dry surfaces with two front brushes that rotate in opposite directions grabbing the big debris directly in front of the sweeper while the brush roller on the bottom picks up all the small particles.
