

Bio Power

Biodegradable Degreaser with a Pleasant Scent

BIO POWER cleans, degreases and deodorizes just about everything! Leaves a beautifully unique, long-lasting fresh scent. **BIO POWER** is 100% biodegradable surfactant blend. It is non-toxic, contains no phosphates, solvents or any other harsh chemicals. It effectively removes grease, dirt and grime and leaves no sticky residue behind!

Directions: For general cleaning of kitchens, bathrooms, and household surfaces, pour **BIO POWER** on a clean sponge or cloth to clean the entire area. Pour into toilets, sinks, bathtubs, etc. to clean, refresh and deodorize. Can also be sprayed on surfaces where desired. For general cleaning of floors and walls: Mix 4-8 oz. of **BIO POWER** per gallon of water and mop or clean as usual. The more **BIO POWER** you use, the more effective the cleaning and degreasing is and the better the room smells when you're finished.
